The total tax roll for this year amounts to \$1,25,564. It is estimated that only about \$300,000 of this remains to be paid. The to Saturday night the total receipts were \$2,425,000. This \$300,000 does not become delinquent until April 6. By payment of half the tax much of this amount will be extended to October 5. When the taxes become delinquent April 6, 10 per cent additional must be paid, and 1 per cent a month will be added thereafter until they are paid. The tax department was open until a late hour last night.
