HOWARD IN CHARGE TODAY

NEW RECEIVER SECURES BOND OF \$200,000.

Court Accepts Mears Resignation and Affairs Will Be Adjusted Under Agreement With Ladd.

Having secured a bond of \$200,000, as required by Judge Wolverton, in the Federal Court yesterday, R. S. Howard, Jr., will this morning qualify as receiver of the Title Guarantee & Trust Company. The resignation of E. C. Mears, his predecessor, was accepted by the court yesterday on the filing of a report by Mr. Mears, supplementary to the statement submitted Monday.

The bond of \$200,000, required of Mr. Mears, was doubled for the new receiver, with the consent of all concerned. This was done for the reason that Mr. Mears' report shows \$250,000 cash on hand, and with future collections, this amount will probably increase. Mr. Howard announced last night that the bond had

been secured and would be ready for filing in court this morning.

Under Mr. Howard's management, the adjustment of the bank's affairs will begin according to the agreement with W. M. Ladd. Although it is admitted by all that there would be a big shrinkage in the assets if they were disposed of at once, it is believed that they will appreciate in value rapidly, especially the real estate holdings. That the bank could pay only 50 cents on the dollar, if the holdings were disposed of at the present time, is the opinion of the retiring receiver.

WHO'LL BUY MY PIANO?

Splendid Kimball, large \$500 style, good as new; need money; will sacrifice; but original cost takes it; a bargain for the buyer, a big help to me. Call or address 622 1/2 Marshall street, city.

Logger Badly Injured.

A Harding, a logger employed in the Dickson logging camp on the Estacada street railway line was badly injured yesterday afternoon by a falling tree. The injured man was caught under the trunk of the tree as it fell and his report shows \$250,000 cash on hand, and with future collections, this amount will probably increase. Mr. Howard announced last night that the bond had

UNIVERSITY TO ECONOMIZE

DEFICIT AT END OF YEAR WILL BE \$15,000.

Faculty Has Served Three Months Without Salary—Regents Hope Appropriation Will Win.

Rigid economy and the termination of all contracts with instructors and other employees at the end of the present year was urged on the regents of the University of Oregon by R. S. Bean, president of the board, at a meeting held in the Mohawk building yesterday morning. The necessity of this policy lies in the fact that the additional appropriation for the university, made by the Legislature, has been held up by referendum action.

The report of Mr. Bean shows that the expenses of the university for the present year will be about \$75,000 and the income \$59,212.42, leaving a deficit of approximately \$15,000. The faculty has served during October, November and December

PAWNBROKER IS CHEATED

Buys for a Diamond Bit of Glass Worth 50 Cents.

William Tankanogy, who keeps a pawnshop at 188 Burnside street, was the victim of a well planned swindle yesterday afternoon when a colored bunco man separated him from \$30 in exchange for a piece of glass supposed to be a diamond.

Tankanogy reported the affair to the police, when investigation showed that he was victimized by a scheme which would hardly come under the pale of the law. The pawnbroker said that the negro who swindled him brought in a time diamond ring for sale. Inasmuch as he had not been in the business very long Tankanogy did not care to make an offer on

the ring without consulting some one more expert in gems. So he took the ring over to his friend Mr. Goldberg, a few doors away, and finding that it was worth at least \$100 came back and told the negro that he would give him \$30 for it.

The negro took the ring and considered the offer for a moment and then walked to the door. He then returned and said: "I hate to let this ring go for \$30, but if that is all you will pay me, here goes; you may take it." And with that he handed the pawnbroker what the latter supposed to be the same ring. The negro departed and later when a friend called the pawnbroker showed him the fine diamond ring he had bought for only \$30. The friend discovered the fraud.
