Conrad blamed Police Captain Patrick Frank Healey for most of his troubles. WITNESS NOT QUALIFIED

Ben F. Allen, a singer who is employed in a saloon, was called to the stand by the defense to prove that Conrad lived in rooms over his saloon, but when it developed that Allen had never lived in rooms over his saloon, he was quickly dismissed. Mr. Moser, however, expressed his willingness to have the private affairs of Conrad gone into, which has been considered by the jury.

A Musical Education Within Reach of All

Five More Days Left in Which to Secure a \$15.00 Osborn Mandolin Free. There Will Not Be One Instrument Given Away After Sept. 14th, at 5:00 P. M.

This is an opportunity of a lifetime to build the foundation for a musical education, by starting on the right instrument, the mandolin. WE ARE GOING TO GIVE AWAY a few more of these 17-RIB, SOLID ROSEWOOD OSBORN MANDOLINS ABSOLUTELY FREE OF CHARGE to pupils taking out tuition with THE OSBORN CONSERVATORY OF MUSIC. Remember, our absolute guarantee goes with this course of lessons. \$2.00 down, and 50c a week until you have paid \$20.00. WE GUARANTEE TO GIVE YOU FORTY LESSONS OR MORE. If you do not thoroughly understand the mandolin at the end of forty lessons, WE WILL GIVE YOU LESSONS until you do, IF IT TAKES 100 LESSONS, without extra charge. There is no limit, and our FINANCIAL STANDING and past reputation is a GUARANTEE that every word we say is true.

You get the benefit of instruction that would cost you from \$2.00 to \$5.00 a lesson, were you taking private lessons. We got our education in public school in classes. Have we had experience? Stop and figure. WE HAVE GIVEN AN AVERAGE OF 45 LESSONS each to 55,750 pupils in the past seven years. Or, in other words, about 2,508,750 mandolin lessons in class. We feel as though we had profited a great deal with that experience in our different conservatories. The fact that we are steadily increasing in our business is the best proof. ON JULY 31ST, 1907, we had 6000 pupils, total enrollment. ON JULY 31, 1907, 55,750 was the total enrollment. The music stores and the other conservatories are still figuring out HOW IT ALL HAPPENS. HOW IS IT POSSIBLE FOR THE OSBORN CONSERVATORY to give away these high-grade mandolins with a course of lessons? One of the other conservatories advertised in the paper, claiming it was the best proof of their success that they had a total enrollment of 175 pupils. DOES IT SURPRISE YOU when we tell you that our total enrollment on LAST SATURDAY NIGHT, THE 7TH, WAS 1500 PUPILS ON THE MANDOLIN ALONE IN THE CITY OF PORTLAND? A word in explanation of how we can do this. WE STARTED, like many others, in a small way, but our policy was to give everything possible to our pupils, and still leave ourselves a small margin of profit. Our business has been conducted on a cash basis. That is, on everything we purchase, we discount our bills. If it is a 1 per cent discount, we take it; and if we were offered \$50,000.00 worth of goods tomorrow, and could save 1 per cent or 2 per cent on that quantity of goods, we would buy them. We have always believed that the greatest advertisement for our concern was pleased customers. Not only that, but we pay the highest salaries to our employes of any concern in Portland, or any city in which we operate, considering the class of work they do. SHOULD ONE OF OUR SOLICITORS CALL UPON YOU, TAKE ADVANTAGE OF THIS OFFER WHILE YOU MAY. HE WILL NOT CALL A SECOND TIME. There will be no goods placed out at the conservatory. However, you can send us your name and address, and the solicitor will call upon you, providing that district is not already filled up with the number of instruments that we intend to place there. AFTER SATURDAY, THE 14TH, AT 5 P. M., the mandolins will be on sale at \$15.00 and the course of lessons at \$20.00. Classes from 2:30 until 9:30 P. M. Do not confuse THE OSBORN CONSERVATORY OF MUSIC with any of these cheap institutions who are disposing of a cheap grade of goods. Our branches are permanent in the different cities. We are permanently located at the southwest corner of East Morrison and Grand Avenue, in the Healey Building, Portland.

ONLY ONE "BEST"

Portland People Give Credit Where Credit is Due

People of Portland who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Portland. Here's Portland testimony: H. J. Young, of 290 1/2 Morrison street, Portland, Or., says: "I have had no occasion to use any kidney medicine since 1901, and that is the very reason why I can recommend Doan's Kidney Pills so strongly. This remedy relieved me at that time of an annoying attack of kidney complaint, which had clung to me for quite a while and had become aggravated by a cold that settled in my back. The relief was speedy and lasting, and not the slightest trace of a recurrence has appeared during the three years that have elapsed. I am convinced that this is good proof of the value of your remedy."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
