De Miracle Cream and Soap

Introductory Sale and a Gift

There are two basic kinds of toilet cream—the cold cream of general use—greasy—and flesh-food cream—grease-less. There are grades of each class, and we've just had the best chemist in Philadelphia analyze De Miracle Cream to substantiate the makers' claims of its purity and excellence. He does substantiate them.

Creams do most good when they have a good soap as a fellow. So the De Miracle Chemical Co. produced a careful toilet soap.

To introduce both the cream and the soap to Portland women with the assurance that analysis gives us of doing a good work, we will for a day or so sell—

A 25c Jar of Cream for 25c

and absolutely give with each jar a 25c box (3 cakes) of De Miracle Toilet Soap.
