IMPROVE ALL STREETS.—At the meeting of the Sellwood Board of Trade, Monday night, steps were taken to bring about the improvement of all unimproved streets in that suburb. It is proposed to improve them as a whole, but not as a district. Each street will be improved on a separate petition. Committees for each street will be appointed and the improvements started as soon as the proceedings are approved by the Council. It was hoped to improve by making Sellwood one district, but it was found it could not be done. Engineer Gilbert submitted plans showing a sanitary sewer system for Sellwood between the river and East Nineteenth street, and estimated the cost at $30.80 per lot. This system does not provide for storm water, and makes no provision for that part of the suburb east of Nineteenth street. Owing to the fact that a considerable number of the people of Sellwood feel that a sanitary system would not be sufficient, further consideration of the system was continued over until the next meeting.

CITY WILL PROTECT RIGHTS.—Mayor Lane, Superintendent Dodge, of the Water Board, Deputy City Auditor Weigand and City Attorney Kavanaugh will go to Oregon City this morning to be present in the Circuit Court when Judge McBride calls the case in which the City of Portland must appear to protect its water rights on Bull Run River. The Mount Hood Railway Company is endeavoring to secure valuable concessions through court proceedings, and a contest is unavoidable. Because the court sits at Oregon City, it is feared that Mayor Lane will be unable to attend the special meeting of the City Council committee on lighting, which is called for 2 o'clock this afternoon. At this session the committee will receive all information that may be offered on the subject of electric lighting systems, the best methods of lighting and the cost of municipal plants.

FOUND SLEEPING IN GUTTER.—E. E. Murray, 537 Tacoma avenue, retired in the gutter at Fifteenth and Umatilla streets at an early hour yesterday morning, in company with a consuming jag. He was found in this uncomfortable berth by Patrolman Holtz, who placed the sleeping man under arrest without the formality of awakening him. Holtz sent for the patrol wagon but at headquarters it was decided the trip was too lengthy for the purpose of getting a toper. Murray was accordingly awakened and transferred to his home. His identity was learned through a slip bearing his name and address, which would seem to indicate he had gone out with the intention of getting in just such a condition as he was found.

CITY SALARIES INCREASED.—That Portland is prosperous seems apparent from the general increase in salaries recently made for municipal employes. Increases have been granted as follows: City Physician, from $100 to $125 a month; police detectives and sergeants, from $90 to $115 a month; police captains, from $100 to $150 a month; firemen, from $90 to $100 a month, lieutenants, from $100 to $115 a month; six civil engineers from $140 to $150 a month; stenographers and clerks in the water office, from $75 to $105 a month, four clerks from $90 to $100 a month; park superintendent, from $100 to $125 a month, and several other clerks have been substantially increased.

CONCERT AT TRINITY PARISH.—A concert will be given tonight in Trinity parish house under the auspices of the Trinity Church choir. The soloists will be Miss Delta Watson, soprano; Miss Alice Juston, contralto; Dr. George Ainslie, tenor; F. T. Crowther, baritone. Miss Carter, reader, of St. Helen's Hall, will give a number of recitations. Reproductions of selections as played by Paderewski, Hoffman, Grieg, Lehvignne and other famous pianists will be given by means of a newly devised piano-player.

QUARTERLY MISSIONARY MEETING.—The first quarterly and district meeting of the Woman's Home Missionary Society, of the Oregon conference, will be held tomorrow in the parlors of Grace Church, Taylor street, between Twelfth and Thirteenth, for the purpose of reorganizing the district and hearing reports from the different auxiliaries. It will be an all-day meeting, beginning at 10 o'clock in the morning, and a basket lunch will be served by the ladies at Grace Church.

KNOCKED DOWN BY CAR. — Andrew Anderson, a laborer, was struck by a Russell-Shaver car while crossing the intersection of Third and Burnside streets a few minutes before noon yesterday. He was knocked down and badly bruised but the prompt stopping of the car prevented a serious accident. Anderson was picked up and taken to the Good Samaritan Hospital.

FIREMAN BECOMES FARMER.—On leave of absence Battalion Chief Lee Holden has been busy the present month getting his farmhouse at the Tollgate on the Mount Hood road ready for his family. He has now moved them to the place and has become a farmer. The place is of 100 acres. It is to be made a Summer resort by Mr. Holden and H. S. Rowe, who is associated with Mr. Holden in the ownership of the farm. There are mineral springs on the place. Mr. Holden will return to Portland in about two weeks to wind up some personal business. He will be missed from the Fire Department because of his skill as an architect and builder. It will not be easy to fill his place. His successor will probably be named next week as the place will be vacant until February 1. Charles Neale, captain of engine company No. 12, Multnomah street, is Acting Battalion Chief at present.

FIRE COMPANY ORGANIZED.—A volunteer fire company for North Albina has been organized with the following officers: President, R. W. Mills; vice-president, Ray Mills; secretary, Dr. A. W. Anderson; captain, A. B. Stone, and lieutenant, E. Mulholland. The following have enrolled as members of the company: Dr. A. B. Stone, J. H. Nolta, R. W. Ellis, Dr. R. W. Anderson, E. Mulholland, J. W. Schatz, H. G. Parsons, H. W. Schatz, M. Matschik, A. R. Mills, M. K. Schatz, C. O. Jones, S. L. Osburn, J. Morris and C. L. Daggart, Jr. An appropriation of $300 was passed by the City Council last week, to provide apparatus for the new company, and it is expected it will be prepared to combat fires in that district in a short time. This company will be on duty until a paid fire company is installed.

ACCIDENT TO MISS GLEASON.—Miss May Gleason is confined to her home, 688 East Morrison street, with serious injuries received by being run down by two boys on horseback Sunday. Mrs. A. Gleason, mother of the young woman, was also run down and somewhat bruised at the same time. Her escape was due to her being able to keep from under the feet of the two horses which trampled on Miss Gleason. Mrs. Gleason and daughter were crossing the intersection of East Water and East Morrison streets when the boys dashed up on horseback. They paid no attention whatever to pedestrians and turned their horses directly on Mrs. Gleason and her daughter. The names of the boys were not learned.

CHEAP MEATS.—The Beef Trust markets right down near the Smith Meat Company, are offering any cut of beef in the house for from 6c to 8c per pound. This is an excellent opportunity for people to stock up on porterhouse steaks, porterhouse roasts, sirloin roasts, etc. Watch the scales and see that you get full weight. The butchers throughout the city should also take advantage of this generous offer and get their supplies there at much cheaper prices than at the wholesale house. Smith will sell 2000 pounds of fine Sweet Oregon Beef for 5c per pound and Roasts of Pork for 10c per pound.

BOARD TO SELECT QUARTERS.—The executive committee of the Board of Trade will hold a special meeting on Friday, at which time action will be taken on the report of the special committee recently appointed to secure new quarters for the Board. It is believed this committee's selection of a room in the new Commercial Club building will be confirmed. Reports will also be rendered by J. B. Labor, the retiring secretary, and by the auditing committee which has examined the books covering the three years of Mr. Labor's incumbency which will terminate at this meeting.

WILLIAM C. TUTTLE'S FUNERAL.—The funeral of William C. Tuttle was held yesterday afternoon from the chapel of Zeller Byrnes, on Williams avenue and Russell street. Members of Rose City Camp, Woodmen of the World, of which Mr. Tuttle was a member, attended the services together with many of the old residents of the city. Mr. Tuttle had lived on the Coast for 17 years, and was in the drug business in New York before coming to Portland. He is survived by his widow and one daughter, Ruth. The cause of his death was pneumonia.

HARRY C. WHITTIER LEAVES PORTLAND.—Last night Harry C. Whittier, a popular advertising man, left for La Crosse, Wis., where he has accepted the position of manager of the Doerflinger Company department store. Mr. Whittier resigned this same position five years ago to come to Portland, and he returns to La Crosse at a very much increased salary. Mr. Whittier, while in Portland, was a leading figure in the Portland Ad Club and the "Made in Oregon" Exposition and has many friends who will regret to hear of his departure.

PLAY FOR CHURCH'S BENEFIT.—Young people connected with St. David's Episcopal Church will present a comedy in three acts entitled "Behind the Scenes," at the new Woodmen hall, East Sixth and East Alder streets, tomorrow night, for the benefit of the church. The members of the cast are: Leo Ryan, Arthur Royal, Walter Pomranig, Joe Bartholomew, Walter Backus, Ray Bradley, Ray Walls, James Morris, Ruth Ballin, Charlotte Ballin, Marguerite Backus and Louise Backus.

ARBOR LODGE CLUB ORGANIZED.—The Arbor Lodge Push Club was organized Monday night with the following officers: President, S. C. Beach; secretary, C. M. Howard; treasurer, W. B. Rust. There was a large attendance, and a strong club will be built up. Improvement of Willamette boulevard will be one of the things the new club will work for. The next meeting will be held Monday, February 3.

ORGANIZE REPUBLICAN CLUB. — Steps preliminary to the organization of a Republican Club in precinct 45, in the Seventh Ward, were taken Sunday. There will be a general meeting next Saturday night in the old schoolhouse on East Twenty-sixth and Powell streets, just east of the Clinton Kelly building, to perfect the organization. At this time a constitution and bylaws will be submitted for adoption and officers elected.

LIGHTS ON IN CORBETT BLOCK.—For the last two nights and part of the afternoons the electric lights in the new Corbett building have been turned on to test the wiring and adjust the switches. The big building at night, with lights showing in every window, made quite a spectacular appearance, and gave people on the streets a good idea of the proportions of this addition to the city's skyscrapers.

FRANK HACHENEY VERY ILL.—Word was received by City Treasurer Werlein yesterday of the serious and probably fatal illness of his father-in-law, Frank Hacheney, widely known here. Mr. Hacheney was City Treasurer for several terms. He is more than 70 years old, it is thought impossible for him to recover.

CENTRAL W. C. T. U. TODAY.—The regular meeting of the Central W. C. T. U. will be held this afternoon, at 2:30 o'clock, in the Goodnough building. "Evangelistic Work" will be the subject for discussion. A meeting of the superintendents will occur one hour before the general session.

HEARS OF BROTHER'S DEATH.—Mrs. T. J. Hannigan, 289 Eleventh street, yesterday received word of the death of her brother, Edward J. Hearn, of Harrisburg, Or., aged 46 years. Deceased was also a brother of Mrs. E. Murphy, of Jefferson, Or., and Milton E. Hearn, of Harrisburg, Or.

MISSIONARY MEETING FRIDAY.—The missionary societies of Taylor-Street Methodist Episcopal Church will meet at the parsonage, 221 Eleventh street, Friday morning at 11 o'clock.

CLASS FOR MUNICIPAL STUDY.—Professor Norman C. Thorne, of Portland Academy, is conducting a study circle at the Taylor-Street Methodist Episcopal Church, on the various problems encountered in modern city life. The subject is treated from the standpoint of Josiah Strong, author of "The Challenge of the City." The class held its first session Monday night and will meet twice a month in the Taylor-Street Church. Those interested are invited to attend.

HOLD COUPLE FOR THEFT

Spokane Nurse Identifies Stolen Trunk in Portland.

Omer Huguenin and his wife, Mary Huguenin, who live in a roominghouse at 107½ Third street, were arrested last night by Detectives Kay and Kienlen, charged with grand larceny. Being unable to furnish bail, they were locked up in the City Jail. The arrest was caused by the Great Northern railroad which, through its division baggage agent at Seattle, C. H. Rupert, has been conducting an investigation since October 28 to ascertain the whereabouts of a trunk belonging to Miss Ethel Kern, a trained nurse of Spokane, and which was checked by her from her home to Seattle.

After the railroad officials had located the trunk in the possession of the Huguenins, Miss Kern was notified by telegraph and yesterday came to this city. Last night the room of the Huguenins was searched and Miss Kern identified a number of articles of clothing and some valuable chinaware as her property. The trunk and the articles identified were taken to the police station.

Mr. and Mrs. Huguenin stoutly maintain their innocence, asserting that the articles were given to them by Mrs. Huguenin's mother. The Huguenins have been in Portland about three weeks. The man says he was a saloonkeeper in Helena, Mont., and the woman tells fortunes under the name of Madame Antonett. They have two small sons, who were taken to the Y. M. C. A. for the night.

In the search of the Huguenin's effects several watches and a large amount of small jewelry were found. Miss Kern has supplied the police with a list of articles, valued at $500, which have not been recovered.

DE KOVEN ABOUT CARRENO

Brilliant Critic Writes of Magnificent Work of the Great Pianiste.

Carreno will play at the Marquam next Monday evening, and will no doubt create just another such sensation as Reginald de Koven, critic and composer, tells of: "Carreno made a positive sensation by her really magnificent performance yesterday afternoon. She has a breadth and nobility of style, an authority and a virility in the richness, fulness and body of her tone distinctly non-feminine, combined with a refined elegance, a subtle sympathy, pliancy and romantic sentiment which are as masterful and impeccable as her wonderful technique."

Carreno is under the management of Lois Steers-Wynn Coman and the seat sale for her recital here will open Friday morning at 10 at the Marquam box office.

WHY THEY SELL PANTS

For $3.00 the Pair.

Pants in a clothing store will accumulate faster than any one can imagine, and unless special sales are held to close them out at reduced prices it is only a question of time until every table in a store would be loaded down with extra pants; the way these pants accumulated so rapidly is by men buying only a coat and vest or in many cases a customer wants a different pants from the suit and in that way the extra pants are left.

The Brownsville Woolen Mill Store, on Third and Stark streets, have started a unique sale to get rid of the pants accumulating during the past six months. There are hundreds of them, in fact three great tables are piled as high as a man's head, they represent pants from all lines of suits, some from the $15 suits, but more are from the $20 and $25 lines and are easily worth $4, $5, $6 and some $7 per pair. But the Woolen Mill store has a peculiar way of doing business. They have taken this entire lot of pants and today put them on sale at

"$3 the pair,
"or,
"1.50 per leg,
"The seats are free."

This will undoubtedly bring the crowds, as almost every man can use an extra pair of pants and these pants are wonders, not only in fine patterns but many of them have cost from $3.50 to $4 to manufacture.

OH it's good to see the bills go up
Announcin' that good old show,
Where the pesky Squire drives the gal
Out in the paper snow.
Where the folks all dance in the settin'-room
And the comical constable has to sing
'Bout a great big hat with a great big brim
All bound 'round with a woolen string.

No matter when or where, it is always certain that "Way Down East" will command the attention of that large majority of theatergoers who enjoy going back to first principles in the matter of theatrical diet. Greater plays have been written than this that was presented again at the Marquam last night to an appreciative audience, but they are few that have figured in our annals recently that have greater power to attract and hold audiences. This is largely true because there is an utter absence of theatricalism—those false lights that have crept into the construction of our drama through the influence of the older, stilted dramatists and Sardou in the present generation. "Way Down East" is an admirable example of what actual rural life may be made to hold of interest to the great public when transferred bodily to the stage.

The play is clean, realistic, sometimes dramatic and always an entertainment that one may sit through with pleasurable satisfaction.

The present company interprets the play in a quite satisfactory manner, and, although not without its shortcomings, is in the main competent to sustain the best traditions. The scenic and mechanical effects are first-class, the famous snowstorm effect being equal to the best that have been used in the past. The Puritanical old squire is acceptably played by Charles Reigel, Grace Hopkins, a newcomer of some promise plays Anna Moore well enough, while the Hi Holler of Eddie Heron and the constable of J. A. Macurdy will be satisfy those who know the play of old.

It is a worthy attraction and will doubtless attract sizable audiences to the Marquam all week. There will be a matinee Saturday.

TACOMA, Wash., Jan. 28.—(Special.)—Indictments against Tacomans may be returned by the Federal grand jury that convenes in Seattle the first Tuesday in May in connection with alleged irregular land sales by Harry F. Liston, the missing superintendent of the Puyallup consolidated Indian agencies. Just what the charges are is not known, and they may not be known unless Liston is captured. Further investigation into the official and personal affairs of the missing man show, it is said, they are more deeply entangled than at first thought. Liston is known to have squandered considerable money on horse races at The Meadows.
