nt of Illuminating oil, gasoline and naphtha coming into Oregon, before put in the hands of jobbers for sale, hears the brand of the Washing ton Inspector, Said Mr. Clark yester day

"In addition to my duties requiring nspection of all illuminating oils, gas-line and naphtha for sale in the State

of Washington, I am called upon to inspect and brand all shipments of these commodities coming into Oregon, Nevada, idaho and Afaska, Of course, the State of Washington cannot legis-tic for another and state of the state of t ate for such requirements for the nd ioining states, but the fact is that re-tailors in these articles demand that ur brand shall be on the goods before they will undertake to handle them.

"Our department maintains deputies at Portland, Spokane, Scattle, Belling-ham and Aberdeen, and I personally visit this city about once a menth and the adjoining states to inspect ship-ments. The deputy in Portland is C. A. Woelfren, whose office and testing apparatus is in the Allsky building. "The Washington requirement for standard is 120 degrees for 'flash' or freproof, and 42 degrees gravity. If we atte the same standards required in this and other states of the country. If products do not test at these stand-ards, it is our duty to decline to brand them as tested, in which cause they may be sold in the places where received from the refiners, but caunot be sent into the State of Washington without violation of our laws. Our department maintains deputie

Dregon requires that the Food and

Drogon requires that the food and Dairy Commissioner shall make tests of these oils in order to determine whether they are up to standard, but I understand the Legislature has made no provision for salary and expenses of deputies; so that I cannot see how the

Commissioner can give the necessary attention to this important matter. "The department of which I am the chief has an appropriation from the State of Washington of \$10,000 a year, which covers salaries of myself and deputies and biocations durants covers salaries of myself and deputies and laboratory expenses. Last year there were tested and branded 1.500,000 gallons of the oils and products mentioned, and I turned into the state treasury \$25,000. This year I expect the figures to be nearly doubled. As to the inspection and branding done in other states than Wash-ington that state also hears the scenes.

randing done in other states than wash-ngton, that state also bears the expense. The importing companies pay fees for his inspection, and whether the work is lone here or in Washington, packages searing our brand are accepted by desi-

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Symp Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the appoval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of-Syrup of Figs-and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of-Syrup of Figs and Elixir of Senna-as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs-and to get its beneficial effects always note, when purchasing, the full name of the Company - California Fig Syrup Co.plainly printed on the front of every package, whether you simply call for-Syrup of Figs-or by the full name-Syrup of Figs and Elixir of Senna-as-Syrup of Figs and Elixir of Senna-is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name-Syrup of Figs-which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
