### PAY TRIBUTE TO PROCTOR

Senate and House Honor Memory of Late Statesman.

WASHINGTON, March 5.—A marked tribute of respect was accorded the memory of the late Senator Redfield Proctor of Vermont, by the United States Senate today. The reading of the Journal was only begun when Senator Dillingham, of Vermont, arose and, asking that it be dispensed with, referred in tones that indicated deep emotion to the great bereavement that had come upon the Senate, the State of Vermont and the country by the passing of a man who for so many years had been in the public eye.

tee consisting of Senators Dillingham, Daniel, Gallinger, Perkins, Talliferro, Overman and Hemenway to attend the funeral.

In the House the proceedings were brief. While waiting for the official announcement of Senator Proctor's death a couple of bills of minor importance were passed.
