**SEND FOR MRS. MARTIN**

Woman Dynamiter May Be Given Life Sentence.

OAKLAND, Cal., Feb. 12.—Detective Hodgkins will go to Weaverville to bring Mrs. Isabella Martin and "Baby John" to Oakland to face the charge of dynamiting the house of Judge Ogden in this city a year ago. This step was decided upon at a conference between Sheriff Barnett,

Chief of Police Wilson and Captain of Detectives Peterson, when it was decided that every effort is to be made to get sufficient evidence upon which to try the woman for the dynamiting if possible and to have Hodgkins go to Weaverville and hear the story told by "Baby John" from the lad himself.

Should the case develop as they think it will, Hodgkins will bring the woman and child to Oakland to stand trial. District Attorney Hall, of Weaverville, has announced his willingness to surrender Mrs. Martin if the case in Oakland is

shown to be strong. He will drop the arson charge to have her tried on the charge upon which she may be sent to jail for life if convicted.

**Banks Backed by Nation.**

COPENHAGEN, Feb. 12.—The Folketing Ministry today passed the Government bill authorizing the state to guarantee the liabilities of the Freshwaters Bank and the Retail Handlery Bank.

Metzger, jeweler, optician, 342 Wash.

**FREE OIL ITS WEAPON**

Inducement Standard Is Said to Have Offered.

ALBANY, N. Y., Feb. 12.—At this morning's session in the hearing in connection with the suit to dissolve the Standard Oil Company of New Jersey, testimony was given to the effect that the Standard

officials offered to give free oil to dealers who refused to buy from the Standard.

**The Running Willamette.**

PORTLAND, Feb. 12.—(To the Editor.)—To settle a dispute will you kindly inform me through your columns in what direction does the Willamette River run and in what does it empty. Do not most of the important rivers of the globe run south?

L. W. D.

The Willamette River runs down and flows into another river at the point

where it joins that river. Most important rivers run south with the exception of those rivers which run east, west or north, or in other directions.

**Exempt Railway From Taxes.**

VICTORIA, B. C., Feb. 12.—An act known as the assessment bill, which proposes to relieve railways of taxation, was passed today and under its terms 400 miles of new railways, and it is also expected 600 miles of the Grand Trunk Pacific line,

will be relieved of taxation for a term of years to the extent of \$90 per mile.
