LEAD HIS OWN OPPONENTS

Defeated Republican Candidate Is Nominated by the Democrats.

BELLINGHAM, Wash., Nov. 21.—Mayor A. L. Black, defeated candidate for re-nomination by the Republican party at Tuesday's primary election, today finds that he is the Democratic candidate and cannot, under a ruling by Attorney-General Atkinson, withdraw. His name will go on the official ballot as the candidate of the minority party. There were no candidates for the Democratic nomination, but according to the state primary election law, a blank space was left on the ballot and electors are permitted to write in the name of any candidate they choose. About a dozen Democrats, scattered throughout the various wards, wrote Black's name on the ballot, and he is now the defeated Republican candidate, but the successful Democratic candidate.

Waives Dower to Obtain Shonts' Consent to Marriage.

ASHLAND, Or., Nov. 21.—(Special.)—Luther Durban Trefren, a resident of Ashland for 15 years, died here, Tuesday, at the ripe old age of 90 years, 3 months and 11 days. He was born near the state line, between Maine and New Hampshire, and grew to manhood in the town of Milton, N. M., where he was married, in 1845, to Louisa A. Ricker, who survives him at the age of 85 years. He was a carpenter by trade in his early life, but in 1874 he became a local preacher in Central Nebraska and for many years labored faithfully in evangelistic work, going to outlying points to preach the gospel. He affiliated with the Methodist Church in early life. Besides his widow, two sons and one daughter survive him. Mrs. Rev. J. S. Smith and George W. Trefren, of Ashland, and Luther S. JAPAN WILL INVITE FLEET

WASHINGTON, D. C., Nov. 21.—A revival of the rumors that the Japanese Government, as an evidence of its confidence in the intention of America, has signified its intention of extending a formal invitation to the American battle-ship fleet to visit Japan as an incident to the approaching cruise, develops the fact that there have been no formal exchanges between the two governments on this subject so far as known at this time at the Japanese Embassy, or the Navy Department. It is intimated, however, that if the Japanese Government learns that it is the intention of the Navy Department to have Admiral Evans' fleet return to the Atlantic from its Pacific cruise by way of Asia and the Mediterranean, an invitation will be forthcoming to have the ships pass a fortnight in Japanese ports, where the personnel will be hospitably received.
