### RAILROAD MAY LOSE LAND

**NORTHERN PACIFIC'S TITLE TO BE INVESTIGATED.**

**Montana Miners Induce President to Name Commission to Decide Alleged Fraudulent Claims.**

HELENA, Mont., March 18.—Upon statement made to President Roosevelt by a special committee from the Montana Miners' Association concerning alleged fraudulent classifications by the commission appointed under the McKinley regime in relation to the mineral lands of the Northern Pacific Railway, the President has instructed the Secretary of the Interior to make a thorough investigation of the charges.

J. A. Rowand, who was chairman of the committee, said tonight that Mr. Garfield assured him that a commission will be appointed to conduct an investigation during the coming summer at some strategic point in the state. Sixty instances of alleged fraud were presented to the Federal officials by the commission and upon his return to Helena today, Mr. Rowand found 23 other cases. Title to millions of acres of Montana land, the value of which is almost incalculable and the possession of which has been claimed by the Northern Pacific, is now brought into question. Miners from all over the state have combined to defeat the claim of the railroad to these lands, and they are making special efforts to secure evidence in those cases where the railroad was victorious before the former classification commission in contentions with resident claimants. ### ROBS DUMMY OF CLOTHES

**DARING BURGLARY IN WINDOW OF TACOMA STORE.**

**Confederate Watches While Thief Strips Brilliantly-Lighted Window of Clothes and Jewelry.**

TACOMA, Wash., March 18.—(Special.)—While a confederate stood in front of the building to give warning should a patrolman appear or pedestrian pass, a clever and daring burglar stood in the window of the New York Outfitting Company's store on South C street last night for fully 15 minutes and undressed a dummy, taking an entire suit, and afterwards obtaining a large amount of jewelry, which was also displayed in the brilliantly-lighted window.

When the proprietor opened the doors this morning he found that about \$250 worth of clothing and jewelry had been stolen. The thief evidently knew just what he wanted, for he passed up hundreds of suits on a display table to secure the one in the window.  
That the burglar took time to change his clothes in the store is shown by the tickets torn from the suits stolen.

OLYMPIA, Wash., March 18.—(Special.)—A warrant was issued today for the arrest of J. T. Thacker, a well-known politician of this city, on complaint of E. M. Troy, Prosecuting Attorney for Thurston County, charging him with grafting. Five different complaints were filed.

This money is said to have been paid in October, 1905.  
Other complaints were for grafting from the big gamblers of the city, taking \$50 to \$75 each time to protect them.
