IDENTIFIES A DYNAMITER

Man Who Blew Up Grand Forks Hotel Shown Up.

SALT LAKE CITY, Feb. 14.—Francisco Ciddio, the Italian arrested in this city a few days ago on a charge of having blown up with dynamite a hotel at Grand Forks, B. C., in 1906, was today positively identified as the man who did the dynamiting by Mrs. King, wife of the hotel-keeper, whose daughter was killed by the explosion. Mrs. King was brought here from Oregon, her present home, to identify the prisoner, and when at the preliminary hearing today she was asked to pick out the man who destroyed the hotel, she did so without hesitation.

PORK—Eat Smith's Oregon Pork now. Winter is the season for pork. It is at its best. Tons and tons of it for today, and it will all be weighed on honest scales.

Above and beyond doubt frozen meat is being brought to this city by the carload. When you go to Beef Trust markets you stand every chance in the world of getting this thawed-out frozen stuff, which is palmed off as Oregon meat.

We have no connection with the new market on the west of us, nor with the market on the east of us, nor with any other market in our vicinity. Avoid all these markets, when you are looking for Smith's. Come to the same old entrance, and see that Smith's name is over the door.

Smith's is the Only Market in the City That Sells All Fresh Oregon Meats.

BEEF—As fine and choice as our famous Christmas Beef. If you have to stand in line and wait your turn when you come to Smith's, it will be worth while, for you will get the finest, freshest and sweetest meat you ever put your lips—tastes entirely different from Beef Trust meat.
