BODIES IN HARBOR

Two More Mysterious Deaths at Aberdeen.

CORONER IS INVESTIGATING

County Officials Assert One Is Murder Case, While Police Declare It Is Another Suicide—People Fear Return Old Conditions.

ABERDEEN, Wash., Oct. 24.—(Special.)—The finding of another body in the harbor Wednesday, the second within the last 24 hours, is creating the impression that Aberdeen is to experience a repetition of the conditions which existed here several months ago.

The body of H. Simonson, a logger who had been working in a camp at Elma, was found early this morning at Cripple Creek, last night, and will Simonson was about 28 years old and well known to woodsmen about town.

Thirty-five cents and a hospital ticket were found on the body. There are no marks indicating violence, and the presumption is that while intoxicated he walked off the docks. The verdict of the coroner's jury was to this effect. It is learned that Simonson was a member of the Elma team, that his effects are there. Coroner J. Girard, who was called to Elma by an accident in a logging camp, held the inquest on Simonson today.

As to the case of Robert Alteman, whose body was found with a bullet hole in the head, the theories of the county officers and local police vary. The county officers hold to the presumption of murder, while the city officials claim it is suicide. Further investigation will be made at the inquest.

PINKHAM OUT OF THE GAME Oregon Tackle Will Not Be Able to Play Against Idaho.

UNIVERSITY OF OREGON, Eugene, Or., Oct. 24.—(Special.)—Louis Pinkham, left tackle on the varsity football team, received a painful injury in practice last night, and Coach Frost has decided not to play him in the big game with Idaho on Saturday. Pinkham's place will be filled by Fred Mosier, Oberhauser, guard, and Moulten's place will be looked after by McIntyre. Harry Hildeburn, the big Roseburg freshman, will play right tackle. Other members of the team will be the same as it was at the opening of the Oregon-Pacific game last Saturday. The substitutes who will go to Portland are as follows: Huston, '9; Oberhauser, '9; Walker, '9; Dodson, '9; and Volgt, '9.

The team will leave Eugene at 2:00 P. M. tomorrow and will arrive in Portland at 7:30 P. M. About a hundred students and as many townspeople will accompany the team.

Yell Leader Van Dusen says that the rooting at Saturday's game will eclipse anything ever heard in the Northwest.

The Oregon players are by no means overconfident, but if they are to defeat their opponents will know that a mighty strenuous game of football has been played.

Pinkham's injury is a painful one, but Trainer Hayward expects to have him in shape for the hard game with O. A. C. on November 2.

Whitworth Off to Corvallis. TACOMA, Wash., Oct. 24.—(Special.)—Coach Rubeer and his football team left this afternoon for Corvallis, where the Whitworth College eleven Saturday. Rubeer will have the regular team on the gridiron and he will also have three of his best subs.

SEAT SALE FOR HORSE SHOW Heavy Advance Demand Encourages Officials of Hunt Club.

The seat sale for the Portland Hunt Club horse show, which is to be held at the Oriental building, at the Lewis and Clark Fair grounds, opened yesterday morning at 9 o'clock. The advance demand was especially drilled in the Oregon college yells and each member will wear a special uniform college rooster hat, and when they get into action on Multnomah Field tomorrow the roosters of Portland, who have shouted strenuously for the Multnomah team and other Portland institutions, will experience a revelation in the rooting art. In addition to the members of the 100, there will be representatives of the law and medical profession, the University of Oregon, both of which institutions are quartered in Portland, and from the ranks of these adherents of the Eugene contingent the roosters are expected to receive an increase of over 600 voices, which will storm the visitors with the yells of "Old Oregon."

Coach Frost will bring the entire Oregon eleven, including the best seven, among whom will be "Lydia" Pinkham, the big tackle, who was originally slated for the regular eleven, but who was injured in practice yesterday. Pinkham is not seriously hurt, and if necessary will be used in the game. The Oregon players are as follows: Coleman and Moore (captain), ends; Moulten and Arringer, tackles; McIntyre and Hildeburn, guards; Scott, center; Kuykendall, quarter; Zacharias and Taylor, halfbacks, and Dudley Clarke, fullback. Huston, quarter; Dodson, halfback; Walker, fullback; Volgt, guard, and Pinkham, tackle, are the substitutes.

At this afternoon's game between the Hill Military Academy and the West Side High School the University of Idaho team will be guests of the two intercollegiate teams. At tomorrow's game the Hill Military cadets are to attend the big varsity game in a body, for they are going to root for "Chuck" Taylor, of the Oregon team, who was last year's captain of the Hill eleven, and is one of the cleverest freshmen varsity players ever developed in the Northwest.

Fitz Boils With Anger at O'Brien. PITTSBURG, Oct. 24.—"I will slap the face of Jack O'Brien and kick him into the street the first time I meet him, whether it be on Broadway or in a dressing-room." This remark was made by Fitzsimmons at the Pittsburg Hotel. Fitz says he will devote the rest of his life to telling what he thinks of O'Brien because of the latter's statement about the late fight between Fitz and Johnson at Philadelphia. Fitz says he has sent word to O'Brien that he will punch him on sight, and that O'Brien is keeping out of the way. The Australian declares that Johnson, the colored fighter, is the only man in the country today who has a chance against Jeffries.

Food Poisons

90 Per Cent of All Diseases the Result of Undigested Putrefying Foods.

Men of affairs, women of society and children with active brains are too often sedentary in their habits, giving little time to exercise. To this evil is added that of high and irregular living—a result, the stomach cannot stand the demands made upon it. The abused and overtaxed stomach does not properly do the work of digestion, food taken in ferments and the poison permeates the whole system. The body loses in weight and becomes a prey for the attack of whatever disease it may encounter.

Did it ever occur to you how busy that stomach of yours is? It only holds three pints, but in one year you force it to take in 2400 pounds of material, digest it and prepare it for assimilation into the blood. No wonder it rebels when overworked. We crowd it with steaks and pastry, irritate its juices with spices and acids, and expect the stomach to do its work. It can't do it. All over the inner layer of the stomach are glands which secrete the juices necessary to digestion. The entrance of food into the stomach is the signal for these glands to do their work. The more the food, and the more indigestible, the greater the demand upon them and upon the muscles of the wall adjoining.

Think of the tons of high-seasoned game, sweetmeats and appetizers crammed into the stomach, the mill, and then wonder, if you will, why you are dizzy or nauseated or constipated. Don't blame your stomach or curse your fate that you should be born so unfortunate. Blame yourself and apply the remedy.

First, get a small package of Stuart's Dyspepsia Tablets, taking one after each meal and at bed time. They are not a medicine, but a digestive. Your stomach is worn out and needs help, not medicine. Stuart's Dyspepsia Tablets will do the work that the stomach fails to do. There's enough power in one grain of Stuart's Dyspepsia Tablets to digest 3000 grains of ordinary food, so you needn't fear that anything you eat will remain in your stomach undigested.

Stuart's Dyspepsia Tablets will rout the poison from the system, the cause—food fermentation. They are nature's own cure for dyspepsia. The host of troubles dyspepsia is father of cannot be numbered, for a healthy stomach is the source of all health.

Seize your opportunity before worse conditions confront you. Send today for a free trial package of Stuart's Dyspepsia Tablets. They will bring your stomach relief. P. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

of the club, and it will undoubtedly be able to get some clever mat artists from him in the first bout and L. Thompson defeated Roy Brown and the winner met Hughes and lost to him. The bout was interesting throughout.

In the 155-pound class Win Percy won from M. Meyers and Otto Ott won from J. S. Killeen. Ott then met and defeated A. Frohman. In the semifinals Percy met and defeated Frohman and in the final Ott won from Percy.

William Dennis and L. Francis met in the 145-pound class and Dennis won the preliminary bout. Francis and Finnegan met in the semifinals and this left Finnegan to meet Dennis in the final. All of the men were evenly matched, Dennis finally winning the bout.
