Kennedy advanced him, and Jimmy Byrnes, who was sent in to bat for Hartman, put him to third. Then canie Mr. Casey, who connected for another two-ply wallop and Mott tied up the score for the second time.

### Califf Good in Pinches.

Ennon Califf was trotted out to do the honors for the balance of the game. It was while he was pitching in the eleventh that his team-mates pulled him out of a hard place by the great triple play mentioned above. Johnson fumbled Piper's chance. Wheeler outguessed Califf and walked, and Irwin came up with two men on bases. He connected for a line drive that was apparently ticketed as a hit to center. Johnson sped for the ball, reached out his glove and caught it on the fly, but not until he had jug-gled it. As soon as he had it firmly in his grasp he turned quickly and tossed the ball to Casey on second and Piper and Irwin were out. Pearl noticed Wheeler standing dumbfounded between first and second and quick-ly slapped the ball on him, completing the most sensational triple play since Larry Schlafly pulled off his memor able unassisted stunt in 1905.

the twelfth inning Raftery In walked, but was thrown out while overrunning second on McCredie's out at first. Johnson walked and stole second cleanly. Bassey was there with the goods on his appearance at the and laced one to deep right, h chased Johnson over for the olate winning run.

Manager McCredie opened the glad-some fourth inning of the second game with a single to left. Johnson soaked on the seam for two bases and the manager scored. Bassey hit to Irwin and went to second, while Johnson was being run down between third and sec-ond. Mott dumped one along the thirdond. base line and beat it out. Kennedy flew to Hildebrand and then Bobby Groom became a hero in real earnest. The lanky twirler soared one over the heads of Piper and Hildebrand which netted him three bases and scored Bassey and Mott. Casey sent one to left center which Piper tried hard to get but muffed and Groom scored the fourth run of the game and the last of the season of 1937 on the Portland lot.

Both teams left for California last night and will play five weeks in the southland before the curtain is finally ung down for the year. The scores of yesterday's farewell

Ennon Califf is credited with the victory in the first game yesterday, for the scor was a tie when he relieved Hartman. It is hard luck that Harty should not have the win, for he worked hard during the nine innings he worked, but according to scoring rules he does not figure in the game except in the fielding and batting averages.

Ed Kennedy, Portland's new first base-man, handed George Wheelar a few hot shots yesterday, for the ancient one de-liberately trod on Kennedy's foot when running to first base. Wheeler did nor norms back mark through the Bastley come back very strong, for the Portland man would have trimmed him in uo time Kennedy is a wrestler of considerable re-pute and also possesses considerable skill in the art of self-defense.

TACOMA, Wash., Sept. 29,-(Special.)-

By shutting out Butte today Tacoma made a clean sweep of the series. Seattle's double win from Aberdeen put the Tigers within seven points of the Black Cats, who have led the league all season. Tacoma finishes the season at home and expects to win the championship while Aberdeen tussies with Vancouver. "Silm" Nelson won his fifth consecutive victory for Tacoma today, letting Butte down with three scratch hits. He gave two

bases on balls and though the bases were once filled his masterful pitching retired the side without a score Opposing him was Virgil Garvin the

star pitcher of the Bandits. Five singles off Garvin in the first inning netted the Tigers three runs. Three hits in the fourth added two more. Shaw, Stovall, Lynch, Engle and Shea did the hitting in the first round. Shea, Shaw and Martinke singled in the fourth for two more earned runs. Score by innings: 

Batteries-Nelson and Shea; Garvin and Wilkins.

SEATTLE, Wash., Sept. 29.-(Special.)-SEATTLE. Wash., Sept. 3.-(Special)-Paddy Welch beat Aberdeen twice today, turning the trick at \$ to 4 in the first session and 11 to 4 for the second. NEW YORK, Sept. 22.—Interest in all other branches of sport this week will be overshadowed by that focus on the brilliant race between the leading teams of the American baseball league for the pennant of 1907, and the honor of meet-ing the Chicago club of, the National League for the world's championship early next month. Detroit begins the week with S7 games won and 56 lost, and Philadelphia with S3 games won and 55 lost, a percentage of 608 for the former and 601 for the lat-ter. Chicago is third in the race, with a very remote chance of catching the leagues, having a percentage of 588. Tomorrow Philadelphia and Detroit will play a double-header at Philacelphia, af-ter which Detroit will jump to Washing-ton for four games and thence to St. Louis for three. Only one game has been lost in the capital city by Detroit this season, and Manager Jennings is hope-ful that this high percentage of vic-tories there will be maintained.
