

GOMPERS DEFIES ORDER OF COURT

Calls It Invasion of Liberty of Press and Right of Speech.

OBEYS INJUNCTION, THOUGH

Name of Buck Stove & Range Co. Is Removed From "Unfair" List. Avers Intention of Taking the Case to the Supreme Court.

WASHINGTON, Jan. 24.—Although enjoined from making any reference to the controversy between the American Federation of Labor and the Buck Stove & Range Company, President Samuel Gompers in an editorial in the current issue of the American Federationist comments on Justice Gould's recent decision at length, and declares a purpose not to comply with all its terms. He says: "It is an invasion of the liberty of the press and the right of free speech. We would be recreant to our duty did we not do all in our power to point out to the people the serious invasion of their liberties which has taken place. That this has been done by Judge-made injunction and not by statute law makes the menace all the greater. The matter of attempting to suppress the boycott of the Buck Stove & Range Company by injunction, while important, yet pales into insignificance in the face of the invasion and denial of constitutional rights. We discuss this injunction and feel obliged, as a matter of conscience and principle, to protest against its issuance and its enforcement, yet we desire to be clearly understood that the editor of this paper, the American Federationist, does not consider himself thereby violating any law of either state or Nation, nor does he intend to advise any disrespect toward the courts of our country. And yet, wherever, natural and constitutional rights and guarantees must be defended and maintained."

Mr. Gompers states that the services of some of the foremost lawyers in the country have been secured, and that the case will be carried to the United States Supreme Court. The action against the Federation of Labor and its officials was brought in the Supreme Court of the District of Columbia on the ground that the publication of the stove company in the "We don't patronize" list in the American Federationist was in the nature of a boycott. Justice Gould's order has been complied with in this respect by dropping the stove company from the list.

WOULD GIVE MITCHELL MONEY

Movement on Foot to Raise Sum by Per Capita Tax.

INDIANAPOLIS, Jan. 24.—The convention of the United Mineworkers of America adjourned at noon until tomorrow. None of the committees were ready to report. President Mitchell, concerning rumors published here that he probably would become the head of a National Bureau of Mines, announced that he had not accepted a Government position, none had been offered to him and to the best of his knowledge, he would accept a Government position. It is stated today that there is a movement afoot to create a National advisory board of the miners' organization of which Mr. Mitchell would be head. There will be opposition in the ranks of the miners. The resolutions committee is flooded with resolutions proposing a per capita tax for Mitchell of 50 cents and \$1. This would raise a fund of from \$150,000 to \$300,000. It is believed he would not accept it.

COURT TO CONTROL THE FUNDS

Illegal Association of Glassworkers Is Ordered Disbanded.

CLEVELAND, Jan. 24.—Judge Phillips, of the Common Pleas Court, decided today that the \$100,000 in the treasury of the Amalgamated Window Glassworkers' Association of America, recently ordered dissolved, must remain in the custody of the court pending a final decision as to its disposition. The glassworkers and flatirers brought suit in order to sever their connections with the association and asked that they be allotted a certain share of the money in the treasury. Judge Phillips held the association was illegal and ordered it to be dissolved.

Lockout is Averted.

MANCHESTER, Jan. 24.—There will be no lockout of the Manchester cotton operatives. Negotiations between the cotton mill workers and their employers resulted in the capitulation of the workers this evening. The employers insisted on the acceptance of their terms and to these the men agreed. This understanding averts at the eleventh hour the great lockout which would have commenced tomorrow.

Locomotive Engineers to Meet.

SAN ANTONIO, Tex., Jan. 24.—The Brotherhood of Locomotive Engineers will hold its annual convention at San Antonio on January 29, 30 and 31. It is probable that several thousand delegates from more than 700 lodges in various parts of the country will be in attendance. The Ladies' Auxiliary organization will also attend the convention.

Homestead Fears Reduction.

PITTSBURGH, Jan. 24.—Rumors in Homestead today are to the effect that orders have been received from New York that a wage reduction of from 19 to 30 per cent affecting the entire Homestead Steel Works is scheduled for February 1. All the departments of the big mill will resume work Sunday evening.

Clarence Darrow Improving.

LOS ANGELES, Jan. 24.—Clarence Darrow, of Chicago, who was operated on at the California Hospital a few days ago for mastoiditis, is improving. The physicians in attendance today regarded his condition as favorable and believe that the operation ultimately will prove a complete success.

RELIEF PLAN AT CHICAGO

Will Raise \$100,000 to Aid Unemployed of That City.

CHICAGO, Jan. 24.—Plans to raise a fund of \$100,000 for the relief of the unemployed in Chicago were made at a meeting of 24 of the most prominent men of the city yesterday. Practically every industry in the city was represented, as well as all the large clubs, commercial organizations and charitable associations. Before the meeting adjourned several thousand dollars was pledged and work of organization will be taken up at once. David R. Porgan, president of the Chicago Association of Commerce, called the meeting and is temporary chairman of the general committee. All the money secured will be dispersed through existing charitable organizations. The speakers who appeared before the committee estimate the number of unemployed in Chicago at between 40,000 and 50,000. Dr. Benjamin L. Rietman, who led the march of the "unemployed" yesterday and was arrested after a fight with the police, was arraigned in Police Court today, on charges of disorderly conduct and inciting a riot. He demanded a jury trial and the case was continued until January 27.

HELP FOR THE HEINZE BANK

Loan of \$200,000 to Put Institution on Its Feet.

BUTTE, Mont., Jan. 24.—District Judge George M. Bourquin has approved a loan of \$200,000 by Edward Creighton Lurvey to the State Savings Bank, in order to enable the institution to resume business. Mr. Lurvey, who is a minor, takes the story building recently erected by the bank for its new home as security for the loan. Mrs. Lurvey filed the petition for her son, who will be 60 next April. He is a son of the founder of the bank. The State Savings Bank was organized in 1882, and its institution in Montana and suspended payment at the time of the collapse of the United Copper corner.

APPEAL TO THE WRONG PLACE

Unemployed in Boston March to the Statehouse and Are Sent Away.

BOSTON, Jan. 24.—Several hundred unemployed, under the leadership of Morrison L. Swift, a Socialist, accompanied by many supporters, appeared in front of the Statehouse yesterday and, marching up the steps, demanded work. Sergeant-at-arms Remington met them and said: "This is no place for you to apply. If you want work go to the state free employment bureau. If you need aid go to the charitable board. If you don't leave here I shall call the police and have you removed. The men then marched to the state employment agency. Discouraged by their reception, but 26 applied for work and the army soon dispersed."

Return Verdict of Not Guilty.

PHILADELPHIA, Jan. 24.—The jury in the case of Andrew Jackson Detsch, on trial charged with the murder of Harry Ferre, this afternoon returned a verdict of not guilty. The defense claimed that Ferre was shot and killed in mistake for a burglar while standing outside the room occupied by Detsch and his wife. The commonwealth maintained that Detsch had learned of the alleged intimacy between his wife and Ferre and had planned the killing.

Nearing Cash Basis.

NEW YORK, Jan. 24.—When business closed yesterday all but \$11,300,000 of the \$125,000,000 in clearing-house certificates issued by the Clearing-House Association during the recent financial flurry, had been retired. Since Monday \$1,000,000 of the certificates have been taken up, nearly \$2,000,000 a day. It is believed that practically the whole of the amount outstanding will be wiped out by the end of the week.

Rioter Demands Trial.

CHICAGO, Jan. 24.—Dr. Benjamin L. Rietman, who led the march of the "unemployed" yesterday and was arrested after a fight with the police, was arraigned in Police Court today, on charges of disorderly conduct and inciting a riot. He demanded a jury trial and the case was continued until January 27.

Furniture Company Fails.

ATLANTA, Ga., Jan. 24.—Receivers were appointed yesterday for the Ware-Hatcher Furniture Company, which operates a number of factories in this city. The company, owned by President Ware, owes \$450,000, with assets valued at \$900,000.

New York Has 35,000 Homeless.

NEW YORK, Jan. 24.—The Charity Organization Society reports issued yesterday following an investigation of the unemployed, stated that at least 35,000 homeless men are now in this city.

STAGE CALL FOR DAVIS

Senator Receives Offer From Manager of Vaudeville.

OREGONIAN NEWS BUREAU, Washington, Jan. 24.—An enterprising vaudeville manager in New York has offered Senator Jeff Davis, he of the firebrand, a salary of \$3000 a week if he will go into vaudeville. Other Senators have been regarded as jokes and some have been invited to take the lecture platform, but this is the first time any United States Senator has been offered a liberal salary to play monkey in vaudeville and be advertised as the top-liner in a traveling show.

AGAINST LARGE HOMESTEADS

Garfield Opposes 320-Acre Claims, but Bill May Pass.

OREGONIAN NEWS BUREAU, Washington, Jan. 24.—Secretary Garfield today issued a report on the House bill proposing to enlarge homesteads to 320 acres. He points out that practically as many homesteads were made last year as in 1905, and while this demand lasts, it is not apparent that there is need for increasing the size. Notwithstanding this report, it is proposed to push the bill in Congress, particularly as residents favor enlarging the size of homesteads in sections where the best agricultural land has been heretofore appropriated. Final agreement was reached today on the bill, which passed both houses, permitting persons who have lost their first homestead entries through any cause other than sale, to exercise again homestead right. Final passage is expected Monday.

Mails Must Be on Time.

OREGONIAN NEWS BUREAU, Washington, Jan. 24.—Representative Hawley received a complaint from Garfield that mails were being delivered 24 to 25 hours late. He presented a protest to the department and argued that steps be taken to get mail on time. He today received word from the department that the postmaster at Roseburg had been instructed to require the contractor carrying the mail to make deliveries on time and in event he fails to do so the postmaster is authorized to send the Marshfield mail by another carrier.

Spokane, Not Tacoma, Reserve City.

OREGONIAN NEWS BUREAU, Washington, Jan. 24.—The announcement yesterday that Tacoma had been designated a reserve city was premature; Spokane was so designated. Tacoma will also be made a reserve city in the near future.

ORCHARD SAD AT TIMES

WROTE LETTER TO FRIEND IN CRIPPLE CREEK.

Says He Never Regrets Telling Truth About Dark Deeds of the Federation and Conscience is Clear.

CHIFFLE CREEK, Colo., Jan. 14.—D. C. Scott, of this city, received a letter today from Albert E. Horsley, alias Harry Orchard, written in prison at Boise, where he is awaiting trial for the murder of ex-Governor Steunenberg, which he has confessed. Orchard was the principal witness at the trials of William D. Haywood, secretary-treasurer of the Western Federation of Miners and George A. Pettibone, a former member of the executive board, on the charge of complicity in the Steunenberg murder, which resulted in their execution. The letter in part is as follows:

"I am trying to keep up as well as I can, but feel very sad at times. But never once have I regretted that I have told the truth and made a clean breast of my crimes, and would not go back on one thing, if by so doing I would save my life and have my liberty. I know that I have been released from greater bonds than those that now bind me. But if I only looked at it from a worldly standpoint, I would then look like the man that done right when he was convinced he was wrong; got the worst of it. I do feel very kindly to those of you who would save my life and have my liberty. I know that I have done to bring many of the dark deeds to light, as I feel that society will be in a better position to protect themselves and even though the real men responsible go clear, perhaps we have done

CZAR'S FAMILY IS SICK

Epidemic of Influenza Comes With Christmas Tree.

ST. PETERSBURG, Jan. 24.—An epidemic of influenza has attacked the imperial family. Grand Duke Alexis Nikolaevitch, the Emperor's only son, and his four sisters all have been stricken. The condition of the heir-apparent is complicated by an inflammation of the ear. Grand Duchess Marie Pavlovna, daughter of Grand Duke Paul Alexandrovitch and fiancée of Prince Wilhelm of Sweden, also is down with the disease. It is thought the infection was brought to the palace on the occasion of the recent Christmas tree celebration.

OPPOSES REBUILDING NAVY

Russian Cabinet and Douma in Conflict With Czar.

ST. PETERSBURG, Jan. 24.—The conflict between the Emperor and the Douma over the naval programme which entails an expenditure of \$90,000,000 is steadily developing in a direction unfavorable to the realization of the Emperor's ambition. The scheme, which Mr. Kokovoff, the minister of finance, privately declared spelled ruin to Russian finances, has met opposition in unexpected quarters. At a meeting held last week of the council of imperial defense, under the presidency of Grand Duke Nicholas Nikolaevitch, representatives of the army opposed a regular campaign against the programme. The Grand Duke himself declared that in his opinion the navy was anarchistic and a hotbed of mutinies, unworthy to be entrusted with

DISCIPLINE FOR DAHLMAN

Thrown Out for Talking Politics at Waterways Congress.

ST. PETERSBURG, Jan. 24.—Mayor Dahlmann, of Omaha, was led from the hall by the sergeant-at-arms of the Waterways Congress at its final session Thursday evening at the request of Governor Burke, of North Dakota, who was acting chairman. Mr. Dahlmann rose in his seat to talk on the motion to adopt the report of the committee on organization. His attitude was unsatisfactory to several prominent delegates, who declared he was out of order because he was trying to inject politics into the congress. There were several cries of "Put him out!" The chairman finally called the sergeant-at-arms, who led the irate Mayor from the hall.

The Mayor's declaration that "You'll have to go down to Washington and see 'Uncle Joe' Cannon and Allison about that report" started the trouble. "Sit down!" shouted a delegate. "No, I'll not sit down," retorted the Mayor. "I'll tell you what I think." "He's out of order," someone else yelled. "This cross-fire was about to precipitate more trouble, when the chairman ruled that report started the trouble. The Mayor refused to accept the ruling and held his ground.

Mr. Burke called for the sergeant-at-arms, who took the Mayor by the arm, pushing him into the aisle. After some argument Mr. Dahlmann left the floor

"AT HOME WITH THE GRIP"

This is so general that in many offices and mercantile houses business is almost suspended. The epidemic may yet break the record of that of 1889, the worst in history. If you are droovy, languid or low-spirited, if you have headache, backache, or are feverish, don't delay, take a dose of Hood's Pills to move your bowels and begin treatment with Hood's Sarsaparilla, the foe to the grip germ in the blood, and the best appetizer, stomachic and strength-giver.

A Bad Attack.—"I had a bad attack of the grip. I got a bottle of Hood's Sarsaparilla and it saved me. I took a big dose of Hood's Pills. D. M. Mores, a big doctor's bill. Did me more good than any other medicine." Mrs. Alice Barr, Smyrna, Pa.

A Good Medicine.—"I was down with the grip and a bottle of Hood's Sarsaparilla brought me up and made me feel like a new woman. I recommend Hood's Pills to all who want a good medicine." David Nurford, Clamont, Va.

Hood's Sarsaparilla is sold everywhere. In the usual liquid or in tablet form called Sarsatabs. One hundred doses one dollar.
