IMPROVEMENTS IN KENILWORTH—The Kenilworth Improvement Association has succeeded in starting a number of important improvements including the grading of Gladstone avenue, 50 feet wide, between East Twenty-sixth street and Ivanhoe, a distance of more than one mile. It is also expected to extend to Gladstone avenue to a connection with East Twenty-first. Stakes have been set for the improvement of Francis avenue and work will be started on it in a few days. The improvement of cross streets, including East Thirty-second, East Thirty-fourth and Kenilworth are also projected. East Thirty-second street will be extended to Holgate street, which will open a street to the Oddfellows' Home.

Another big improvement is the \$100,000 tenement building projected by Thomas Mills, who recently secured a tract in the Waverleigh Addition and who is negotiating for more land. Mr. Mills will address the Kenilworth Improvement Association Monday night, March 16, in the Kenilworth Presbyterian Church when he will explain his plans in detail.

LETTER FROM PRESIDENT CAMPBELL—The Board of Trade yesterday received a communication from President Campbell of the State University, at Eugene, acknowledging receipt of resolutions recently passed by the Board in favor of a liberal appropriation for the State University. President Campbell expresses his gratification at the interest which is being taken in behalf of the institution and adds: "It is a matter of great encouragement to us to know that the commercial bodies of Oregon all realize the extreme importance of not allowing the university bill to fail. It would be a calamity to have such a thing happen. The whole country is watching the outcome of direct legislation in Oregon, and an adverse vote on the educational appropriation would be heralded throughout the length and breadth of the United States as conclusive evidence of our backwardness."

CLUB TO BACK MANLEY—For the purpose of assisting in the nomination and election of A. B. Manley as State Senator, 27 enthusiastic Republicans attended a meeting in Adkins last night and perfected the organization of a permanent Republican club. Another meeting will be held next Friday at 8 P. M. Manley will be selected for the club and the presiding officer will announce the appointment of an executive committee of nine members. Officers were elected last night as follows: President, T. W. Freedland; secretary, J. C. Jamerson; treasurer, Herman Eberhart; R. E. L. Simmons, R. E. Menefee and J. F. Wilson were appointed a committee on constitution and by-laws with instructions to report at the meeting Friday night.

FORMS GERMAN SOCIETY—Otto Kleemann, the president of the Consolidation of German-Speaking Societies of Oregon, returned yesterday from the Dies, where he organized a branch of the German-American Citizens' Alliance at a mass meeting Sunday. Rev. A. Bronckorst, vicar of Eastern Oregon, and 20 German citizens signed up as charter members of a society that was given the name of Deutscher Verein. Hans Hanson was elected president; Henry Herberich, vice-president; Theodor Kuehn, treasurer; Paul Lemke, secretary. Mr. Kleemann says that it is expected the membership will be brought up to 150 during the present month.

JAPANESE PROGRAMME GIVEN—Opening of the Spring term of classes in the Young Women's Christian Association was celebrated last night with a Japanese programme. Mrs. Charles E. Ladd, who is an amateur photographer of considerable renown, presented a series of pictures of life in Japan. The slides were colored and were handled by George M. Wheeler. Miss Kibara, a Japanese missionary who has been in Portland for some time, sang a number of songs in her native tongue. COLWELL OPPOSES STATEMENT No. 1—Elmer B. Colwell stated to the Oregonian yesterday that he would in due time file his petition as a candidate for State Senator from Multnomah County in the next Legislature. He said "I will go before the voters of this county standing squarely on the platform of the Republican party as adopted by the recent county convention. That platform declares that the members of the Legislature should not make a pledge that would require them to support a Democrat and virtually instructed those elected on the Republican ticket to vote for that person for Senator who is 'the Republican voters' choice.' I was a member of that convention and I endorse that doctrine then and I endorse it now, and I will stand on that platform before the voters at the primary and if selected as a candidate will go before the people at the June election with that understanding. Among the other planks of my platform I shall declare in favor of a rigid state and municipal control of public utilities; a consolidation of those state educational institutions maintaining practically the same course of study; stringent banking laws for safeguarding the public and depositors; and a high bridge over the Willamette."

YOUNG MAN DIES AFTER LONG ILLNESS—The late Horace J. Bowen, 24-year-old son of Mr. and Mrs. E. J. Bowen, died at the home of his parents, 226 Larabee street, on Saturday evening, March 7, after a long and painful illness. Mr. Bowen had been in the employ of the Pacific States Telephone Company for the past seven years in the main office, and was greatly beloved by all who knew him, being of a very bright and cheerful disposition. The funeral will take place from the family residence on Wednesday, March 11, at 2 P. M. Interment will be at Lone Fir cemetery.

SELLWOOD DISCUSSES SEWERS—Sellwood is hopefully divided over the installation of a new sewer system, as was shown at a meeting of the Sellwood Board of Trade last night. There was much opposition to the plan of City Engineer Taylor, who divided the suburb into two sewer districts, one on each side of Fifteenth street. For the east district he proposed to provide a sewer to empty into a septic tank, and for the west district a combined system to empty into the Willamette River. A vote was again taken by property-owners present from the east district last night and it was unanimously against any sewer, but this result is not final. The contention was raised by E. A. Austin and others that Sellwood ought to have one system or none at all. Mr. Austin contended that if the west side district were provided with sewer and the east side were not it would put a serious matter was left unsettled and will be taken up again next Monday night.

BAPTIST MINISTERS MEET.—At the Baptist ministers' meeting yesterday considerable discussion was given to the matter of the penny arcades, particular reference being made to the one maintained in the waiting-room of the Oregon State Power & Railway company. Several of the ministers present expressed the opinion that these places of cheap amusement contain pictures which are entirely unfit for the public to view and that a closer inspection should be made by the Police Department. A committee was appointed to investigate the question further and report at the next meeting.

BAUER A GREAT FAVORITE

Pianist Very Popular Here and His Visit Eagerly Anticipated.

Harold Bauer's reception, when he appears with Kreisler Tuesday evening, March 17, at the Heilig Theater, will be a warm one, for the artist is one of the greatest favorites of the local musical public. Bauer played here last in October, 1905, and The Oregonian then said of him: "Last night Harold Bauer, the world-renowned pianist, gave a recital before a most representative audience, and won a positive triumph. He is without doubt a wizard of the very first rank, with few to dispute his right to that title. One pianist may be remembered for his warmth and coloring, a second for his poetry, a third for his eccentricity, but Bauer will be remembered for his wealth of technique, sanity, tone and soul."

DO YOU THINK YOU'LL GET THE TEN DOLLARS?

There's no reason why you cannot get it. Every one has an equal chance. The principal thing for you to do is to be original.
