Half-Nelson, Crotch and Toe Hold Brings Iowan to Mat After 55 Minutes' Struggle - Roller Is After Frank Gotch.

of the gate receipts. Incidentally wrestling received the greatest boost in the Northwest that it has had in many years, for no matter what the frameup of the bunch of pro-fessionals may be. Dr. Roller is undoubtedly on the square. He has set his cap at Gotch and expects to go after him by way of the lesser champions. After the match Roller made a speech,

in which he declared that his only reason in entering the game is to remove the stigma which exists at present. Burns stated that Roller is one of the best he has ever been up against, and that with a few weeks' training he can throw Gotch.

There is a possibility that the circuit may include six clubs, for three additional applications for membership have been received and may be acted upon in

the near future.

Western and "Three Eye" leagues, is
one of the most active promoters of the
new league. He will play with and manage the La Grande team.

Although Keily is not keyed up to the physical notch that enabled him to cover 100 yards in 9 3-5 seconds, and 220 yards in 21 1-5 seconds, both world's records, he expects in the four days intervening to get into good enough form to run one of the best races of his career on an indoor track. BURNS HANDICAP WEIGHTS

Western Turf Classic to Be Decided at Emeryville Tomorrow.

The weights for the \$10,000 Burns handicap, the richest classic of the western turf, will be decided Saturday afternoon at Emeryville, Handicapper Nathanson has scheduled the weights. He has assigned top weight to S. C. Heidreth's Montgomery and in assigning him to the onor position Montgomery will be asked to pick up 128 pounds. Rapid Water, which J. D. Miliard claimed from Hildreth at Arcadia Saturday for \$5500, is considered by the handicapper the second best horse in the race, having been allotted 125 pounds. R. F. Carman's Riffe-man, looked upon as a dangerous factor, is asked to pack 125 and the same weight is allotted to Carman's W. H. Carey, which is not in shape to start. Of the other high weights, Dr. Leggo and Von Tromp will not be in condition for the race and Peter Sterling and Logistilla.

## WILL END IT ALL

I. F. Rammacciotti, Eastern Piano Factory's Representative, Will Close Out Remainder of Two-Carload Shipment in Next Two Days.

Two Days.

The forced sale of a certain make of well-known high-grade plane which has been in progress at the wareroems of the City Transfer & Storage Company at 103 Front street will end Saturday night. There are but a few instruments now left, all the others of a two-car shipment having been disposed of during the past 16 days. The financial troubles of the dealer for whom these pianos were intended which prevented him from accepting them, have proved the ill-wind that has brought to nearly three-score Portland music-lovers the opportunity to secure a splendid instrument at a cost far below that which would have been necessary had they purchased in the usual way through a regular retail establishment.

There is yet a chance for a few more to share in this most extraordinary sacrifice. If you are prompt, you can participate. Remember, these planos are a make so well known that you doubtless have friends in your own circle of acquaintances who have them in their homes. They are thoroughly high-grade, with a number of valuable patented exclusive features found in no other uprights. Their regular selling cost is \$450, \$500 and \$550, but you may now obtain one of them at a price that will fairly open your eyes—and your pocketbook, too, for I won't need to urge you to buy at the price I will quote you. Every one is guaranteed by my factory in every respect. While I expect to get cash at the price I am quoting still I will arrange for terms if desired.

But remember, there are only two days left, for if there are any of these instruments left by Saturday night, I have an offer from san out-of-town dealer who will take them off my hands, and out they will go. So you must be prompt. Don't forget the address, 102 Front street, in the ware-rooms of the City Transfer & Storage Company. I. F. Rammacciotti, factory agent.

The place was promptly raided and four rough-looking men arrested by Detectives Baty and Coleman. They gave the names of James Stewart, Ed Smith, Harry Lenoit and George Tucker. McRae identified two of the men as having participated in the alleged robbery. The four men were locked up and McRae was detained as a witness.

WEATHER CONDITIONS.

The storm yesterday evening off the mouth of the Columbia River has moved south and it is central this evening off the North California coast. It has caused general and moderately heavy rains in Northern California and light snow in Southern Nevada and Southern Utah. The weather in the North Pacific States continues quite threatening as a result of this disturbance, but its center is now too far away to cause precipitation in this district.

During the last 24 hours a maximum wind velocity of 32 miles east has occurred at Tatoosh Island.

It is expected that the storm will move slowly eastward and by Friday its center will be far enough north to cause rain or snow over the southern portion of the North Pacific States. The temperatures will continue about normal and be sufficiently low in many localities to cause the pracipitation to be in the form of snow.
