THE GIGANTIC DARLINGTON SALE OF NEW MERCHANDISE

The greatest sale of new merchandise that ever happened in Portland. By 9 o'clock yesterday morning every counter in our store was thronged with buyers. By noon our shipping-room was so congested with parcels that it became apparent to all our extraordinary preparations had been insufficient to care for the enormous business. The delivery wagons were kept going until 10 o'clock last night. We'll exhaust every effort to deliver promptly, but must ask your indulgence if there is delay. Where business is so colossal errors are inevitable. All such reported will receive immediate attention. Remember, no such sale as this ever occurred before in Portland, and the savings are almost beyond description. This is not old or job-lot merchandise, but the fresh, new bought stocks of a high-class metropolitan store, offered at 50c, 60c and 70c on the dollar. We never heard of the like before. You never heard of the like before. It may never happen again. Postpone your other appointments. Do not let anything prevent your sharing the marvelous savings this sale affords. Every item advertised so far is still on sale, though in limited quantities.
