**RESISTS FEDERAL COURT**

**NORTH CAROLINA GOVERNOR DEFENDS STATE RIGHTS.**

Armed Resistance to Release of Railroad Men Imprisoned Under State Rate Law Possible.

ASHEVILLE, N. C., July 24.—(Special.)—Governor Glenn will not accept the proposition made by Assistant Attorney-General Sanford, sent here by President Roosevelt to try to effect a peaceful settlement and avoid the clash that is bound to come between state and Federal authorities unless the Governor or Judge Pritchard gives in.

Preparing for the expected conflicts between its courts and the United States

Court, the state has ready a plan of procedure intended to balk any order by the United States Court forbidding the enforcement of the state railroad rate law, whose penalty section, Judge Pritchard, of the United States Court, has declared unconstitutional.

**Will Go After Companies Next.**

The railroad obtained this decision in the case where Wood and Wilson, convicted in an Asheville Police Court on the charge of charging more than 24 cents a mile, were released by Judge Pritchard on habeas corpus.

The state authorities see that this release can be effected in other cases where agents are arrested, and therefore will proceed in many cases to fine the railway corporation itself, and in such cases there can be no habeas corpus and no general writs of habeas corpus will be issued if the railway company would be ruined if the rate law should be found constitutional by the United States Supreme Court.

**Governor Will Not Yield.**

The Governor emphatically declares he will not back down. He has advised the

solicitors of the state that he is "behind them" with the use of all power within his means. The reason he will not accept a peace offer is that to accept it would be to surrender to the Federal Court entirely.

Counsel for the state would not recommend that the Governor accept terms, neither would State Solicitor Brown, to whom overtures were also made, recommend to the Governor that they be accepted. The state contends that it would be humiliating. Mr. Glenn said today: "I shall not consider any offer from the other side until the railroad complies with the law."

**Armed Conflict Possible.**

In the event that further prosecutions are instituted in the state courts, as the Governor has said he will do, further writs of habeas corpus will be issued and the prisoners discharged as in the case of Wood and Wilson. Then when the state goes to rearrest these prisoners and the United States Marshal, acting under instructions from the Federal Court, attempts to free them, a conflict between armed forces will take place. There has been much feeling and state's rights have been discussed with much animation.

The Governor has instructed the Attorney-General to assist the solicitors in the prosecution of violations by the railroads.

**REMOVE AMERICAN FLAG**

Bigoted Canadians Object to Stars and Stripes.

OTTAWA, Ont., July 24.—Two American flags today were used with the Union Jack and other decorations in connection with a carnival. A committee of citizens ordered the Stars and Stripes removed. The reception committee thought it best to do this rather than have any trouble over the matter.

**Rural Carriers at Kerby.**

OREGONIAN NEWS BUREAU, Washington, July 24.—Charles G. Howard has been appointed regular, James E. Howard substitute, rural carrier, route 1 at Kerby, Or.

**NAVY CHAPLAIN UNDER FIRE**

Accused of Issuing Worthless Checks and Telling Falsehoods.

WASHINGTON, July 24.—Chaplain H. W. Jones of the battleship Minnesota, who has been stationed at Norfolk, Va., is to be tried by court-martial on charges of scandalous conduct to the destruction of good morals, and falsehood, preferred by the Acting Secretary of the Navy.

Under the charge of scandalous conduct there are 17 specifications, consisting mainly of allegations of the utterance of worthless checks. Under the falsehood charge it is alleged that Jones misrepresented the facts regarding a note which had been given by him.

**School Land List Approved.**

OREGONIAN NEWS BUREAU, Washington, July 24.—List No. 30, of indemnity school land selections, state of Washington, in the North Yakima land district for 21,995 acres was approved by the Secretary of the Interior today.
