INDIAN TO BE TRIED

Larkey Logan Must Answer to Manslaughter Charge.

CASE SET FOR APRIL 14

He Is Accused of Fatally Stabbing Another Redskin—Other Criminal Cases Pending Before Federal Court Set for Trial.

The first criminal case to be tried at the April term of the Federal Court, which convenes next Monday, will be that of the Government against Larkey Logan, a Sisseton Indian, who has been indicted on a charge of manslaughter. Logan is charged with stabbing fatally another redskin named Gardner. This case will be called before a jury Tuesday, April 14. On the same day has been set the case of the Government against K. Sumida, a Japanese, who is charged with importing alien women into this country.

On the following Monday, April 20, the case against E. H. Wells, J. N. Sawyer, Frank Caviness, M. J. Dorsey and J. A. Sheehan, alias Edward Sheehan, charged with using the mails for fraudulent purposes, will be called. The members of the quintet are accused of having received through the mails several hundred dollars' worth of spurious bank notes of the issue of the Merchants & Planters' Bank, which were afterward passed on lodging-house proprietors in this city. Sheehan has applied for a separate trial, but objections having been made by District Attorney McCourt, the application will be argued further some time before the date set for the trial.

Democrats Will Decide Policy in Campaign.

CHAIRMAN CALLS MEETING

Central Committee Will Settle Question on Which Party Is Divided.

Whether Democrats in Multnomah County are to go through the primaries in days hence without nominating a ticket is worrying the leaders of the unaffiliated but not a little these days. Only two Democrats have filed petitions for nomination on the county ticket—Tom Word for Sheriff and W. C. Farnham for State Senator.

To determine whether the party shall go out to meet the Republicans with a full list of candidates or shall stay in its tent, George H. Thomas, chairman of the county central committee, yesterday called a meeting of the committee for next Thursday at 5 P. M. in Alinsky Hall. The notices sent to each member of the committee reads:

"Should the Democrats have a complete Democratic ticket, to be voted for at the primaries to be held on April 17, 1908?

"To determine the above question a meeting of the Democratic county central committee is called to meet."

Thus far the element that wants no complete ticket has dominated party opinion. But another element, that wants the party never to tie down before the Republican forces, has been stirring for a party ticket. Not long ago this dissatisfied crowd caused the Kentucky Kick to put out a ticket for nomination, beginning with George E. Chamberlain for United States Senator and ending with N. J. Grafion for Constable.

It is evident that the forces opposing a ticket are trying to submerge party issues, in order not to arouse Republicans to the extent of rejecting Chamberlain for United States Senator. They are trying to make Statement No. 1 the sole issue and to pledge Republican candidates for the Legislature to vote, as to United States Senator, not for the Re-

Six New Citizens.

Final citizenship papers were issued yesterday in the United States Court to the following named persons after they had fore sworn allegiance to foreign potentates and had taken the oath as citizens of the United States: Joseph Sadowski, John Nestor Lundin and Stanley Turkel of Russia; James Muldoon and Stephen Richards, of Great Britain; and Victor Anderson, of Sweden.

SAN PEDRO, Cal., April 6.—It was announced today that Thomas Nelson, tax collector of San Pedro, had defaulted, but in what amount was not made known, owing to an incomplete examination of his books, which are expected to show a heavy shortage. Nelson was arrested in Los Angeles and made a practical admission of guilt, stating that he had lost money at the Arcadia race track. He had lived an exemplary life and was a member of a church choir.

People who live in and around Evanston that \$400 for a full-size lot in a slightly place like Evanston is at least \$200 below the market. We think so too, but the Stanton Company has instructions to sell the entire tract before the first of the month; that is why they have made such big cuts in prices—\$100 a lot, \$15 a month payment. Lots in adjoining tracts are selling for \$600. Why pass up? That's a civil question. The Stanton Company, 29 Stark street.
