RETAINS OLD SITE

Council Adopts Majority Report on Crematory.

BUILD ON GUILD'S LAKE

Ordinance Appropriating \$60,000 for New Incinerator Is Introduced—Money Voted to Fight Introduction of Plague.

After many weeks devoted to the consideration of various sites proposed for a new and modern garbage crematory, the ways and means committee, yesterday submitted two reports to the Council.

The majority report recommended that the new incinerator be built on the site of the present "bake oven" at Twenty-fifth street and Guild's Lake.

An ordinance was afterward introduced providing for an appropriation of \$60,000 for the erection of the crematory under the direction of the Board of Health.

The City Treasurer Veroin submitted his regular report showing the condition of the several funds, and also a statement showing where city funds are on deposit.

The latter report was substantially the same as presented at the special meeting of the Council a few days ago and printed in The Oregonian.

To the Honorable Mayor and Council: At the close of business this date the balances in the several standing funds were as follows:

Table with 2 columns: Fund Name and Amount. Includes General fund, Police Department fund, Street repair fund, etc.

A request was received from the Board of Health asking for an appropriation of \$500 to be used in preventing the introduction of bubonic plague.

The City Attorney was asked by Chairman Rudolph yesterday if the Council might legally make appropriations during the bank holidays and gave it as his opinion that such action could be taken.

STOMACH IS SEAT OF HUMAN LIFE

New Theory Advanced by Young Man Is Spreading Over Entire Country

L. T. Cooper's theory concerning the human stomach, which he claims to prove with his new medicine, is being given more respect and comment every day.

Cooper claims that 90 per cent of all ill health is due to stomach trouble. When interviewed about his theory recently, he said: "Stomach trouble is the great cause of the 20th century so far as the civilized races are concerned. Practically all of the chronic ill health of this generation is caused by abnormal stomachic conditions."

"To be sure, there was sickness in those days, but it was of a virulent character, and only temporary. There was none of this half-sick condition all the time with which so many are afflicted nowadays."

"I know positively that every bit of this chronic ill health is caused by stomach trouble. The human stomach in civilized people today is degenerate. It lacks tone and strength. This weakness has gradually come through a sedentary existence. I further know that few people can be sick with the digestive apparatus in perfect shape. The sole reason for my success is because my New Discovery medicine tones the stomach up to required strength in about six weeks' time."

Among the immense numbers of people who are now stoutly believers in Cooper's theory and medicine is Mrs. M. E. Delano, a prominent resident of the suburb of Brookline, Boston, Mass. She says: "For several years I was broken in health, caused primarily by stomach and nerve troubles. I gradually became worse, until recently I was compelled to go without solid food for days at a time. I had sour stomach, palpitation of the nerves of stomach and heart, dyspepsia, and extreme nervousness. I suffered terribly with insomnia and my liver, bowels and whole system gradually became deranged. I felt instant relief the first day I began this Cooper medicine. I now feel like a new being. Today I walked all over town, shopping—something I have not done for years."

"I make this statement wholly from a sense of duty. I feel it owe to my one who might find relief and renewed happiness as I have done."

The record made by the Cooper medicine is astonishing. We will take pleasure in discussing it with any one who wishes to know about them.—The Skidmore Drug Co.

At the regular monthly meeting of the board of trustees of the Boys' and Girls' Aid Society, held yesterday afternoon in the chambers of Judge Gilbert, a deed was presented to the society, dated October 2, 1907, and signed by the heirs of the Ladd estate, donating a tract of land equal to nine lots in the Terence Quinn donation land claim, the land being contiguous to the present receiving home of the society.

This magnificent gift has been virtually promised to the society for some time past, but the representatives of the Ladd estate were unable to give a deed therefor until certain litigation had been settled, but now the tract adjoining the gift to the society is platted and ready for the market, and the first deed to be signed was that of the gift of this property to the society.

This land was very necessary to the organization, as the east line of the present property owned by them ran close to the building, thus giving no room for a playground for the children, but now a beautiful grove is secured and the children will be provided with an ample and pleasant recreation ground.

Resolutions of thanks were unanimously adopted, and copies of said resolutions ordered sent to each representative of the Ladd estate.

Those present at the meeting were Judge Williams, Judge Gilbert, Judge Weir, Mrs. L. E. White, Mrs. Helen F. Spalding, Mrs. C. R. Templeton, Mrs. J. A. Sieden and Superintendent Gardner.

EXHIBIT OF SCENIC PHOTOS. Klier's new store, 248 Alder street.

BLANKET BLOOD UNHEALTHY CATARRH SYSTEM DERANGED

The entire inner portion of the body is covered with mucous membrane; this membranous tissue is abundantly supplied with blood vessels, veins, arteries, and capillaries. Each of these is constantly supplying to this tissue or lining, blood to nourish and strengthen it and keep the system healthy. When the blood becomes infected with catarrh matter it is not able to furnish the required amount of healthful properties, but feeds the parts with impurities which disease the membranes and tissues so that they become irritated and inflamed, and Catarrh, with all its disagreeable and dangerous symptoms, is established in the system.

There is a constant ringing in the ears, a thin, watery discharge from the nostrils, the breath has an offensive odor, slight fever often accompanies the disease, and gradually the entire health becomes affected and the system upset and deranged. In its earlier stages, when Catarrh is confined to the nose and throat, sprays, washes, inhalations, etc., are soothing and in a way beneficial, because they are cleanly and usually antiseptic, but such treatment has no curative effect, because it does not reach the blood.

To cure Catarrh the blood must be purified, and this is just what S. S. S. does. It goes down into the circulation and attacks the disease at its foundation; it removes the cause and makes the blood pure and healthy. Then the blood vessels are filled with fresh, reinvigorated blood, which is carried to all the mucous surfaces and linings, the inflammation and irritation are corrected, the symptoms all disappear, the health is improved and Catarrh is permanently cured. Book on Catarrh and any medical advice free to all who write.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

WEAK MEN

We are especially anxious that any WEAK MAN who has failed with other methods call on us and let us explain to him why we CURE people who have failed to get well before seeking us. That we will cheerfully do FREE of any cost.

Everybody Knows and Calls Us the Old Reliable Specialists in Diseases of Men. Our Special Prices Given Below Will Last a Few Days Only.

Variocoele from... \$10 to \$25 Hydrocele, from... \$10 to \$50 Atrophy, from... \$5 to \$15.50 Nervous Debility, from... \$5 to \$20 Wasting, from... \$7.50 to \$10 Discharges, from... \$5 to \$10 Ucers, from... \$5 to \$15 Blood Poison, from... \$10 to \$30 Falling Hair, from... \$5 to \$10 Pimples, from... \$7.50 to \$15 Recency, from... \$10 to \$33 Bladder Ailments, from... \$5 to \$15.50 Kidney Ailments, from... \$10 to \$30 Prostate Ailments, from... \$5 to \$15.

Free Advice Given. Send us particulars of your case at once if you cannot call. Medicines from \$1.50 to \$6.50 a course. Daily Hours: 9 a. m. to 8 p. m. Sunday Hours: 9 a. m. to 12 noon. Do Not Delay; Call or Write Today.

Examination Free. Call and we will explain why our New System cures when all else fails. A friendly chat will cost you nothing. Call at once; don't delay. Examinations Are Thorough; Our Diagnoses Positive.

GRASS STAINS, MUD STAINS AND CALLOUS SPOTS yield to it, and it is particularly agreeable when used in the bath after violent exercise.

ALL Grocers and Druggists.

FOR WOMEN ONLY. Dr. Anderson's Compound Savin and Root Pills, the best and only reliable remedy for FEMALE TROUBLES AND IRREGULARITIES. Cure the most obstinate cases in 8 to 10 days. Price \$2 a box, or 5 boxes \$5. Sold by Druggists everywhere. Address Dr. T. J. PIERCE, 181 First St., Portland, Oregon.

Hand Sapolio. It is especially valuable during the Summer season, when outdoor occupations and sports are most in order.

MEN I Don't Treat Cases I Can't Cure

MY FEE IS ONLY \$10 In Any Uncomplicated Case. Pay After Being Cured.

I treat for real and lasting cures. Every remedy I employ has its part in bringing positive and permanent results. Under my treatment the patient who notes improvement in his condition can feel assured that real benefit and not a temporary drug effect has been obtained, and can continue with confidence that a thorough cure is being accomplished. My success as a specialist is due to the fact that I accept no incurable disease and always treat with a cure in view, never resorting to the use of a remedy that brings out temporary encouragement to the patient.

"WEAKNESS" I have conclusively demonstrated the fact that derangement of the muscular functions is a curable ailment. That there has been considerable diversity of opinion on this point among the profession is but an evidence that functional weakness has not been thoroughly understood and has been unscientifically treated. Though commonly regarded as a nervous disorder, it has never yielded when treated upon this theory. I have ascertained by the closest observation of thousands of cases that only in rare instances is the general constitution or nervous system involved in any noticeable degree whatever, and that "weakness" in all its phases is merely a symptom of nervous disorder. In my treatment of the greater number of cases the functional derangement is due to a slight or chronic inflammation of the condition of the prostate gland, which has been thoroughly understood and is being removed and completely removed and all affected membranes thoroughly cleansed.

My method of curing stricture is new and entirely original. No cutting or cauterizing. The stricture is dissolved and completely removed and all affected membranes thoroughly cleansed.

I make no charge for consultation, examination or advice. All attending physicians employed free of fee to call upon me or write respecting their cases.

My colored chart affords an interesting study in men's diseases. The use of this chart is free upon application.
