

# BAGPIPES WILL STIR THE BLOOD

### Scotch Show Interest in Soccer Game With English Team This Afternoon.

### CONTEST AT 3:30 O'CLOCK

### Scotchmen Are Favorites in the Betting in View of Former Victory.

This May Be the Last Game of the Season.

An illustration of the progress association football has made in Portland in the past 12 months is visible in the opinion of numerous local soccer "sharks," who aver that the teams selected this year to represent England and Scotland in the annual international series are fully 50 per cent stronger than those which played the internationals last year. Part of this increase in strength has been gained by the arrival of new players, but much of it is due to the improved combination that developed among the men as they became accustomed to one another.

The newcomers have had to be good to win places and the following list of men on the two teams this year who were not on last season's roster shows how many classy players have come to Portland or have taken up the game inside the year: Bennett, Dick, Stevenson, Andrew Matthews, K. Mackie, Hanson, Lawrence and McNicholas. Of the remaining 14 men who will appear tomorrow, Dean, Jago, Hughes and Short played little last year. Only about half the men are thus taken from the veterans who were among the first association boosters in Portland.

The music of bagpipes will again stir the fighting blood of the Scotch this afternoon, that the English will have a fine and drum band to offset the disliked music of their rivals is rumored. In view of the Scotch victory two weeks ago, betting is around 2 to 1 in their favor. Kickoff will be at 3:30, at the league baseball grounds, with M. G. Gorman, formerly of San Francisco, refereeing. It may be the last game of the '07-'08 season.

## MUSCATINES WIN A GAME

### Defeat Y. M. C. A. Basketball Five by a Very Narrow Margin.

That the Muscatines are a somewhat overrated team was the general verdict last night, when after a hotly contested basketball game they won from the Y. M. C. A. by three points. It is possible that had the whistle blown in the hands of a non-partisan draw would have been played, more nearly expressing the merits of the teams.

As a result of doubtful decisions on the part of the referee the local team was neglectful in marking its men and at least three times sacrificed baskets in this respect.

At the outset the Y. M. C. A. made fair to win, rapidly putting up 6 points to a solitary four throw made by their opponents. It was very noticeable that the Muscatines remained perfectly cool and left the association to do the hard running where possible.

The first half was conspicuous for the star playing of a new acquisition of the Y. M. C. A., Lurking under the basket he was responsible for several of the smartest baskets thrown, in particular making points out of a three-point secret. In the field which would have been creditable to any player. Towards the latter end of the first half the superior training of the Muscatines was secreted in the up to the lead held by the home team, finishing only a point behind, the score at the interval being 17 to 16.

With the resumption of play both teams threw their hearts into the work, and scoring on both sides, while steady, was remarkably even. With the points 9-9 a call of two fouls at once on the Y. M. C. A. rightly deserted the basket, which Physical Director Griley at once suppressed. At the best, this was one of the doubtful cases where the referee used his power rather unwisely.

After this the home team threw away two baskets, allowing the visitors to obtain them with ease. Within a few minutes, making a final rally, Portland scored again on a foul deposit, a moment later the whistle blew with a second-half score of 14 to 10.

Taken all in all it was one of the most exciting games seen in Portland for a long time and a big audience witnessed it. Williams in particular did well, but he was helped because all the team played up to him, and in this was one of the great secrets of the visitors' play. In foul throwing they did excellently, but with Hartman at the top of his form the difference in this respect was not so noticeable between the teams. Fisher, of the Muscatines, was referee.

The Muscatines are to be entertained by the members of the M. A. A. C. tomorrow.

The line-up of the teams was:

Portland.	Position.	Muscatine.
Paulson	Center	Kaune
Sturman	Forward	Phillips
Young	Guard	Williams
Gordon	Guard	Flynn
Fugh	Guard	Morgan

### DEFEATED BY THE CHAMPIONS

### Y. M. C. A. Second Team Beaten by Columbia at Basketball.

In a hot game with Columbia University, the holders of the intercollegiate championship, the Y. M. C. A. second team on their own floor were beaten by the score of 12 to 22 last night. At the beginning of the game the Aberdeen boys opened strong, securing a strong lead, Pauch being mainly instrumental in this, securing 12 out of a total of 15 points in the first half. Towards the end of the first half the schoolboys made things hum, finishing only a point behind the leaders.

The champions played a good game all around while, though bright in spots, the Y. M. C. A. were decidedly weak in marking their men, at one time allowing six shots to be taken at the basket, each one in quick succession. Livingstone held the whistle.

The line-up was:

## ALBANY GIRLS CHAMPIONS

### College Bloomer Five Defeats the O. A. C. Invincibles.

ALBANY, Or., March 6.—(Special.)—By the decisive score of 14 to 5, the girls' basketball team of the Albany High School won tonight from the hitherto undefeated girls of the Oregon Agricultural College. The victory came as a great surprise, and virtually gives Albany High School the championship of the state, as Albany has won the honors of the Willamette Valley High School League and the O. A. C. has won all its games among the colleges.

The game was one of the fastest and fiercest contests ever played in this city. For the first five minutes great defensive work prevented scoring and then Albany started whirlwind playing and rolled up a 10-to-0 score on the surprised collegians in the first half. The playing was harder in the second half with a 4-to-0 score in Albany's favor. Albany scored six field goals, while O. A. C. made only one, the other scores being made from the foul line.

Thayer and Bendling were Albany's

captains. Albany's record is 10-0. The O. A. C. record is 1-10.

### FRENCHMAN'S 100 MILES

### Bernin Beats Earp's Record of 1906—Cedrino Travels Mile in 34 4-5 Seconds—Speed Trials Along the Sands.

ORMOND, Fla., March 6.—Two records were broken at Ormond Beach today. M. G. Bernin, in a 50-horsepower French car, covered 100 miles in one hour, 15 minutes, 55 seconds. The old record was one hour, 15 minutes, 56 1-2 seconds, established on Ormond Beach in 1906 by Walter Clifford Earl in an English car.

Cedrino won the mile event, rolling start, in 34 4-5 seconds, out-distancing the French car by 60 yards.

Bernin, driving a French car, made a mile, flying start, in 39 1-5 seconds. Cedrino in a 60-horsepower Italian car, drove one mile, flying start, in 34 4-5 seconds. This breaks the middleweight record for gasoline cars, which stood at 40 3-5 seconds.

The two-mile-a-minute race, in which was stipulated that the winner must equal or exceed a speed of 120 miles, was one of the most interesting events on the life day's programme. The distance for this race was two miles.

Record speed trials for a mile and a kilometer and a sweepstakes 100 miles race between American, French and Italian cars completed the day's programme. The beach was in fine condition and the weather was favorable.
