Final Fraternization Marks Close of Visit to Rio Janeiro—Destroyer Flotilla Sails for Buenos Ayres.

RIO JANEIRO, Jan. 21.—The officers of the American battleship fleet rounded out their series of receptions, banquets and other social functions tendered them by the government and the people of Rio Janeiro by giving a reception this evening on board the battleship Minnesota.

The Minnesota was beautifully decorated for the occasion, electric lights and the flags of Brazil and the United States forming the chief decorations. The guests were received on the main deck at the stern of the vessel, where had been arranged a beautiful fountain, the waters of which were illuminated by vari-colored electric lights.

Dr. Jose Carlos Rodriguez, proprietor of the Journal of Commerce, entertained the American newspaper men who accompanied the fleet at a banquet this evening. This included the visiting journalists there were present, Admiral Sperry and representatives of the Brazilian press.

WORDS OF PRAISE FOR NAVY

Brazilian Minister Lauds Government of United States.

RIO JANEIRO, Jan. 21.—The Brazilian Minister of Foreign Affairs, Baron Rio Branco, in speaking at the banquet given by him last night, in the grand salon of the Mouron Palace, in honor of the officers of the visiting American fleet, said:

The decision reached by the government of Brazil in 1906 is an evidence of our lasting purpose of continuing in peaceful and fraternal relations with the United States. Gentlemen, it is with absolute conviction that the reciprocal friendship of Brazil and the United States is firm and constant that I raise my glass to toast President Roosevelt, the President who, personally and by reason of his high official position, perfectly and nobly represents the grandeur, power and world-wide influence of the American people.

Brazil is grateful for this visit from her Northern friends. You arrived here in powerful men-of-war, which are messengers of good will. I invite my countrymen to unite with me, in the name of the Brazilian nation and its government, in a toast to the gallant American Navy, the formidable guarantee of the immense prestige of the great Northern republic, the pride of the American people, the Navy which is the model of efficiency and discipline.

SHONTS AVOID THE DUTY

Bring Back Goods From Europe Which Are Not Assessed.

NEW YORK, Jan. 21.—Dutiable goods valued at between \$100 and \$1500, on which no duty was paid when they were brought in from Europe by Mrs. Theodore P. Shonts and her daughter, were found by customs officials who made a search in the Shonts residence yesterday.

It was said at the time, however, that no effort to avoid customs duties had been made when the family arrived, that the 20 trunks which they brought in were thoroughly examined by the customs officers and that the only reason duty was not paid was that none had been assessed. It is said that the report to the customs officials was made in a spirit of spite by a woman servant who had been discharged for cause, and Mr. Shonts regards the report as proved by yesterday's investigation to have been unfounded.

SUIT TO OBTAIN ESTATE

SAN FRANCISCO, Jan. 21.—A suit to remove securities from the wrecked California Safe Deposit & Trust Company and against Edward J. LeBreton as Receiver, was filed today by Ella O. Mann, Charles S. Mann and Frederick S. Mann. When Dr. Mann died in 1889, he had made the bank the trustee of his estate. The securities, worth about \$20,000, are still in the vaults of the bank and consist of local stocks. There are also a few hundred dollars in cash on deposit. Treaty Transferring Congo to Belgium Denounced and Great Britain Called Upon to See Reforms Are Brought About.

LONDON, Jan. 21.—There was a meeting in this city today of the Congo Reform Association under the presidency of Lord Monckswell, which more active campaign was decided upon.

The association adopted resolutions which will be communicated to Secretary Root and the Congo Reform Association in the United States inviting active co-operation.

The resolutions denounce roundly the proposed treaty for the transfer of the Congo Independent State to Belgium and demand that the British government prohibit an early time limit within which Belgium must produce a plan of annexation providing guarantee of complete reversal of the claims and practices of the existing system, restoration to the natives of their rights and abolition of slavery and forced labor.

These resolutions are intended to strengthen the hands of Sir Edward Grey, the British Foreign Secretary, who is only awaiting definite news from the Belgian government and chamber before intervening.
