

GRAIN EXPORTERS ACCEPT SCHEDULE

Dockworkers to Be Paid at the Rate of 35 Cents an Hour, 50 Cents Overtime.

STRIKE DECLARED OFF

Matter Adjusted at Exporters Meeting, and Shippers Agree to Concede 5 Cents an Hour for Overtime—Work Is Resumed.

Grain exporters and dockworkers have agreed on a wage schedule for the coming year and the strike which began yesterday morning is declared off before daybreak in the office of Kerry, Wilford & Co., the exporters' agent.

The wheat season for 1907-8 is practically at an end. The sailing craft in the river, seven are chartered for export grain, three are loading lumber and eight are on the discharge list.

The outlook for next season is good. A number of vessels have been chartered for autumn loading at full tonnage. While the price of grain will probably be less than it was during the greater part of this season, rates will hold firm and there will be an immense quantity of wheat set aside from Portland.

ALMOST A MIRACLE

His Body Distorted and Racked With Rheumatism for Two Years This Young Man Now Walks and Works.

For a generation Dr. Williams' Pink Pills have been curing rheumatism and other diseases caused by poor blood and during that time certain cures have been published that were so marvelous in their nature that they have been termed modern miracles. Such a cure was that of Charles Calhoun, Jr., now living at Capron, N. Y., and employed in a mill there. The facts in the case are widely known in the neighborhood in which Mr. Calhoun lives and the cure is regarded locally as nothing short of miraculous.

When the Calhoun family was living at Winfield, N. Y., some years ago the young man was taken sick. "Our family doctor pronounced it inflammatory rheumatism," says Mr. Calhoun, "and he attended me for about a year. For nine months I was confined to the bed and in such agony that I could not bear the weight of the sheets nor to have anyone touch me. I could not move myself at all.

"The rheumatism was complicated with nervous trouble resembling St. Vitus' dance, my limbs and head jerked and I suffered all the agonies possible. Blisters were applied to my knees until they left scars but I could not feel them. My fingers began to draw out of shape and got stiff.

"In spite of the doctor's treatment and all the medicine I took I kept getting worse. My feet swelled so that I could not get a stocking on and I could not straighten up at all. Finally the doctor told my father he could do nothing more for me.

"At this time Dr. Williams' Pink Pills were recommended to me and I found relief in the first box. After taking three boxes I could walk. I continued to take them steadily until I was cured. That was in 1896. I have worked every day for years now and am entirely well and have no trace of my old trouble whatever."

Our free pamphlet, "Diseases of the Blood" gives further information about the treatment of rheumatism.

Dr. Williams' Pink Pills are sold by all druggists or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

JEWISH FEAST TOMORROW

Passover Will Be Fittingly Observed in Portland Synagogue.

Beginning tomorrow night at sundown, the Feast of the Passover, one of the oldest festivals in the Jewish calendar, will be observed in the local synagogues. During that period unleavened bread is eaten, in memory of the hasty provisions made in the hurried flight from Egypt.

The feast is prescribed in the 12th chapter of Exodus, and was a national feast of the Jews until the destruction of the Temple on Mount Zion. At the celebration of the Passover, in ancient days, pilgrims gathered in Jerusalem from near and far, indulging in hope that at the next gathering the Messiah would rise to restore to them their former glory. It was while celebrating this feast that Jesus was taken by the Roman legionaries.

Special Passover services will be held at Novah-Zedek Talmud Torah Synagogue, Sixth and Hall streets, Wednesday night, at 7:30 o'clock. The morning service will begin at 9 o'clock, Rev. Dr. H. W. Heller officiating. On Thursday evening Dr. George Rubenstein will speak on "Civilization and Our Redemption."

Concert for Seamen.

The concert at the Institute of the Portland Seamen's Friend Society last night was of a very high order. The program was in charge of D. E. Bowman and each number received hearty applause. Mr. Bowman and Dr. McMichael are both favorites with the sailors and received the usual number of encores, each responding several times. Miss Barton's violin work was very fine. Mr. Goodenough's piano playing pleased the audience immensely. The recitations by little Jeanette Findley were excellent. She has marked talent. Miss Glance has a beautiful voice, and the sailors encored her again and again. The program was a success.

WEAK MAN

DON'T FAIL TO READ THE FOLLOWING:

To you get up in the morning tired, a weighty feeling deep in your head, with heavy eyes, a general sense of weakness all over you? Does your back ache? Are you perpetually tired, with disinclination for either mental or physical exertion? Are you tortured by an extreme hunger that when you attempt to eat turns to a loathing of food? Do you experience a cold and cold flashes up and down the spinal column, and a palpitation of the heart, sleeplessness, extreme nervousness, a constant nervousness, or something that you are unable to identify? Are you oppressed at times with a nameless dread—as if of some impending danger?

A SERIOUS CONDITION. If you have any of the above symptoms you are in a dangerous condition. The cause of your condition may be due to a congested, enlarged or inflamed prostate gland, an incurable contracted bladder, or varicocele. Unless the disease is repaired and the tremendous waste of energy stopped, the vitality of the body will be exhausted. It is imperative, therefore, that the sufferer from Weakness should seek effective medical aid in the quickest possible time.

Thousands of men are thus rendered hopeless wreckers, who, if THEY HAD COME TO ME IN THE FIRST PLACE, would today be strong, healthful men, happy in the enjoyment of family life, and free from the warning to ring in the ears of every ailing man, STOMACH DISEASES WILL NOT CURE YOU. SCIENTIFIC BELTS ARE DANGEROUS. MEDICAL ADVICE IS NOT ALWAYS WISE. ONLY INDIVIDUAL TREATMENT OF SCIENTIFIC METHOD, APPLIED TO THE SEAT OF THE DISEASE BY A DIRECT METHOD THAT TAKES INTO ACCOUNT THE PHYSICIAN'S CONSCIENCE AND THAT PROVIDES FOR ANY COMPLICATIONS THAT MAY EXIST, CAN EVER CURE AND PERMANENTLY RESTORE TO YOU THE VIGOR AND BUOYANCY OF PERFECT HEALTH. Such a treatment I have.

I Will Guarantee You a Cure and You Can Pay Me When You Are Well

I have employed this Direct Method treatment without a single failure for over 25 years in the cure of men's diseases. It is my own original treatment and is known to no other physician. You do not take a single day from business. There is no doubt or guesswork, but absolute certainty of a thorough and lasting cure. If you are unable to that degree of health and vigor that existed before the disease began.

VARICOCELE

I cure any case that I accept in one week's time. My treatment is a painless one and in most instances the patient need not be detained a single day from business. There is no doubt or guesswork, but absolute certainty of a thorough and lasting cure. If you are unable to that degree of health and vigor that existed before the disease began.

STRICTURE

My treatment for Stricture is absolutely painless, and perfect results can be depended upon in every instance. I do no cutting or dilating whatever.

CONTRACTED DISORDERS

Every case of contracted disease I treat is cured thoroughly. My
