SUDDEN ATTACK BY CHINESE TONG

Band From New York Fires Volley in Boston Chinatown.

KILL THREE, WOUND SEVEN

Dozen Desperadoes Dash Down Narrow Alley, Shooting Into Crowd With Deadly Aim - Result of a Long Feud.

BOSTON, Aug. 2 .- Burning with hatred for their enemies belonging to the rival On Leong Tong, a band of New York Chinamen numbering a dozen or more and said to be member of the notorious Hep Sing Tong, ennight and, drawing revolvers, opened fire upon half a hundred Chinamen, killing three and injuring seven. At the first volley the Chinamen rushed for their quarters. The Hop Sings chased their victims into their own doorways and shot them down as they rushed upsairs or into side rooms. Then, casting away their guns, the visitors ran from the Chinese quarters, most of them escaping the police.

Immediately after the shooting one of the Hop Sings from New York was captured by a policeman as he was running away. The man gave the name of Nim Sing. He was dressed in American clothes. Later an of-ficer at the south station took into eutsody Mong Woon, aged 34, of New York, whose hands were powder-stained. Both prisoners are charged stained. Both prisoners are charged with mansiaughter. The police placed under arrest on suspicion seven other Chinamen who were strangers in the

The shooting occurred in Oxford Place, in the center of Chinatown, where about 50 Chinamen were smoking in the open air. Fully 50 shots were fired. The visitors shot with careful accuracy, which was apparent from the fact that each of the three man killed was shot that beach of the three men killed was shot through the heart

Trouble Long Brewing.

The trouble of tonight has been anticipated for more than a week. About ten days ago nearly a dozen Chinanen, who were all strangers, came to Boston and rented rooms near China-town. The police were notified of the fact by Boston Chinamen, who feared Special details of police were at once placed on duty in the Chinese quarter and the strangers suddenly dis-

The trouble is attributed by some to the shooting which occurred in Phila-delphia, for which it is said Boston Chinamen were partially blamed. It is thought the Chinamen who did the shooting tonight came from New York to punish the On Leong Tongs for the Philadelphia outbreak.

Government Has Completed Examination of Gold-Bearing Gravels and Sends Out Good Report.

VANCOUVER, B. C., Aug. 2.—A special dispatch from Ottawa says: There is still a golden harvest to be gathered from the gravels of the Klondike valleys. The Government has just completed an examination and survey of gold-bearing gravels of both high and low levels. It is estimated that in neighborhoods where gold is known to exist and from which gold to the value of \$94,750,000 has been taken by crude placer methods, there remains 863.642.630 which may be recovered at a profit by hydraulic mining, dredging and other advanced methods of gold re-

REPORTS OF RUN OF SALMON

Letters From Alaska Tell of Small Pack of Red Salmon.

ASTORIA, Or., Aug. 2.—(Special.)—Several letters were received this afternoon from the salmon canneries on the Nushagak River, Bristol Bay, Alaska. They were dated on July 5 and all tell of the slack run of red salmon up to that time, some even estimating that the pack will be 50 per cent short of last season's output. The Columbia River Packers' Association received a letter which does not ciation received a letter, which does not put so gloomy an aspect on the outlook as do some of the others. It says that the run of silversides, pink and king salmon was the largest of any season since the association's cannery has been in opera-tion. The red salmon were however. tion. The red salmon were, however, unusually late, on account of the extremely cold and backward season. There had been only a few days of red salmon fishing up to that time, so the pack was very small. As the fishing season in Nushagak River usually closes about July 25, al-though it may be a little later this year, the plants would have not less than 20

EASTERN WASHINGTON RE-PORTS RAIN AND COOLER.

Thunder Storms and Hail in All Sections, but Grain Is Said to Be Uninjured.

SPOKANE, Wash., Aug. 2 .- (Special.) -Advices received tonight from nearly all sections of Eastern Washington indicate that the severe bot wave has been broken, at least temporarily. There were thunder showers and electrical storms, accompanied by some wind, but not enough to do any damage to grain.

The Palouse country reports a refreshing shower and light hail. While there was no rain in the Walla Walla Valley, the weather is much cooler. Out in the Big Bend there seems to have been a very general rain. Daven-port had a heavy rain about 3 o'clock lasting 20 minutes. Coulee City also had showers. Harrington got a soak-ing, and Leavenworth also reports thunderstorms and electricity. Ellens-burg had rain. North of Spokane the indications are that the storm has assumed considerable proportions, as all telegraph and telephone wires are out of order.

ROAD OUT OF BUSINESS

Action of Congress Compels Companies to Offer All Sorts of Inducements for Development of Fuel Deposits.

OMAHA, Neb., Aug. 2.-(Special.)-A significant statement was made today by Julius Kruttschnitt, director of mainte-nance and way of the Harriman lines. nance and way of the Harriman lines, that in the future the Union Pacific would encourage in every way possible the development by private parties of the coal lands of Wyoming, Colorado, Utah and other states touched by his road.

He stated that spurs would be run any reasonable distance to coal fields, and that several have already been built. The law passed by the last Congress forces railroads out of the coal business. The Union Pacific will be forced to secure a supply from individual mineowners, Many thousands of acres of coal deposits have also been deeded back to the Government by the Harriman lines, to which it is said by the Harriman lines, to which it is said the road's title was not entirely clear. Mr. Kruttschnitt inspected the Lane cut-off south of this city, on which his road is spending \$2,500,000.

The members propose to co-operate also with the Interstate Commerce Commission and with the various transportation companies in order that a better understand ing among the bodies may be arrived at, and in addition with the idea of secur-HEDGES SECURES CONVICTION ing proper legislation and modification of the freight laws when necessary,

Question of Veracity About Harriman's Illinois Central Stock.

NEW YORK, Aug. 2.—E. H. Harriman and Stuyvesant Fish, whom Mr. Harriman ousted from the presidency of the Illinois Central, differ over the ownership of the stock of that road. The trouble arose over a statement given out by Mr. Fish announcing his position at the next annual meeting of the fillnois Central stockholders, in which he said Mr. Harriman owned only 139 shares of Illinois Central stock against 12,452 held by himself. When this statement was shown to Mr. Harriman

I have been the largest stockholder in "I have been the largest stockholder in Hilinois Central ever since I have been in the company, and Mr. Fish knows it." Mr. Fish, when informed of Mr. Harri-mah's statement, said the figures he had given out were taken from the books of

Wants Interstate Fare Reduced. WASHINGTON, Aug. 2.-An attack has washington, aug. 2.—An attack has been made upon the three-cent a mile rate of the Union Pacific Company by Charles A. Sibley, a resident of Nebraska. Mr. Sibley's complaint was filed with the Inter-state Commerce Commission and its nature is practically unique in the history of the Commission. The complaint alleges that the Union Pacific Railroad Company exacts a rate of three cents a mile from inter-state passengers. ents a mile from inter-state passengers although within the limits of Nebraska it charges a rate of only two cents a mile. He says he travels from a point in Western Nebraska through a part of Colorado to another point in Nebraska and is required to pay the three-cent rate because the company holds that is inter-state business. He asks the Com-mission to fix a just maximum passenger rate which the company shall charge on

Wants Same Rate as Eastern Men OMAHA, Neb., Aug. 2.—Alleging dis-crimination against Western comman-deries of the G. A. R., Thomas Creigh, Nebraska commander, has made a protest Nebraska commander, has made a protest to the railroads west of Chicago against the low rates made in favor of members in the Eastern states. Before the railroads accepted the 2-cent rate made by Legislatures of several Western states, the G. A. R. in those states accepted a fare of one and one-third for the round trip to the grand encampment at Baratoga, based upon the old rate of 3 cents a mile. Since then a flat rate of 1 cent a mile has been made for states east of Chicago. Mr. Creigh alleges discrimination and will appeal to the Interstate Commerce Commission unless the roads make a uniform rate.

Bamboo Culture in Victoria.

VICTORIA, B. C., Aug. 2.-The Japanse residents of this city who underto experiment with the growing of bamboo are meeting great success and the coming Winter will see a large number of roots planted. The first experiment was made at the Gorge Park, where the Japanese have small tea gardens, and so rapid has been the growth of the plants the industry will be largely increased. The plants will be imported from Japan this The cultivation of bamboo is very prof-

Itable in Japan, returns varying from \$20 to \$90 per acre. With a successful cultivation of the plant in this city, the Japanese hope to work up a big trade in bamboo furniture. At present there is nothing that compares with bamboo for furniture. Willow is the best that can be secured in this country but bamboo is considered far su-perior to any willow now used. Another industry which the Japanese will endeav-or to work up will be the use of bamboo

SAD SCENES AT FUNERAL

Laura Matthews' Sister Faints and Nurse Is Inconsolable.

KANSAS CITY, Aug. 2.- The body of Miss Laura Matthews, who died from a pistol wound at Colorado Springs, arrived here today from the West, and was buried in Elmwood Cemetery. At the grave the dead woman's sister, Mrs. J. Marshall, fainted and was carried from the scene by Charles A. Coey, of Chicago, Miss Matthews' friend. Miss Tillie Green, the nurse who had attended Miss Matthews in Colorado, wept bitterly during the services, and plead-ed to be left at the mound when others of the party prepared to depart. It was with difficulty that she was persuaded to return to the city.

Previous to the interment brief servces were held, those present being Mrs. Jennie Matthews, mother of the girl; Mrs. Marshall, Miss Green, N. G. Man-son, brother-in-law of Miss Matthews, his wife, Mr. Coey and the undertake, and his assistants. The coffin was opened in the chapei and viewed by those present. There were no flowers and no pallbearers, the undertaker and his sesistants acting in that capacity.
