WHY WOMEN SUFFER

Women have so mu In life that it is a pity there is so much needless suffering from backache, headache, dizziness, languor and other common aches and ills of kidney complaint.

Doan's Kidney Pills have brough; new life and strength to thousands of women afflicted in this way. Women are prone to kidney trouble. They have so much indoor work to

do, so much lifting, bending and stooping, they are bound by custom to tight, heavy clothing. They get liftle outdoor exercise, and any liftle cold may bring on a kidney weakness.

Don't worry if you feel tired and dragged out—if you have backache and bearing-down pain, headache, dizzy spells, falatness and lark ambition; Don't think it's come trouble peculiar to the sex. Men suffer in the same why when they have kidney trouble.

Ask yourself this question: "Are my kidneys well!" The condition of the kidney secretions may give you an answer. If these is a brick-dust sediment, or a stringy settling in the urine; if passages are too frequent and coplous, or scanty and painful, it is time to begin using Doan's Kidney Pills. Delay may run you into Bright's disease or diabetes. do, so much lifting, bending and stoopdisease or diabetes.

Doan's Kidney Pills are a special

medicine for the kidneys, and do not affect the bowels or any other organs.
There is not a particle of poison in them—just the pure roots and herbs that Nature intended for curing the kidneys.
Doan's Kidney Pills cure every form of kidney trouble. Read the testi-mony of a woman of your own city, perhaps a neighbor.

Portland Testimony

Mrs. A. S. Cummings, 244 Clackamas street, Portland, Oregon, says: "I am always pleased to say a good word for Donn's Kidney Pills and readily confirm the statement I gave some years ago in their favor, after they had relieved me of kidney trouble. This complaint had clung to me for a long time, plaint had clung to me for a long time, and often the attacks of pain in my back were so attute as to be almost unbearable. There was also a dult, heavy aching in the region of my kidneys, and though I was constantly using remedies, the annoyance still continued. The irregular action of the kidney secretions showed that my suffering arose from the kidneys, and when Dozan's Kidney Pills were recommended to me, I proquired a supply at the Laue-Davis Drug Co. They not only eradicated the pains in my bank, but strengthened the kidneys and improved my health."
