AMUSEMENTS.

THE HELIX THEATER (14th and Wash-
ington) Tonight 8:15 o'clock.
The musical comedy "The Royal Chef."
THE MARQUAN (Grand) (Marion street,
between Sixth and Seventh)—The San
Francisco Opera Company in "The
Johnnie Jones Marriage Home." Tonight
at 8:15.

FAVORS MEDIUM HIGH BRIDGE—Joseph
Buechel, a prominent resident of the
East Side, who has long been foremost in
bridge matters, has long been foremost in
the high bridge without a draw to re-
place the Madison street structure in the
vicinity of Grand and Pine to Fifth
street. He opposes such a bridge for
several reasons. The cost, he says,
would be much greater than supposed,
and the damage to property would nearly
equal the cost of the bridge; besides, it
would bring the ends of the approach
too far away from the river. Mr. Buechel
has studied the question and has come
to the conclusion that a bridge perhaps
20 feet higher than the present
Madison bridge is the best medium
structure. He would require all steamers
to adjust their smokestacks and hog-
chain posts so that they could pass
under the high bridge and also under the
present ones. He would have a law
passed that would compel steamers to
put hinges in their smokestacks so they
could be lowered if this was done, he
says, most of the trouble over the delays
in opening and closing the bridge draws
would be done away with. Mr. Buechel
will propose this plan to the general
committee that will take up the question
of regulating draws on the bridge.

ORGANIZES CHANGE DISTRICT—J. J.
Johnson, who was appointed special
deputy for Evening Star, Woodlawn,
Russellville, Rockwood and Lents
Granges, in the state contest, has organ-
ized Rockwood, Russellville, Lents and
Woodlawn in a local contest for the
purpose of stimulating better work in
confering degrees and general grange
work. Mr. Johnson has formed a plan for
marking the standing of these four granges.
The final drill will be held in Evening
Star Grange Hall, on the Section Line
Road, February 22. At that time the
contest will end. All the granges have
been heard from and all will enter the
contest. The object is to improve in all
lines of work, and this will have a bearing
in the state contest.

WILL DEFEND REFERENDUM—A meet-
ing of the Initiative and Referendum
Agitation League will be held at 5 o'clock
tonight in Carpenter's Hall, corner East
Pine street and Grand avenue, when
plans will be considered for defending the
initiative and referendum laws of the
state. In the call for the meeting, which
is signed by H. G. Parsons and J. L.
Ludwig, temporary chairman and sec-
retary, respectively, it is pointed out
that the constitutionality of these laws
has been attacked in the courts by the
Pacific States Telephone & Telegraph
company, making it necessary that the
friends of this legislation should act in
its defense.

FINDS MONEY PLentiful—O. Gundersen,
collector for the Rescue Home, returned
yesterday from Eastern Oregon, thankful for the liberal
contributions he received for the support
of the home. Among the cities visited
were Arlington, Condon and Hepper,
where Mr. Gundersen reports the people
were especially generous in their dona-
tions, apparently not to the extent of
disturbed financial conditions. He reports

moving this crop.

convenient arrangement. Auditor Bar-
bur and Mayor Lane were both engaged

settle bills passed at the last meeting of
the Executive Board, including salaries.

CONFESSES BOLD ROBBERY

PARTICIPANT IN DRUG STORE
HOLDUP TALKS.

John Simpson's Statement Impli-
cates Three Young Men—All
Are Now in Jail.

Though a confession made by John
Simpson, 22 years of age, to the Portland
police believe they have secured sufficient
evidence to send four young men to the
penitentiary on a charge of robbery. The
men are Simpson, Frank McPherson, Fred
Johnson and George Wilson. It is charged
that they held up the sub-postoffice in a
drugstore at 400 Jefferson street, and
looted it of money and stamps; also that
they stole cash and valuable jewelry from
Fabian Byerley, the proprietor of the
store. Byerley swore to the complaint in
the Municipal Court yesterday after-
noon.

Inasmuch as the crime charged against
the young man is a Federal offense, the
four prisoners will be given to the cus-
tody of the United States authorities.
The arrest of the men reflects credit
upon five members of the local police
department, and two sergeants in particu-
lar. Policemen J. J. Murphy and
Richard D. Stuart showed marked ability
in running to earth two of the prisoners,
and Detective Sergeant Harty acted actively
in the capture of the other two. Detectives
Price and Maloney assisted in the
other captures. There is talk at
headquarters that Stuart and Murphy
will be promoted to the plain-clothes
branch for their work, especially Stuart,
whose work in the capture of the alleged
murderer of Harry M. Logan is still fresh
in the public mind. The detective
staff failed Stuart succeeded in the Logan
case.

Aside from the robbery of the sub-post-
office station, the police believe that
other holdups of recent dates are attribu-
table to the prisoners. All of them are
believed to be criminals of a dangerous
type. Simpson's confession is true. They
held up Byerley's store the night of
November 13. Three masked men entered
the place and forced its proprietor to
facile the wall with a revolver. One
unmasked man remained on guard
outside.
