## FINDS COIN IN ICE BOX

Saloonman's Cunning Avails Not Against Burglar's Industry.

Three saloons on East Morrison were looted by burglars early yesterday morning and a small amount of money and several watches stolen. The discovery was made at 4 o'clock in the morning by the colored porter of Jack Penny's saloon, who, on entering the place saw a burglar hastily making his escape through a rear window. After the alarm had been given and the police notified it was found that the New Brick and J. W. Fleagle's saloons had also been entered. In each case the man had secured entrance through the rear windows, which had been forced open with a screwdriver stolen from the Portland Fuel Company's office near by. The saloons are all near Water street.

The losses sustained were 20 cents, by the New Brick; a watch by Jack

## Penny and \$12.25 in cash and two watches by J. W. Fleagle.

Fleagle had been reading of holdups in the newspapers and thinking he might outwit any robber who made an attempt on his place, had been putting his money into the refrigerator, believing that no one would look for it there. This thief, however, overlooked nothing. No wines or liquors were taken.
