THE LACEY WAY
Is recognized to be the standard way of handling timber lands. The timber must first satisfy us, and our cruise reveals every detail of the conditions surrounding it. Our reports are prepared in such a way that the huyer knows whether or not the timber will satisfy him before he visits the tract. the timber will satisfy him before he visits the tract.

Twenty years' experience and the clientage we represent are a sufficient guarantee that our methods are right. You may
waste your valuable time in looking up
the tract you want. Take advantage of
the results of our constant efforts along
this line and get the best.
