HARNEY REPUBLICANS MEET

FORMULATE PLANS FOR COMING CAMPAIGN.

Frank Davey Chosen Chairman of Convention—Senator Fulton Is Given an Indorsement.

BURNS, Or., Jan. 7.—(Special).—A meeting of representative Republicans from various parts of Harney County was held at the Courthouse last Friday afternoon for the purpose of consultation on plans for the coming campaign. It was the first meeting of an organization character held since the primary law went into effect and was the result of a general recognition of the fact that the Republicans ought to come together and work with a purpose in unity and harmony in order to insure success next June.

Frank Davey was elected chairman and William Miller secretary. Several talks were made by W. D. Hanley, Mel Fenwick, D. W. L. Marsden, Judge Miller, G. W. Clavenger, the chairman, and others, covering a wide range of subjects, including the policy of the Government on the forest reserve and the grazing question, some of the speakers condemning the latter in unmeasured terms.

It was finally decided to appoint a

committee to investigate the status of the county organization at this time and to formulate a plan of action to be submitted at a future meeting, and the chair appointed William Miller, G. M. Clavenger, J. C. Welton, Sr., Mel Fenwick and John Sevedge as such committee, the next meeting to be held at the call of its chairman.

The sentiment of the meeting was unanimous in favor of Senator Fulton's re-election, this entire region being in sympathy with his position on the forest and range questions.

Politics have not become active yet in this county, but there is a strong sentiment among the Republicans favoring a strong ticket and a vigorous campaign, so that the principal offices will not be captured by the Democrats as in 1906.

A Campaign for a Square Deal

We ask every Portland family who has any regard for justice, any love for honor, any loyalty for Oregon and Oregon folks, to quit trading with Beef Trust markets—quit eating Beef Trust meats—and to trade with SMITH.

SMITH is giving the people meat at 3¢ to 12½¢ per pound. He weighs his meat on correct scales and his is the only market in the city that does. The Chicago Beef Trust has sent word to him repeatedly that if he did not stop selling meat so cheap they would "plaster" markets all around about him. The limit has been reached. The Beef Trust markets are now all around about him, but as a loyal son or daughter of Oregon, you are requested to pass them up and come direct to SMITH'S.

The Chicago Beef Trust, the greatest criminal organ-
