OFFICERS BAPTIST UNION
 REV. E. Y. MULLIN, OF LOUISVILLE, PRESIDENT.
 All Others Re-elected—Singing of McKee Brothers of McMinville. Feature of Session.
 BY. CARRIE O. MILLS-PAUGH, OREGON GENERAL SECRETARY AND FIELD WORKER, B. Y. P. U.
 SPOKANE, July 5.—Rev. E. Y. Mullin, D. D., of Louisville, Ky., was elected president of the Baptist Young People's Union of America at the session held in the Spokane Armory this morning. Archibald T. McNeil, of Woodstock, Ont.; Corwin S. Shanks, of Seattle, and Rev. W. H. Main, of Hartford, Conn., were elected vice-presidents. Dr. W. M. Reed, of Rock Island, Ill., was re-elected secretary, and H. B. Orsmond, of Chicago, was re-elected treasurer. All were elected unanimously.
 John H. Chapman, of Chicago, who has been president for 15 years, since the Union was first organized, declined reelection, having served notice of this intention a year ago.
 The following board of managers was chosen: E. F. Yountson, of Pennsylvania; Rev. J. W. Candy, of Nebraska;

George B. Macon, of Georgia, and Rev. L. L. Houshoun, of Ontario, these representing the North, South, East, West and Canada. Additional members chosen for one year were: J. W. Lowe, Fred A. Wills, John Nuvsen and John M. Chapman, all of Chicago; George Miller, of Baltimore; Rev. J. M. Johnston, of St. Louis, and H. C. Baldwin, of Cleveland.
 It is estimated that 2000 attended today's convention.
 The McKee brothers of McMinville College, are attracting much attention by their beautiful singing. Rev. Mend Bledsoe, formerly of Portland, is one of the street preachers. Great enthusiasm greeted Dr. Brougher's announcement that a reception would be given Spokane delegates at the White Temple next Tuesday night.
 Hold "Echo" Meeting Here.
 What will be designated as an "echo" meeting of the B. Y. P. U. convention of Spokane will be held in the White Temple Tuesday night. Rev. Curtis Lee Lewis, of the First Baptist Church of Baltimore, Md., and Rev. George T. Webb, field secretary of the B. Y. P. U., will be among the speakers. Dr. J. Whitcomb Brougher will return from the convention, where he made the opening address, this morning.
 Negro Revolt Against Police.
 NEW YORK, July 5.—Policeman Edward Conrad was fatally injured in a race riot which occurred in upper New York late last night. Attempts were made to kill other policemen, scores of

negroes were severely clubbed and five arrests were made before the trouble was brought under control.
 The trouble started when Policeman Conrad seized a negro who was discharging a pistol on the streets. Immediately hundreds of negroes ran to his aid, seized the policeman, slashed him with razors and kicked and beat him. White residents came to Conrad's aid and in a few moments a goodly row was on. Reserves from two precincts had to be called to quell the rioting.
CLEARED FOR ACTION.
 Guns Loaded for the Fray.
 If some one who was not acquainted with the way in which people go after bargains, had dropped around to the corner of Third and Stark street yesterday they would certainly have thought that a good-sized battle was in progress. But it was no battle. Just people buying suits at \$50, \$75, \$80, \$100 and \$125. These are the light and medium-weight Summer suits that the Brownsville Woolen Mill Store bought at half price from the wholesale clothing house on Front street, owned by J. L. Bowman & Co. This was a direct loss to the wholesale house, but they figure that it is better to turn each season's goods into money than to carry them over, besides it gives people who cannot afford high prices a chance to fit themselves out for a little money.

ANOTHER BLOW TO LIQUOR
EXPRESS COMPANIES NEED NOT CARRY IT C. O. D.
 Judge Pollock Revokes Order Compelling Them to Supply Thirsty in Arid Kansas.
 KANSAS CITY, Mo., July 5.—Judge John C. Pollock, in the United States District Court here today, revoked his mandatory order compelling express companies to carry C. O. D. liquor packages and denied a temporary injunction against the Wells-Fargo Express Company and the Pacific Express Company, forcing the express companies to accept its shipments. Judge Pollock held that there was no common law duty resting upon the express companies to engage in a C. O. D. liquor business. May 15 several express companies announced they would no longer carry C. O. D. liquor shipments into Kansas City, giving as their reasons that public sentiment was opposed to such traffic in the face of the Kansas prohibition law. The distilling companies urged that the express companies had no legal right to refuse such business. Judge Pollock issued a mandatory or-

der June 1, compelling the express companies to carry the C. O. D. shipments until the question at issue might be presented to the Court in proper form. This order he has revoked.

 Bryce Not Like Sackville-West.
 NEW YORK, July 5.—British Ambassador Bryce, in a dispatch to the World from his summer home at Intervale, N. H., declares he did not make the comments on the Oklahoma constitution attributed to him. The dispatch follows:
 "Statements which quote as attributed to me regarding merits of Oklahoma constitution wholly unfounded. I invariably refused to express my opinions on its provisions, as I have invariably refused to say anything what-

ever on any American political question since I came to the United States in an official capacity.
 Missouri Has Slight Shock.
 ST. LOUIS, July 5.—Advices were received today from Bismarck, Mo., 75 miles south of here, that two distinct earthquake shocks were felt there yesterday afternoon. The vibration was sufficient to shake buildings and rattle windows and dishes. No damage was done. The shocks seemed to pass from West to East and lasted three or four seconds.
