GETS NO IMMUNITY

Luce Gains Nothing by Confession of Rebates.

WEBB MAKES FACT PLAIN

California Law Unlike Federal. Southern Pacific Hearing Delayed Till Santa Fe and Salt Lake Roads Are Heard.

SAN FRANCISCO, March 17.—With the conclusion this afternoon of the examination of G. W. Luce, general freight agent, the State Railroad Commission, at the request of Attorney-General U. S. Webb, continued the investigation of the change of rate discrimination against the Southern Pacific until April 20, to await the results of an investigation by the Commission of similar charges against the Santa Fe and the Salt Lake roads, which will commence at Los Angeles on April 9.

P. F. Dunne, representing the legal department of the Southern Pacific, strongly objected to the continuance, declaring that several delays had already occurred at the instance of the Attorney-General and that it was unjust to the Southern Pacific to leave the hearing "suspended in the air." Mr. Dunne contended that Mr. Luce, during his seven days on the witness stand, had fully explained the various special rates and the conditions and circumstances in which they had been granted, and he believed the railroad company was entitled to a speedy decision from the Commission.

Mr. Webb, however, stated taht he wanted to summon more witnesses and believed the investigation would be more complete after the Commission had heard the charges against the Santa Fe and Salt Lake roads.

Commissioner Loveland referred to a statement that had appeared in some of the newspapers that the placing of Mr. Luce on the stand had the effect of granting immunity, if guilty of any violations of the law, and asked Mr. Webb whether that were true.

"There can be no doubt that the placing of Mr. Luce on the stand and the taking of his testimony," said the Attorney-General, "in no manner results in the granting of immunity to him, if it is found that he has transgressed the law."

Mr. Webb explained that the present investigation, which is a sequel to the initial inquiry of Interstate Commissioner Franklin K. Lane, last October, was being held under state and not Federal laws.

The testimony of Mr. Luce today dealt with the special rates granted the California Wine Association and the dried fruit packers in the San Joaquin Valley.

VERMONT CENTRAL IS FINED

Must Pay $1000 for Granting Rebates on Coffee Shipments.

NEW YORK, March 17.—A fine of $1000 was imposed on the Vermont Central Railroad Company today by Judge Holt, in the United States District Court, on a plea of guilty to an indictment charging granting of rebates. The rebates were granted on shipments of coffee from Boston to the West. Six other counts will be quashed.

May Prosecute C. & O. Railroad.

WASHINGTON, March 17.—The Interstate Commerce Commission has asked the Attorney-General to bring criminal proceedings against the Chesapeake & Ohio Railroad Company for having favored certain shippers "at the expense of the Seaboard Air Line and Atlantic Coast Line," in the shipment of grain and packing-house products, and that the shippers thus favored gave to the Chesapeake & Ohio "all of the inbound business of the shippers so favored by it."

More Time for Illinois Central.

CHICAGO, March 17.—Judge Ball, in the Superior Court today, entered an order giving the Illinois Central Railroad Company until April 6 to file an answer, plea or demurrer, to the suit brought by H. W. Lemon, to enjoin the holding of 281,231 shares of stock of the railroad company by the Union Pacific Railroad Company and the Railroad Securities Company.

Relief for Kentucky Conditions.

FRANKFORT, Ky., March 17.—Governor Wilson will call a special session of the Legislature, probably next July, to enact legislation for the relief of the tense conditions in the tobacco districts.

LOSING GROUND IN LINN

Statement No. 1 Not Encouraged by Legislative Candidates.

LEBANON, Or., March 17.—(Special.)—H. M. Cake, of Portland, was billed to speak to the Republican voters and devotees of Statement No. 1 in Lebanon, on March 19, but owing to repairs being made to the opera house, the only available hall for a public meeting, he was compelled to give up the chance of meeting his following here.

The adherents of U'Renism are not as numerous here as they were a few months ago. The people seem to begin to feel that there is a close relation between the old-time Populism and Statement No. 1. The advocates of that part of the primary law in this part of Linn County are largely confined to two classes of politicians—one is the Democratic and the other is that body of Republicans who vote in the elections for Chamberlain. The Democrats do not believe in the principle of the statement, as evidenced by the fact that not one of those who came out for nomination for the Legislature two years ago signed it, or advocated it in the campaign. Senator M. A. Miller, the only Democrat elected from this county to the Legislature two years ago, refused to vote for it in the Legislature, and when the time came to vote for United States Senator, he found it convenient to be absent from Salem, and thus dodged the question.

Linn County being so evenly divided politically, there are probably enough Republicans who will not support a straight Republican ticket against the statement to allow some Democrats to get into the Legislature from this county. There is no question that a large majority of the Republicans of the county are against the statement. Thus far but two Republicans have come out as legislative candidates, and neither have signed any statement. The Democrats have also been slow in seeking legislative honors, and no Democrat has announced himself for the Legislature.

Vancouver Barracks Notes.

VANCOUVER BARRACKS, Wash., March 17.—(Special.)—The retirement of Captain George L. Goodale, quartermaster, from active service in the Army, under the requirement of an act of Congress governing such cases, is announced to take effect March 7, and upon that date he was placed upon the retired list of the army with the rank of Major.

Captain McMannus McCloskey, Fourth Artillery, has been assigned to the command of Battery B, relieving Captain Lansing, who is commissary of the post of Vancouver Barracks.

Second Lieutenant John G. Tindall, recently promoted from the ranks, has been assigned to Battery B, Fourth Artillery, at this post.

Second Lieutenant F. M. Barrows, recently appointed to the Army from civil life, has been assigned to Battery A, Fourth Artillery, at this post.

Second Lieutenant Joseph C. Hattie, recently promoted from the ranks, has been assigned to the First Infantry and will await at Vancouver until the arrival of his regiment in July.

URGES PROFICIENCY IN DRILL

Cadet Commandant at O. A. C. Offers Prize for Best Work.

OREGON AGRICULTURAL COLLEGE, Corvallis, March 17.—(Special.)—The cadet regiment will make an effort this year to raise its record with the War Department, at Washington. The standing in the past has not always been up to the average. There have been occasional adverse reports. Captain McAlexander, who was United States inspector of military colleges last year, came to the college as commandant in September, and has since been active in promoting the drill exercises. Yesterday he had a heart to heart talk with the cadets with reference to this Spring's inspection and succeeded in enlisting wide interest in a higher standard of work. He has offered a banner each to the best drilled squad, to the best drilled among the 12 companies and to the best drilled of the three battalions. The annual inspection by the United States inspector will take place early in May.

Denied Right to See Convict.

SALEM, Or., March 17.—(Special.)—Because Superintendent C. W. James, of the Oregon Penitentiary, refused to permit Attorney L. H. McMahan to confer with a convict, there is promise that the rights of an attorney in this respect will be tried and determined by the courts. The controversy which presents the issue took place at the prison this morning. After a rather warm interchange of opinions McMahan was ordered off the prison grounds and he left. If he can find any law giving him the right to confer with a prisoner he will bring mandamus proceedings to enforce the right.

Rankin Must Pay Commission.

EUGENE, Or., March 17.—(Special.)—Early this morning the jury in the case of H. C. Mahon vs. M. B. Rankin to recover $42,500 as commissions on timber lands in Lane and adjoining counties, which Mahon claims he did his part to sell but defendant failed to carry out his contract, brought in a verdict awarding Mahon $42,479.60.

REMOVE PATRIOT'S STATUE

To Be Taken From Capitol to the Smithsonian Institute.

WASHINGTON, March 17. After undergoing a lot of criticism as to its artistic merits the heroic Greenough statue of General George Washington, which for 67 years has stood in the plaza of the east front of the Capitol, was today ordered by the House to be removed to the Smithsonian Institute. The motive is the protection of the statue against further ravages of the elements.

Astor made his money buying real estate all over New York when it was low, and other young men were frivoling away their earnings; be a second Astor.
