Paul Rader, the pastor, who went away on account of ill health, has returned and will re-enter on his work. The church building has been renovated throughout. The interior has been decorated, the walls retinted and the rostrum reconstructed. It is expected to start work soon on the new main auditorium, for which a contract has already been let. The annex will contain a Sunday school room and a gymnasium for the young people.

F. A. CLARK AT LENOX GRILL.—The popular ex-steward of the Commercial Club, F. A. Clark, who so successfully managed the Rock Island Club this summer, has assumed charge of the handsome new Lenox Grill, where he will be pleased to see his host of Portland friends. Mr. Clark's specialty is catered tax to dinner parties, and in this up-to-date grill he is fully prepared to give perfect service.

PLAN TO ENTERTAIN FOX.—John A. Fox, special director of the National Rivers and Harbors Congress, will arrive in Portland next Thursday. Mr. Fox will address the various commercial bodies of Portland on the work of the Rivers and Harbors Congress. Arrangements are now being made for the entertainment of Mr. Fox on Thursday night at the Commercial Club, but the exact form it will take has not yet been determined. Mr. Fox, after leaving Portland, will make four or five rounds, delivering addresses before the commercial bodies of Tacoma and Seattle. He is at present in San Francisco, where on September 18 he addressed representatives of 20 different commercial organizations of that city on the importance of the participation of the Pacific Coast in the campaign for the systematic improvement of the waterways of the Nation.

IMPORTANT QUESTION BEFORE CONFERENCE.—The most important question to be brought up at the next meeting of the national conference, which will convene next Tuesday in Grace Methodist Episcopal Church, will be whether bishops shall have the power to appoint all pastors and ministers within their districts, or whether the power shall be taken away, and the pastors elected by the congregations. The question, first brought up at the Old Glory conference, has been agitating Methodists all over the country, and each state conference has been requested to vote on the subject, so that the general opinion of the church can be known. Everything is now ready for the conference, and the visiting pastors will begin to arrive in the city today and tomorrow.

POSTMASTER WANTS A CLIMBER.—If there is a boy, or very small man, in Portland who is a good climber and would like to see his picture and name in the newspaper, he should apply at once to Postmaster Minto. Yesterday the old rope that holds the flag to the top of the staff on the Postoffice building broke, with the result that Old Glory cannot be hoisted into its accustomed place until Mr. Minto finds some one with more climbing ability and nerve than weight. As the postmaster himself weighs over 200 pounds, and the pole rises more than 100 feet above the pavement and is no larger at the top than a man's arm, he is somewhat anxious to substitute the post to replace the broken one.

DEATH OF MISS EDITH BARNETT.—Miss Edith Barnett, a graduate of the Good Samaritan training school for nurses, class of 1901, died in this city of tuberculosis, October 1, at her home, 1234 Commercial. She had been ill for some time and several months ago went to Arizona in the hope that the change would benefit her. She was, however, unable to shake of the disease. Miss Barnett was one of the nurses who played a conspicuous part in caring for the victims of the cholera epidemic in the city of Chicago in August, 1903. Funeral services will be held today at 2:30 P. M. at the undertaking parlors of Edward Holman. The remains will be taken to Tacoma, Wash., for interment.

THIEF STEALS LINGERIE.—A kleptomaniac with a brand-new penchant is in the City Jail. The valuables that appeal to the average thief are gold, silver, diamonds, etc. His name is Walter Jarvis, he comes from Grants Pass and his weakness is for feminine lingerie. Jarvis was arrested at daylight yesterday in his possession a large lace-trimmed undershirt. A corset cover and other articles of feminine apparel are also said to have disappeared through his operations. Jarvis is a resident of Grants Pass, Ore. He is being held for trial on a larceny charge.

OPERA SINGERS GIVE RECITAL.—Tom Carl, director of the Californians, who are giving a season of light opera at the Marquam, assisted by Mrs. Robert Hoesa of the same company, gave a song recital yesterday afternoon at St. Mary's Academy for the entertainment of the sisters and pupils. F. W. Goodrich, organist at St. Mary's Cathedral, was the accompanist. Prior to the commencement of the recital Mr. Carl gave a short talk on the value of music in the culture of society and the influence it exerts upon character. The singing of Mr. Carl and Mrs. Hoesa was warmly appreciated by those present.

BODY THAT OF MISS WAITE.—The body taken from the Columbia River Tuesday was yesterday fully identified as that of Miss Ellen Waite, of Vancouver, Wash. The identification was made by the coroner of Clark County, who called at the Portland morgue. Though the features were unrecognizable, the identification was effected by comparisons of strips of clothing found on the corpse with dress material the same as that worn by Miss Waite at the time she was drowned three weeks ago.

MOTRIER BROOKS ELOPEMENT.—An angry woman entered the County Clerk's office in hot haste yesterday and asked the chief deputy whether or not her daughter, Ethel Carson, had been licensed to wed Noble. She was allowed to inspect the record long enough to satisfy herself that the young couple, who she said were "only kids," had not eloped. She then demanded the deputy not to issue a license to young Noble, who she says is but 16 years old.

ACADEMY OF SCIENCES MEETS.—The Oregon State Academy of Sciences will hold its first meeting of the Fall tonight at the City Hall at 8 o'clock. A paper on "The Tides" will be given by J. D. Lee. A corresponding secretary will be elected to take the place of George E. Coghill, who recently accepted a position as professor of biology at Denison University, Granville, O. The public is invited to attend these meetings.

FATHER AND SON BREAK ARMS.—Elmer Cook, the 7-year-old son of B. C. Cook, of 1232 East Yamhill street, fell off a fence yesterday afternoon and broke his arm. A peculiar coincidence is that the boy's father was felling a tree the day previous and also suffered the fracture of his arm. Both injured are being treated by Dr. D. O. Webster.

IN MEMORY OF JUDGE SEARS.—The committee appointed to prepare resolutions in memory of the late Judge Sears will report this morning at 9 o'clock in department No. 1 of the Circuit Court, at a bar meeting to be held in that room.

"THE CURSE OF MEMOR" will be the theme of the morning sermon at the First Presbyterian Church, corner Twelfth and Alder, tomorrow at 10:30 o'clock. The evening at 7:30 o'clock the theme will be "The Lamb of God."

"DURING the absence of Isaac Sweet, his law partners, Dan R. Murry and George A. Brodie, will attend to all his legal business.

BASEBALL at St. John, Frakes vs. Brewers, 3 o'clock today.

MAKES A BAD COLLECTOR. Alleged University Man Appropriates Money to His Own Use. Eugene Spencer, lawyer, bill collector, masseur, graduate of the University of Copenhagen, and incidentally an unsuccessful grafter, will lend his talents to the advancement of the University rockpile during the next 12 months. He was sentenced to a term of that duration by Judge Cameron yesterday forenoon. The charge was that of larceny by bailee, of which he was found guilty some days since.

Spencer's methods were especially crude. He made a practice of soliciting bad bills and, later reporting his inability to collect, would ask for money to institute legal proceedings. Receiving money for this purpose he would apply it to his own needs. Money collected on old claims he would dispose of in the same manner. He insists that he is a graduate of the Copenhagen University.

MOORE DEEDS WHEAT LAND

PLACES 7497 ACRES IN HANDS OF RECEIVER DEVLIN. Property is Situated in Eastern Oregon and Washington—Warehouse Property in Portland Included.

President Walter H. Moore, of the Oregon Trust & Savings Bank, died 7497 acres of Eastern Oregon and Eastern Washington wheat land to Receiver Devlin yesterday, to be disposed of in the interests of creditors of the Oregon Trust & Savings Bank. The land is valued at over \$200,000. A block of warehouse property at Montgomery and Water streets, valued at \$50,000 additional, is also included in the trust deed. Mortgages aggregating \$25,000 are held against the property. If the land is not sold immediately, Mr. Moore believes the earning power is such as to pay the interest and retire the principal in two or three years.

The trust deed sets forth the following statement: "Whereas, the undersigned are desirous of assisting the receiver as far as possible in the payment of the claims and demands against said bank, and to that end are willing to make an advance in property for the benefit of the present creditors of said institution, now, therefore, in consideration of the premises, we, Walter H. Moore and Laura Moore, his wife, do hereby assign, transfer and convey to T. C. Devlin, trustee, all of our right, title and interest in and to the following described real property situated in the Counties of Sherman, Morrow and Multnomah, Oregon, and in the County of Franklin, Wash. Then follows the description of 7497 acres of valuable wheat land in the above counties. The deed continues as follows: "The instrument conveys to T. C. Devlin, as trustee, absolutely and without any lien or reservation all the above-mentioned and interest in and to all the property above described, with full and complete power in said T. C. Devlin, as trustee, to sell, lease, deed, convey or mortgage or otherwise dispose of or pledge the said property or any part thereof.

During the time that said T. C. Devlin shall remain as receiver of the Oregon Trust & Savings Bank the money or securities realized by said T. C. Devlin, as said trustee, from the handling of said property, shall be used by said receiver as other assets of said bank. When the receiver of said bank shall be discharged, the grantor, Walter H. Moore, shall be a creditor of said bank to the extent of the amount of money realized by said T. C. Devlin, as trustee, from the handling of said bank, and the capital stock thereof increased, then the said Walter H. Moore shall be deemed a subscriber to the increased capital stock to the extent of money or the value of the securities realized on the property conveyed by said trust deed, and shall be credited upon said stock subscription.

"THE LOVE ROUTE" AT BAKER

Last Two Trips at Afternoon and Night Performances.

There have been no vacant seats in the Baker this week, and if contracts had not been made otherwise, "The Love Route" could easily fill the theater for another fire week. It is a play of novel interest and gives each member of the company the acting parts. Only two more times, today matinee and tonight.

Last Performance Tonight.

The last performance of "The Queen of the Highway" will be given tonight at the Star Theater. There will also be a matinee this afternoon. Those who wish to attend either of these performances should secure seats as early as possible, owing to the popularity of the attraction. "The Queen of the Highway" is a romantic drama of the West in the days of the California gold hunters.

Empire Matinee Today.

The matinee of "The Little Prospector" at the Empire, and tonight's performance will amply fill the theater for another fine attraction. It is a mining-camp play, and so true to life that it has attracted unusual interest from every one interested in mines or anything pertaining to gold mining.

"All for Gold" Matinee.

This afternoon and tonight the Lyric will offer its patrons repetitions of that thrilling semi-military drama which has become so popular during the past week, "All for Gold." There has never been a play seen here that pleased so many people during the length of time that it has remained in it from start to finish.

COMING ATTRACTIONS.

Miss Jessie Busley and "In the Bishop's Carriage" at Hellig.

Beginning next Monday night, September 23, at the Hellig Theater, Fourteenth and Washington streets, Liebier & Co. will present Miss Jessie Busley and an exceptionally good cast in the intensely interesting drama, "In the Bishop's Carriage," for an engagement of one week. A special price matinee will be given Saturday. Seats are selling at theater for the engagement.

"Fatinitza" by the Californians.

Next week the Marquam will be again a mecca for lovers of high-class comic opera, the kind the Bostonians used to sing. Tom Kart offers his splendid company of singers in that ever popular success, "Fatinitza." The organization is well qualified to make it one of the most attractive offerings of the season.

Next Week at the Baker.

After three weeks of serious and heavy drama, the sunshine of merriment, music and mirth will break into the Baker Theater tomorrow morning and continue all next week. This will be the first great Hoyt play of the season, "A Stranger in New York," and there is nothing like it for creating genuine laughter.

"For Mother's Sake" Next Week.

The play in which the famous actress,

Marie Heath, starred so long, "For Mother's Sake," will be seen at the Empire all next week, starting tomorrow afternoon. Miss Heath's famous role will be played by that little sunbeam of the stage, Pearl Goding.

"Drusa Wayne" at Lyric.

Maxine Miles, the new leading woman of the Lyric stock company, will open her engagement Monday night in Franklyn Fyle's famous melodrama, "Drusa Wayne." The play is splendidly adapted to feature Miss Miles, and the role fits her personality splendidly and is one of her favorites.

"King of the Desert."

Tomorrow afternoon and all next week the Star Theater will offer the French stock company in "King of the Desert." This is an Oriental comedy-drama, with many electrical effects. The comedy element is particularly strong and the opportunities for scenic effects are unrivaled.

AT THE VAUDEVILLE THEATERS

Sunday at the Grand. There will be the usual Sunday performance at the Grand tomorrow. This will mark the close of the current vaudeville programme which has been holding the boards since last Monday. There will be made up of many clever entertainers, such as singers, dancers, comedians, acrobats and musicians. "Blisky, the Jailbird," a very humorous skit, heads the bill.

DROP IN SHINGLE PRICES

Reported Congestion in Movement at Head of Lakes Sends Quotations Down 25 Cents.

SEATTLE, Wash., Sept. 20.—(Special)—Shingle prices have gone off 25 cents as a result of a sensational bear raid made on the market by a group of wholesalers anxious to beat down the price of shingles for the late Fall trade. At the first of the week shingles were selling on the base of \$3 for stars and \$3.30 for 4s for clears and stars were hard to get at that price. Now quotations of from \$2.55 to \$2.75 for stars and \$2.90 for clears are the best that shingle manufacturers can get. The only basis for the bear raid that the manufacturers can find is that there is a congestion in the shingle movement at the head of the lakes, both in Duluth and Buffalo. Shingles are piled up awaiting transportation facilities and the wholesalers cannot get them forward.

Though the supply of shingles on hand is not large, the congestion has frightened Eastern yardmen, and word has come back to the Coast that buying orders will show a falling off. Heavy transit stock are held by eight or nine big wholesalers, who are now combining to sell at a profit. The market has thus far shown no recuperative powers and a further attack is expected tomorrow. The wholesalers carrying big transit stocks will not be able to make an effective rally before the beginning of the week.
