WHY HEAVY BOND NEEDED

Executive Rights to Criticism That Mr. "Playing Politics."--Foreman Luger in Rear Ugly Things in Weather.

RAILI: Oh, Dec. 8--(Relief) -- "Heavy bond is needed in the work of saving the state. The state is in the black and it is on the verge of falling into the red. It is necessary, if the state is to be saved, that a bond be issued in the amount of $1,200,000. Governor Chamberlain, in the course of one of his recent speeches, said that the bond would not be issued, and it is a question whether he is right or not. I think he is right, but I am not sure. It is a question whether he is right or not. It is not only for the bond itself, but for the bond prospectus that is to be issued for the bond. The bond is to be issued by the state of New York, and it is hoped that the bond will be issued in the amount of $1,200,000. It is hoped that the bond will be issued in the amount of $1,200,000.
