TWO NOTES ARE DISCORDANT

All Not Sunshine at the Northwest League Meeting.

So the moguls of the Northwest League have met, posted the books and found a cash balance on the right side of the ledger? All this is good news to lovers of baseball, and of special interest to Portland fans, because many players who once wore Portland uniforms played during the past season in the Northwest League.

This might happen, but just how the local fans would take such a move is another matter. Since Portland joined the Coasters, though Portland has adorned the tail end of the percentage column most of the time, local fans have been educated to fast baseball.
