

GOOD THINGS FOR PORTLAND MARKETS

BY LILLIAN TINGLE.
Yesterday the bright, crisp weather gave a bluish tinge to noses and complexions of marketmen and customers and sent hothouse vegetables into hiding, while poultry and fish enjoyed cold-storage temperature without the aid of the refrigerator. Turkeys were plentiful at 25 cents a pound and ducks were the same price. Chicken and geese were both about 30 cents. There were a few ducks at 25 and 20 cents each, but I saw no rabbits, guinea fowl or large pigeons.

There were cheerful-looking red rock cod, mostly in, at 12 1/2 and 15 cents a pound. Besides being good boiled, the smaller ones are quite attractive stuffed and baked or stewed. If you have some cold turkey, you may prefer heating it in tomato sauce—either chafing dish style or in little individual "bakers" or ramekins, and you may consider the last state of that cod really better than the first. Frog legs are to be had at 25 cents a dozen, but I didn't see very many of them. There were nice sea trout and striped bass, both 25 cents, and baby salmon at 20 cents. Chinook salmon is lower in price this week, being now 15 to 20 cents a pound; but on the other hand, snell are more numerous, ranging up to 12 1/2 and 15 cents a pound. Sturgeon costs 20 cents and so do croppies; sole, catfish and shrimp are all 15 cents; black cod and halibut 12 1/2 to 15 cents. Rounders, herring, anchovy, all 10 cents. Oranges, grape fruit, pineapples, bananas and apples, with a few pears and grapes, seem to be the only available fresh fruit, so that at the time the bring out your canned fruit and with these, dried fruits and nuts, ring the changes on fruit salads, with different kinds of syrup, gelatine, custard or vegetable things, according to your taste and skill. These, of course, are intended not for the salad course, but as desserts. Do you ever bake apples with cinnamon removed and a piece of banana in its place? It gives you a "banana apple" of a very inexpensive kind. Fruit charlottes and compotes made from canned fruit, or combinations of these with apples and orange juice are good subjects for study just now. Green beans are a little higher in price this week, all I saw being 25 cents a pound.

There were very good green peppers at 25 cents and tomatoes, too, though the latter probably looked better than they tasted. Spanish peppers and egg plant were 20 cents a pound; peas and field lettuce, 15 cents; and cream and Spanish squash both 10 cents a pound. Baked squash sprinkled with Parmesan cheese is a highly recommended "wrinkle" which I have not yet tried, but which sounds rather palatable. Grated Parmesan is an excellent accompaniment for vegetable soups, but the grating of it is not particularly interesting.

Brussels sprouts are a little lower in price. I got some very nice ones for 12 1/2 cents a pound to do duty with a new "baked tongue" dish in which the bay box plays a leading part. Cauliflower and celery are both higher, just now, particularly the small white celery, which is inviting, either raw or creamed. Hothouse cucumbers are to be had at 10 to 25 cents each and artichokes are as usual, about \$1.50 a dozen.

NORTHWESTERN MEN HERE Prominent Railroad Officials Pay Pacific Coast Visit.

Two prominent officials of the Chicago & Northwestern Railroad arrived in Portland yesterday, and two others will be here today. Edmund D. Brigham, general freight agent, and C. A. Cairns, general passenger agent, reached the city yesterday and G. H. MacRae, assistant general passenger agent, and E. B. Ober, general freight agent of the Chicago, St. Paul, Minneapolis & Omaha, which line is part of the Chicago & Northwestern system, are expected today.

Mr. Brigham said yesterday that the visit of the officials had no significance, and that the officials were merely making the trip to confer with the agents of the system in the different cities of the coast. Leaving Portland, they will proceed to San Francisco.

"Our lines have close relations with the Union Pacific and O. & N.," said Mr. Brigham, "and we are in a position to observe how rapidly the Pacific Coast is developing by noting the increasing traffic to and from this coast. We also note the growing importance of the Oriental trade, as much of the freight arriving here for Eastern points is carried over our Missouri River lines. Our system of 10,000 miles of tracks extends as far west as Lander, Wyoming. Talk of further extension is not based on any facts in my possession, but that any such extension is contemplated."

SPECIAL RATE TO BE ASKED Denver Convention Delegates Invited to Visit Portland.

Communications are being prepared by the various commercial bodies of Portland addressed to James Charlton, chairman of the Transcontinental Association, requesting that a special rate from Denver to Portland and return be made at the time of the Democratic National convention. These letters will go forward through the general passenger agent's office of the Harriman lines.

The purpose of this movement is to offer to delegates to the convention an opportunity to come to Oregon after the meeting at a rate that will be attractive. It is also probable that a large committee of representative men of the state will be sent to Denver to advertise the excursion scheme and personally advocate the trip to the thousands who will be in attendance.

The next meeting of the Transcontinental Association is to be held at Coronado Beach, in California, February 5, and the letters will be mailed from here in time to reach San Diego by that time.

HARRISON NOT LESSEE Negotiations for New Cornelius Hotel Building Fail.

Dr. C. W. Cornelius announced last night that the lease of his hotel building at Park and Alder streets, agreed upon with B. B. Harrison some months ago, is off. The hotel will be ready for occupancy within a week. Three hotel men are negotiating with Dr. Cornelius for the property, but he has not closed with any one, as it is his desire to have the best tenant obtainable, one who will run the house in a strictly first-class manner.

One of the men who is mentioned in connection with the new lease is a well-known Portland man who has had years of experience in the business and is abundantly able to carry out his agreement in case he secures the property. His name is withheld for the present.

AUGUSTUS MALLORY DEAD Former Prominent Citizen of Heppner Passes Away at Jefferson.

Augustus Mallory died at Jefferson, Ore., January 28. He was a brother of Rufus Mallory, of Portland. Mr. Mallory was born in Chenango County, New York,

IMPORTANT Beginning today we will deliver to Portland Heights twice daily, 9:30 and 2:30, also Whittaker St., South Portland and Failing St., East Side North

WALTER BAKER & CO. Ltd.

ESTABLISHED 1780 DORCHESTER, MASS.

January 12, 1819, and was 89 years old at the time of his death. He came to Oregon in 1888, and after spending two years in the Willamette Valley, moved, in 1890, to what was then Umatilla County, at a place near what afterward became the town of Heppner. He afterward became a resident of Heppner and successively filled the offices of Justice of the Peace, Judge of Morrow County, Postmaster of Heppner and Commissioner of the United States Circuit Court.

About 12 years ago Mr. Mallory lost the use of his legs through some affection of the hip joints and could move about only in a wheel-chair. His wife died at Heppner five years ago. About three years ago he left Heppner and made his home with his daughter, Mrs. J. B. Looney, at Jefferson, where he died. Four children, two daughters and two sons, survive him. Mrs. Looney, of Jefferson; Mrs. W. T. Wright, of Union; W. L. Mallory, of Ione, and Charles Mallory, of Cascade Locks.

The body was taken to Heppner and will be buried by the side of his wife. The funeral will be held at Heppner.

American Teacher Murdered.
WASHINGTON, Jan. 31.—Anna E. Hahn, one of the first American school teachers to go to the Philippines, was murdered at Bangas, Island of Luzon, January 28, according to a dispatch received at the Bureau of Insular Affairs today. No details are given. Miss Hahn was 45 years of age, and was the author of a number of short stories.

An Offer to Test the Quality of Hislop's Pure Food Products

And a Brief Dissertation Thereon

Those National and State pure-food laws now in operation are a trenchant arraignment of the cupidity and voracity of our common nature. Phoebus Apollo! God of the Sun! What a multitude of hold-up men have been posing as high-toned gentlemen!

When you see a package with this legend "guaranteed under the food and drugs act"—do not take it to be a guarantee of purity from the Government. It is not. The article may be pure and it may not be. The Government blundered when it permitted manufacturers to use the term. By its gate is left wide open to unscrupulous manufacturers to pursue their favorite game of humbug.

Regarding **HISLOP'S COFFEES, SPICES, VANILLA and LEMON FLAVORING EXTRACTS, BAKING POWDER**, note well and inscribe upon your memory: When the conduct of life is governed by the principles employed in the creation of **HISLOP'S PURE FOOD PRODUCTS**, laws will cease to be a necessity, and the dawn of the millennium be at hand.

The coffee fakers have been compelled to eliminate the mythical term "Java and Mocha" from their labels. "Java and Mocha" is not a synonym of good coffee, although popularly supposed to be. We select **THE FINEST TYPES OF COFFEES** wherever grown, and all of **HISLOP'S COFFEES** are the highest standards of excellence, leaders of which are

ANKOLA "King of Coffees," 40c the 1-lb. Tin
ANKOLA "King of Coffees," 75c the 2-lb. Tin
(Not to be confounded with the ordinary coffee in tins)

TRIUMPH BLEND Coffee, 25c the Pound
In Fancy Parchment-Lined Bags
(Superior to the article at 3 lbs. for a dollar from the pedlars)

PURE SPICES Are of Various Degrees of Excellence
(Spices may be pure, yet of very poor quality)

THE HIGHEST DEGREE OF EXCELLENCE IN MILLING AND QUALITY IS REACHED IN HISLOP'S PURE SPICES.

A comparison with other spices will convince you. All **VANILLA and LEMON FLAVORING EXTRACTS** sold at 15 or 20 cents the 2-ounce bottle are very dear. One or two brands sold at 25 cents for 2-ounce bottle of lemon and 35 cents for 2-ounce bottle of vanilla are moderately good. **THE EXTRAORDINARY HIGH QUALITY OF HISLOP'S LEMON AND VANILLA EXTRACTS IS NOT REACHED BY ANY MANUFACTURER IN ANY PART OF THESE UNITED STATES.** They cost no more than the moderately good.

HISLOP'S perfect leavening phosphate hygienic baking powder is **GREATLY SUPERIOR** to the obsolete and less wholesome cream of tartar and bicarbonate of soda compounds. **HISLOP'S** is sold at 25 cents the one-pound tin.

No Baking Powder Better. No Baking Powder Worth More.
Get in line with the march of progress.

So that you may have convincing proof of the high excellence of **HISLOP'S PURE FOOD PRODUCTS**, for 25 cents we will deliver to any address in the city the following:

1/2-Lb. Sample **ANKOLA** 40c Coffee
1/2-Lb. Sample **TRIUMPH BLEND** 25c Coffee
1/4-Lb. Sample **BAKING POWDER**

Two Samples of **SPICES** (Any kind you prefer)
One sample of **VANILLA EXTRACT**
One sample of **LEMON EXTRACT**

The value at retail of these samples is 50 cents. **WE DO NOT RETAIL.** Your grocer will supply you if you insist. Insist on getting Hislop's if you are particular.

To secure the samples, mail or bring the following coupon to Jas. Hislop & Co., 63 Front street, Portland, Oregon.

Send to (Name)

..... (Address)

Samples of coffees, spices, flavoring extracts, baking powder, for which we will pay 25 cents on delivery.
