BOY BURGLAR BUNGLES JOB

SHERIFF AND DEPUTY DO CLEVER DETECTIVE WORK.

Youth Robs Till in Stewart Store and Leaves Cigars on Floor, Taking Box.

A robbery which has puzzled residents of Stewart station for the past week was solved last night, when Sheriff Stevens and Deputy Sheriff Leonard unexpected-ly fixed the crime on 14-year-old Carl John, son of a farmer living near Mount Tabor. The boy later made a full con-fession to the officers and surrendered 14 in small change he had stolen, together with two revolvers he had bought with the purpose in view of holding up the postal station at Stewart. The robbery was an unusual one in that

the burglar got into the Charles Kadderly grocery store without leaving any clew to his manner of entrance or exit. He did not pick the lock or break a window. This puzzle was not solved until the diminutive culprit was arrested, and then he explained simply that he crawled in through a hole that seemed hardly big enough to admit the body of a full-grown cat. The boy might never have been caught except for the slight clew he left behind. It appears that af-ter stealing \$25.30 in small change from the cash till he began looking about fo something in which to conceal the money. Selecting a gaudy cigar box, he emptied it of cigars, leaving them on the floor. Sheriff Stevens quickly concluded that such an act would have been

cluded that such an act would have been performed by no one but a boy. While investigating the case yesterday afternoon the Sheriff learned that a boy had purchased two revolvers at a hardware store in the vicinity, paying \$\frac{5}{2}\$ for the weapons. In a few hours he located the purchaser of the weapons in young John. The lad at first denied having done anything wrong, but when closely questioned he got tangled up and finally confessed. He had the money and guns buried in a vacant lot and dug them up for the officers. When taken to the County Jail he admitted having planned to rob the Stewart postal station. He and another boy were going to hold up the another boy were going to hold up the postmaster one night this week and use the money in buying a railroad ticket to Canada, he said. The youngster is thought to be a victim of dime novels, although he denies having read any Deadwood Dick literature. He will be turned over today to the Juvenile Court authorities.
