INSANE MAN RUNS AMUCK

STABS ALL COMERS TILL MARSHAL FINISHES HIM.

Forest Agent Causes Reign of Terror—Ignores Bullets Till His Skull Is Crushed.

DENVER, Nov. 25.—A special to the Post from Alamosa, Colo., says that after setting fire to the Palma Hotel early today and attempting to commit suicide, Basilio Rodriguez, a Government Forest Reserve Agent from New Mexico, stabbed C. B. Anderson, of Coldwater, Mich., to death; seriously stabbed and assaulted four other men and finally attempted to kill City Marshal Baumsticker, who was attempting to arrest him. The Marshal then shot and killed the Mexican, who was undoubtedly insane. Rodriguez started the fire in his room in the hotel by hurling a lighted lamp to the floor. Then, slashing his throat, he rushed from the room and broke in the door of the room occupied by Leonard Nation, of Littleton, Ala., and J. W. Hague, of Durango, Colo. He stabbed both repeatedly and then fled to the stairway, where he met Anderson, who has recently been

employed as a sawmill engineer at Edith, N. M., and was on his way to his home at Coldwater, Mich. He plunged his knife in Anderson's neck, severing the jugular vein. Anderson plunged down the stairway, breaking his neck. F. Milburn, of Alamosa, was the next man to meet the maniac, and Rodriguez stabbed him in the face and shoulder.

In the meantime a call for help had been sent to City Marshal John Baumsticker. The first man to respond to the call was Charles Everts, who attempted to grapple with Rodriguez. The Mexican raised a large water pitcher and stunned Everts with a blow. By this time Baumsticker arrived and fired four bullets into the crazy man. Rodriguez paid no attention to the bullets and closed with the Marshal, who, clubbing his revolver, crushed the maniac's skull.

Plague Cases on Decrease.

SAN FRANCISCO, Nov. 25.—The plague situation shows much improvement. Only a few verified cases remain under treatment. The following figures were given out by the Board of Health today: Total number of verified cases up to noon last Saturday, 101; deaths, 63; discharged as cured, 39; verified cases still under treatment, 8; suspected cases, 33.

Disciplines Both Hazed and Hazers.

UNIVERSITY OF CALIFORNIA, Berkeley, Cal., Nov. 25.—As a result of the recent hazing of D. L. Levy, who

was treated to a coat of sticky fly paper for a false article on the organization of a "smoking club" of the co-eds, Levy has been publicly reprimanded for writing the article and placed on probation by the undergraduates students' affairs committee. Also, proceeding on the ground that two wrongs do not make a right, the committee has publicly reprimanded the men who did the hazing and placed them on probation for the remainder of the term. The matter has been under consideration for some time.

Cleveland Only Had Indigestion.

PRINCETON, N. J., Nov. 25.—It was declared at the residence of Grover Cleveland today that the report of his illness was exaggerated and that he had been

suffering only from an attack of indigestion, from which he had completely recovered this morning. Dr. Carnochan, after visiting Mr. Cleveland today, stated that he was up and about and showing no signs of yesterday's attack.

Doc Motes Is—Frank Getchel, who was injured in an automobile accident in which S. O. Nattinger was killed, Saturday, died Sunday. Other members of the party who received injuries will recover.
