### FISH ASSAILS INTER-CONTROL

Says Holding of Stock in One Cor-

poration by Another Is Menace.

CHICAGO, Jan. 14.—"The great ques-tion of our time which presents to the American people a tremendous prob-lem for solution, and one to which their attention is now being turned because it is an evil of very rapid growth, is the monopoly of trade and transportation brought about by stock-holdings of one corporation in another." addings of one corporation in another." Stuyvesant Fish and his asso

ates filed in the Superior Court yester-day in the injunction suit which they are prosecuting to prevent E. H. Harriman and his friends from voting at the annual meeting of the Illinois Central Raliroad, stock which is owned by the Union Pa-clfic and by the Raliroad Securities Com-

The brief is a reply to the brief prepared by the defendants. They declared that a decision against them would dis-rupt many of the great corporations in the country. In reply to this statement Mr. Fish and his friends frankly declared that they hope it will have this effect and that the majority of the American people are entertaining the same hope. It is expected to be the dominant purpose of the row same hope. It is expected to be the dominant purpose of the now famous Hilnois Central Railroad injunction suit

to make it possible for the people to rid themselves of grasping monopoly. "We express, we believe." declares Mr. Fish and his friends, "the senti-ments of the great majority of the peo-ple, who hope that this case will do ple, who hope that this case will do for the complainants and that it will be the entering wedge which will final-ly dissolve all these monopolistic stock-holding combinations and confine the piratical corporations of New Jersey and Utah to operations within the lim-tic of the states which created them." its of the states which created them.
