### DUTIES OF THE CITIZEN

#### HENEY TALKS TO BUSINESS MEN OF NAPA.

Declares Civic Honesty Demands That Only Men of Integrity Be Placed in Office.

NAPA, Cal., Nov. 22.—(Special).—Francis J. Heney was the guest of honor tonight at a big banquet given by the Napa Chamber of Commerce. Heney spoke on "The Responsibility of the Private Citizen in the Conduct of Public Affairs."

He said in part: "The private citizen should ever be on his guard to assist by moral influence and by his vote in maintaining high standards in public affairs. He should see to it, first at the primaries and later at the polls on election day, that his vote is cast for men of integrity and honesty and not for demagogues or those representing class prejudice. The result of the recent election in San Francisco in victory for Mayor Taylor and others has shown what good citizens can accomplish when they unite for the common welfare of city or state. Good citizens of this state cannot be too alert to thwart the evil and corrupting influences at work in public, political and commercial life."

**Woodmere Citizens Organize.**

The citizens of Woodmere held a mass meeting Friday evening to organize an Improvement Club. R. A. Stewart was made chairman of the evening and H.

### BICKENS, SECRETARY. C. BEN REISLAND WAS PRESENT AND MADE AN INTERESTING TALK ON THE WORK TO BE DONE BY IMPROVEMENT CLUBS AND ALSO ON ANNEXATION TO PORTLAND.

Woodmere is a thriving suburb and success is assured the club. Constitution and by-laws will be adopted and permanent officers elected at the next meeting.

#### SALE STARTS TODAY.

Read the large display advertisement in this issue of The Oregonian, announcing the remarkable sale of men's clothing at the three stores of J. L. Bowman & Co. and Brownsville Woolen Mill store. This is a legitimate closing-out sale, not caused by a tight money market, but simply a firm retiring from the wholesale business.

Liberal inducements are offered so that the goods can be disposed of quickly, as time means money in this particular instance.

#### Collusion in Appointing Receivers.

NEW YORK, Nov. 22.—The United States Supreme Court served papers on Federal Judge Lecomb today, the effect of which is to review his appointment of receivers for the New York City Railway Company. The order is based on a claim of judgment creditors that there was collusion between the petitioning creditors and the company in the appointment of receivers.

### HOPGROWERS TO UNITE

#### MEETING IN SACRAMENTO, TO DISCUSS PLANS.

Denied That Organization Is to Control Prices or Restrict Trade. Great Secrecy Is Observed.

SACRAMENTO, Cal., Nov. 22.—There is decided activity among hopgrowers in this vicinity along a new line. A meeting was held here today at which initial steps were taken for the formation of what is forecasted as a powerful organization to take in the whole Pacific Coast hop business, at least so far as growers are concerned.

Much secrecy is maintained as to what was done. But it is known that the prime object is to consolidate all hop-growing interests in an organization for mutual protection and assistance. It is denied that anything looking to combination to control prices, prevent competition or restrict the trade is in view.

Another meeting is to be held next Tuesday, when the whole subject of the proposed organization will be fully threshed out.

#### Civic Association Names Officers.

PROVIDENCE, R. #### Legislators Talk Holidays.

SACRAMENTO, Cal., Nov. 22.—The Senate Judiciary committee struggled all morning with the holiday question. The substitute reported favorably by a majority yesterday was again taken up in committee, and after hours of argument it was decided to reconstruct it along lines more closely conforming to the Governor's proclamation.

In the lower house the Judiciary committee wrestled with the same question in executive session and reported back several amendments.

Senator Anderson's bank investigation resolution, calling for a committee of only two, with power only to subpoena bank examiners, was defeated in the Senate.
