SLUMP STOCKS

Wall Street Experiences Febrile Day.

PRICES TUMBLE, THEN RISE

At One Time Lowest Point of Year Is Reached—Rally During Closing Hour of the Exchange.

NEW YORK, Aug. 12.—(Special.)—Traders on the Stock Exchange had a feverish day today. Three disastrous slumps occurred, each of which was followed by a more or less successful rally.

At one time in the day many of the more active issues sold at the lowest price of the year. The trading ended with a rally in progress which brought a number of the influential stocks several points above the lowest of the day.

Buy Ostrich Plumes Now

For right now you have an opportunity to save, the like of which may not come in years. It is a story of an importer overstocked with rich plumes—had them left on his hands on account of non-shipment to a house whose credit was shaky; he was in a place where he needed money, hard cash, and needed it at once to meet obligations.

Table with 4 columns: Regular value, Special price, Regular value, Special price. Rows include Regular \$2.00 value for \$1.50, Regular \$3.00 value for \$2.25, etc.
