Lipman-Wolfe's Friday Bargain Day

100 Street and Evening Coats
Reg. Values to \$40 at \$14.65

Not in many seasons has there been such a splendid bargain opportunity as this, because the coats are superb—made of rich cloths in plain colors or invisible patterns that are in favor from one season to another, very smart and quietly effective styles—tight-fitting, semi-fitting and loose coats. The materials are broadcloths, tailor suitings, tweeds and cheviots, in plain colors and dark stripes and checks—gray, black, navy, brown, red, white, etc. Some coats are half lined, others fully lined with silk and satin. One coat is fur lined, with fur collar. Some are plain tailored, some trimmed with plain silk braid, others trimmed elaborately. All this season's styles. Values \$25 to \$40, mostly \$30 and \$35. A serviceable coat for this season that'll be stylish for next Fall **\$14.65** as well, on sale at.
