Advance in Canned Tomatoes.

The market for canned tomatoes is exceed. ingly strong. A wire from San Francisco yesterday announced that California tomatoes in gallons had advanced 25 cents in the course of the day and that all orders would have to be in before the day closed. Utah canners on Monday announced an advance of 1214 cents per dozen on 215-pound standards. The Eastern tomato market is very strong and prices on the Atlantic Seaboard are still above a parity with those on this Coast.

Wool Season Near an End.

Practically all the Valley wool clip, is now in the hands of dealers, only a few small scattered lots remaining here and there in the country. The season in Eastern Oregon is also drawing to a close. A sale is scheduled to take place at Eigin today, but local dealers
