DEOPS DEAD WHILE AT WORK.—While at work in the yards of the Portland Lumber Company yesterday morning John Lashbaugh, aged 71 years, dropped dead from heart failure. He had reported for duty at the usual hour and was not missed until about 9 o'clock, and when a search was made, he was found lying dead in a sawdust bin. Dr. Cottell was summoned and attributed the death to heart failure. Lashbaugh's father died some years ago in a similar manner. The son was a veteran of the Civil War and is survived by a wife and four children residing near Arieta.

MUCH INTEREST IN DECISION ON BANK MERGER PETITION.

If Favorable, as Expected, Directors Will Be Chosen and Bank Will Open at Once.

The decision of Judge Gantenbein on the petition of Receiver Deviln of the closed Oregon Trust & Savings Bank, asking for its merger with the German-American Bank is eagerly awaited by the reorganizers. It is likely to be made any day and it is expected that the judge's opinion will be favorable.

noon between Judge Gantenbein, S. G. Reed, who will be president of the reorganized bank; Louis J. Wilde, president of the German-American Bank, and W. El Thomas, attorney for the latter institution. The proposition of the merger was discussed informally and a number

of points were settled.

Judge Gantenbein himself will pass upon the board of directors of the new German-American Bank chosen by the reorganizers. The list of directors will be furnished the judge as soon as they are chosen for him to approve. If the list is not strong enough to suit the court, other names will have to be

secured.

The court expressed the purpose of calling for an increased bond for Receiver Deviln. That official is now under \$50,000 bonds but this figure will be raised to \$200,000. It is believed that the larger figure will protect the depositors in the defunct bank to a fuller extent than the present bond does. The order for the change in bond will probably be made within the next few days.

Another matter disposed of vesterday

Another matter disposed of yesterday was the reduction of the fee of \$5000 expected by Attorney Joseph Simon for legal services in arranging the affairs of the closed bank. Mr. Simon is attorney for Receiver Devlin and as such he has prepared legal papers whenever neces-sary, together with the petition to the court to permit the merger. It is un-derstood the remuneration for this work will be fixed at \$3000 instead of \$5000.

These changes, it is understood, have the approval of those directly interested in the merger plan. Louis J. Wilde, who also passes on the board of directors chosen to manage the affairs of the new bank, when asked last night if he favored the court having a voice in their selec-tion, said that this feature of the case

tion, said that this feature of the case was perfectly satisfactory to him and his associates.

District Attorney Manning has taken an active part in the affairs of the closed Oregon Trust. He placed an expert accountant in the bank yesterday to make a searching examination of the affairs of the institution. It was desired that this work be concluded before the two banks are merged for after the new Gerbanks are merged for after the new German-American opens for business it is desired that there be no further agita-tion about how the bank was conducted

under the old mahagement. This work may be concluded this week. President Reed is now at work choosing directors for the new bank. He has not closed on any as yet with the exception of Receiver Devlin and Joseph M. Healy. These, with Mr. Reed, make up the three so far settled upon. Representative busi-ness men who will inspire confidence in the new bank will be selected to fill out
