

DO MAKE NEPHEW

John Donahue Fatally Wounds Ed Sweeney, Jefferson-Street Dockworker.

ASSASSIN FLEES, IS CAUGHT

Either Out of His Mind or Feigns Insanity, and Babbles About His Crime in Meaningless Way.

Shooting Was Unprovoked.

Ed Sweeney, dockworker, 45 years old, was shot and fatally wounded early yesterday afternoon by his nephew, John Donahue. The tragedy occurred on the dock adjoining the Jefferson street railroad. It was a deliberate and unprovoked, so far as an eyewitness could determine.

Murderer Fires Three Shots.

"Who are you, anyway?" Donahue exclaimed, with a flourish of oaths. He then drew out a cheap little revolver of 25 caliber and began shooting. He fired three times, and when his victim fell the fellow took to his heels, running south.

Donahue Babbles About Crime.

Donahue was a sorry sight when seen later in the day for his version of the shooting. He is an undersized and homely fellow, with coarse features, red hair and mustache and a thick brow. His eyes were badly swollen from drunkenness.

Go to Rockpile for 180 Days.

Patrick O'Brien was sent to Kelly Butte yesterday from the County Jail, to work on a 180-day term imposed by the Municipal Court for larceny.

NO DEALS, SAYS GEER

Just as Friendly to Fulton as to Bourne—Hopes for Aid.

WHEELER, Feb. 5.—(To the Editor.)

Up in this neck of the woods people are not in "close touch" with political affairs in the metropolitan centers. I should like to see an analysis of conditions and probabilities, not to say underlying causes, of certain things said to be taking place in Oregon.

Let Common Sense decide.

If the little sharp aches, the shortness of breath, the dull mental condition, disappear when coffee is discontinued, there's no need of any argument.

Then when all the functions begin to run smoothly, nerves steady, brain clear, appetite natural as a result of drinking Postum in place of the drug-bearing coffee, common sense will decide where comfort is.

"There's a Reason."

As a Republican without any prefix of any character, I wish to say again that I am as friendly to Senator Fulton as to Senator Bourne, to these both as to the Oregonian. I have nothing to do with the Oregonian party; that I desire to go to Congress for the work that may be done there aside from the petty matters of bestowing patronage, and that if elected I shall ally myself with the members of the Oregon delegation in whatever thing may seem best for the people.

Chit-Chat of Sporting World

THIS is the worst season for the baseball magnates, the season when contracts come back with demands for increased salaries. Pretty soon it will be the anxious season, for then the moguls will be on the rack, each fearing that he has a full-end team.

Billy Nolan may have grown rich borrowing money from gambling. It was there was one thing sure, while Nolan handed the Battle he wasn't being whipped by second-raters.

Should such a thing come to pass that Heney and Fulton be matched for a catch-as-catch-can verbal battle, ringside seats will be worth \$300. It would be the best betting battle ever fought in Portland.

So Dan Kelly is going to remain in the East. Now the question is which dyed-in-the-wool must originate with him to get the Oregon sprinter on the payroll?

The Portland Hunt Club will hold a closed party on Saturday. The start will be from the gas tank in Upper Albina and the trail will be laid by Miss Monroe and Mr. Albee.

Now that Unholz has beaten Memaic and Nelson, he will be looking over the horizon for a Smoke rising over the city of Baltimore. Joe certainly slipped us a wheeze when he gave the lightweight title to Memaic.

Schafer to Play Hoppe.

NEW YORK, Feb. 5.—Jacob Schafer has accepted Willie Hoppe's challenge for a match at 141-inch balk line billiards for the championship. He has deposited \$250 forfeit. The place for the playing of the match has not been announced, but it will probably be Chicago, Schafer's home town.

MAY GO DRY FOREVER

West Virginia to Vote on Constitutional Prohibition.

CHARLESTON, W. Va., Feb. 5.—A joint resolution was passed by the House today providing for an amendment to the constitution which gives the right to voters to decide whether or not liquor or the manufacture of liquor will be prohibited forever in the state.

Notable Concert in Albany.

ALBANY, Or., Feb. 5.—(Special.)—A most notable musical event in this city was a concert in the Opera House last evening by the choir of the Cathedral Parish of the Roman Catholic Church at Portland. The concert was for the benefit of St. Mary's Hospital, of Albany, and was attended by a large audience.
