BATTLE WITH LYNCHERS. Georgia Murderer Makes Desperate Fight and Wounds Ten. CHICAGO, Feb. 12.—A dispatch to the Tribune from Valdosta, Ga., says: Attacked by a mob of lynchers, just across the Florida line yesterday, Jack Long, a white man, fought his assailants desperately, wounding ten and forcing the others to kill him. Long was accused of killing James Sapp, a wealthy citizen. A son of Sapp had killed a brother of Long and escaped. Long was arrested and fifty men visited the prison and took the prisoner out to hang him. A spectator says Long fought the mob to a standstill in prison, but was knocked down with a club as he ran out of the door. Then another fight ensued, in which the combined strength of the men was required to subdue the prisoner. A start to a place 400 yards distant was made, but Long fought every inch of the way, the path being marked with splashes of blood, and he was beaten to death before he finally was hanged. Four of the members of the mob were wounded so badly that they may die. Move to Disband Militia. JACKSON, Miss., Feb. 12.—Because of the lynching of the negro El Pigott at Brookhaven Monday last, the Mississippi Legislature will be called upon to decide whether or not to disband the state militia in times of peace. Senator Harper of Gretna offered a resolution to this effect today, specifying that this step is taken in view of the Brookhaven lynching. Will Admitted to Probate. The will of William C. Tuttle was admitted to probate in the County Court yesterday. The estate, consisting principally of a drugstore, is said to be worth about \$4350. The heirs named in the petition to the court are Lois Belle Davis Tuttle, the widow; Ruth Tuttle and May Tuttle, the two daughters. BUYS ISLAND IN SWEDEN.
