

TWO JAILS IN ONE

City and County May Build Jointly.

PROPOSED BY THE COUNCIL

Erection of New Prison Turned Over to Committee on Health and Police to Confer With the County Court.

Action taken by the Council yesterday, upon motion of Councilman Bennett, indicates that the officials are in favor of entering into partnership with the authorities of Multnomah County to build a joint City and County Jail and Emergency Hospital. At yesterday's session of the Council the matter of selecting a site for the proposed City Jail was taken out of the hands of the ways and means committee and was turned over to the committee on health and police, with instructions to confer with County Judge Webster.

"In making this motion," said Mr. Bennett, "I do not intend any criticism toward the members of the ways and means committee, for they have worked hard and have done their best to perform the duty assigned to them. In view of the fact that they will be very busy for the next two months on other pressing matters, I would like to see this work turned over to the committee on health and police, with instructions to confer with the County Court."

HAWKERS ARE TO BE HEARD

Belding Intercedes for Peddlers Whose Business is Threatened.

Through the assistance of Councilman Belding, the street vendors of peanuts, popcorn, candy and flowers will be given an opportunity to be heard on the proposed ordinance affecting their business. When the matter came up in the City Council yesterday afternoon, Mr. Belding in behalf of the interested parties, asked that the question be referred to the committee on licenses. This was done.

REGULATE STREET SIGNS.

Mayor Lane Advises Council to Pass New Ordinance.

Because of the large number of business signs of all kinds which are being put up in Portland, Mayor Lane asked the Council at its session yesterday afternoon, to look into the matter of a new ordinance regulating signs. The request will be referred to a committee for consideration, and a new law on the subject will probably soon be framed.

GUS C. MOSER TO RESIGN

Will Run for Nomination as District Attorney as Republican.

Gus C. Moser, Deputy District Attorney under John Manning will resign January 1 and start the new year with a resolution to become District Attorney. He has decided to enter the lists against his present chief, seeking election on the Republican ticket. That such were his intentions was hinted at many times during the Fall and early Winter, but confirmation of them was not given until yesterday. Mr. Manning has known of it for months past but declined to ask for Moser's resignation.

DEATH OF FRANK B. COYNE

Former Multnomah Club Athlete Passes Away in Manila.

News was received yesterday of the death at Manila of Frank B. Coyne, former resident of Portland. He was a son of the late Frank Coyne, and was reared in Portland. "During his boyhood days he evinced a tendency toward athletics and soon became well known in amateur circles.

William Jordan, Ned Barrett and Flanagan were also numbered prominently in track and field athletics. His specialty was in the 40 and 80 yards dashes, and in 1906, when Multnomah won the Pacific Coast championship, Coyne was a large factor in that victory.

READY FOR SEATTLE TEAM

MULTNOMAH FOOTBALL TEAM NOW AT ITS BEST.

Men Turn Out Consistently for Practice and All Weak Spots Have Been Strengthened.

Multnomah is ready for Seattle, and when the two old-time rivals line-up on the gridiron tomorrow, those who brave the elements to witness the annual struggle for supremacy between the two leading athletic clubs of the Northwest will be treated to a most thrilling game, at least such is the prophesy of the football heroes who will wear the winged "M" colors in tomorrow's battle.

Seattle comes to Portland with practically a clean record, for the only reverse that team has met in its stay this season was the 4 to 0 victory scored by the team representing the United States Battleship Nebraska. Since meeting the sailor lads Seattle has made a clean sweep. The Seattle team this year is a much lighter and faster team than that which faced Multnomah in Portland last New Year's day. In addition to its proficiency in the old-style line-bucking game, the Washingtonians have acquired considerable dexterity at the new game, the most pronounced feature of which is the forward pass, and it was by means of one of these new plays that they succeeded in scoring a victory over Multnomah last week.

The defeat at the hands of Seattle seems to have awakened the dormant fighting spirit of the clubmen, and judging from the interest displayed during the week, the visitors are going to have considerable of a surprise sprung on them before the whistle announces the end of tomorrow's gridiron engagement.

Dudley Clark, at fullback, or in a back-full position, scarcely needs commendation, for every one in Portland knows what the splendid player can do when he gets into the game. His work with the University of Oregon during the past season is a sufficient guarantee that he will strengthen the matter, and in addition will enhance the club's chance of victory immensely.
