### SENATOR DAVIS ATTACKED

Hit With Bat and Is Arrested. Charged With Assault.

LITTLE ROCK, Ark., March 31.—United States Senator Jefferson Davis

and Deputy Prosecuting Attorney Thomas Helm had a street altercation today. Later Mr. Davis was arrested and charged with carrying a revolver and with murderous assault.

Mr. Davis made the following statement:

"Helm attacked me from the rear as I was going to my office, using a

loaded bat, which was attached to his wrist by thongs of leather. This is an attack such as I have warned the people of Arkansas would be made by political rings of Little Rock to further their desires. Helm simply acted under instructions of his superior."

Davis, it is alleged, charged in the recent campaign that Helm received

\$1000 when Charles Hartley, of New Albany, Ind., was robbed here last year of \$6000.

Lord Cope, who recently entered his 46th year, enjoys two earldoms, two viscounties and three baronies in the peerage of Ireland, but he has no seat in that country and is himself of English descent.

### SWINDLE CITY OF MILLIONS

Immense Volumes of Water Frauds in Chicago.

CHICAGO, March 31.—The city council decided last night on the investigation of

graft in the water department. The aldermen adopted a resolution directing that all evidence of misconduct of the department's employes be sent the council committee. Superintendent McCourt, of the water bureau, gave out an estimate that the city has been defrauded of about \$500 in water taxes in the last 12 years. The exact amount will be determined by

the investigation of the books of the office, which will be completed in a few days. He estimated the city had lost \$5,000,000 through the corrupt and incorrect assessment of frontage rates, and \$1,000 in stolen material and tools.
