BELMONT IMPROVEMENT BLOCKED.—The improvement of Belmont street with hard-surface pavement east from East Thirty-seventh street to a point 300 feet of West avenue is being held up by conditions existing on the blocks between East Thirty-seventh and East Thirty-ninth streets. This portion of Belmont was improved three years ago and cannot again be improved in less than another year unless property-owners consent unanimously. Beyond East Thirty-ninth street, 65 per cent of the property-owners have signed for hard-surface pavement. An effort will be made to secure the consent of the remaining owners. Eventually the street will be paved between East Twentieth and East Water streets. Meanwhile the Water Board will be asked to put down an eight-inch main on Belmont street.

REPUBLICAN VOTERS AND FRIENDS.—As a candidate for the nomination of District Attorney, I have endeavored to reach you in person and through the press in an open, frank and fair manner so that you could become acquainted with me and the principles I advocate. And believing as I do from the assurances given me that I will be nominated, I will therefore ask each of you to appoint yourself a committee of one to see that your vote is cast for No. 35, for District Attorney, Edward T. Taggart, on April 17. Having no political ring, faction, church, newspaper or boss to finance, boost or conduct my campaign or to represent or solicit for me at the polls, I respectfully solicit your individual support as a free American citizen.
EDWARD T. TAGGART.

LECTURE ON FATE OF NATION.—"What of the Nations? Whither Are They Trending?" is the subject of a lecture by C. W. Flaiz, of Minneapolis, to be delivered Wednesday night, in Masonic Temple, Yamhill and West Park streets. Mr. Flaiz will deal with the subject from the standpoint of the Bible and announces he will show that a captive Hebrew prophet more than 2500 years ago outlined the history of the leading nations of the world including our own and also revealed their ultimate destiny. The lecture will be illustrated by a chart.

MAY ENLARGE SCHOOL SITE.—J. H. Nolta and W. M. Killingsworth have been appointed by the North Albina Improvement Association to confer with the Board of Education as to a site for the high school to be erected in that district. Ground has been secured in the Patton tract, but in some ways it is not satisfactory. It may be made ample by vacating one or more streets and such a step is under consideration. The association indorsed Judge E. C. Bronaugh for re-election at its meeting Monday night.

PIONEER RAILROADER ILL.—Al Maxwell, a pioneer Portland railroad man, lies very ill at his home in this city, having been stricken with paralysis two days ago. Mr. Maxwell is well known by the older railroad men of Portland, as he came here in the old Villard days and was the first ticket agent appointed by the O. R. & N. At one time he was general passenger agent for that company. His many friends throughout the city will regret to learn of his condition.

GRANGE OPPOSED TO SINGLE TAX.—The tax commissioners of the State Grange will report against the proposed single-land-tax measure, at the meeting of the State Grange, Tuesday, May 12, at Eugene. The commissioners met at the office of the secretary, J. J. Johnson, Saturday and agreed on a report. Mr. Johnson thinks some changes in the tax system advisable, but believes that the present laws fully enforced would correct many supposed inequalities.

SEEK ANNEXATION.—An enthusiastic annexation meeting was held at the suburb of Nashville last night, which was addressed by L. A. McNary, Rev. G. C. Love and C. Ben Riesland, each of whom strongly advocated the affiliation of Nashville with the City of Portland. Mr. McNary, who was formerly City Attorney, told the citizens of Nashville how they should go about the task of putting the question to a vote at the June election. At the close of the meeting the candidacy of W. L. Lightner for County Commissioner was unanimously indorsed. During the meeting musical selections were rendered by Mrs. Frank H. Northrop, Mrs. Viola Crawford, Miss Helen Lightner and Frank D. Hennessy.

CLEAN UP THE EAST SIDE.—At the meeting of the Kenilworth Improvement Association Monday night, a resolution was adopted favoring a movement for a general cleaning up of the entire East Side, preparatory to the Rose Festival. It was proposed that every section of the East Side start a campaign along this line and keep it going until the entire territory has been thoroughly cleared of rubbish. A committee was appointed to bring the matter to the attention of the other push clubs. The Kenilworth club indorsed the location of the new Madison-street bridge at East Mill, East Second, Clay and Front streets. Petitions favoring this site have been signed by 2000 citizens.

EFFORT TO CHANGE PORT'S NAME.—Secretary Muller, of the Board of Trade, received a communication yesterday from E. L. Thompson, secretary of the Commercial Club, in which it was said that as the result of efforts made by the Board of Trade to have Congress pass an act changing the name of this Custom-House District from "Willamette, Or.," to "Portland," the matter would be brought before the board of governors at its next meeting. The letter indicated that the Commercial Club would support the Board of Trade in this matter by official action at the next meeting.

ARREST RESTAURANT MEN.—Thomas Poulson and Frederic Siderus, North Portland restaurant-keepers, are to be arrested for refilling labelled bottles of worcestershire sauce. Warrants for their arrest were issued out of the Municipal Court yesterday, charging them with violating the pure-food laws. It is said to be a common practice among restaurant-keepers to refill condiment bottles with preparations of their own and it is intended to prosecute all cases coming to the attention of the authorities.

LEG BROKEN IN RUNAWAY.—Mrs. E. G. St. Clair, 223 Milwaukie street, is in the Good Samaritan Hospital, suffering from painful injuries received Sunday afternoon in a runaway accident, on the road near Zion schoolhouse. Mrs. St. Clair sustained a compound fracture of one leg, near the hip. Mrs. St. Slair was driving with her son at the time the accident happened. A passing automobile frightened the horses, which ran, throwing Mrs. St. Clair into a ditch at the roadside.

FEET CRUSHED BY CAR.—Joseph Huggins, residing at Tremont Station, was severely injured while attempting to board an O. W. P. car for the city, a few minutes after 7 o'clock yesterday morning. He seized the rear guards of the inbound car, lost his hold and fell back, his feet landing under the wheels of an outgoing trailer, which passed over them. His left foot had to be amputated later at the Good Samaritan Hospital, where he was taken after the accident.

COMPANY REDUCES RATES.—W. A. Martin, who has been foremost in the fight for lower installation electric light rates for residents of the Peninsula, was notified yesterday that the Portland Railway, Light & Power Company has granted the minimum rate of $1 per month. PATRICK POWERS VERY ILL

Has Long Been Active Democratic Politician in Portland.

The condition of Patrick Powers, who has been confined to his home at 1008 Hawthorne avenue, for several days, is such as to cause considerable alarm among his intimate friends. Mr. Powers suffered a severe attack of rheumatism several weeks ago, and last Saturday he was attacked with pleuro-pneumonia. He is now so ill that no one, aside from the members of his family, is permitted to see him.

Mr. Powers has been one of the prominent figures in Portland politics for about 30 years, and has been very active in the Democratic party. Although an earnest worker for his party, Mr. Powers has never sought a nomination for any office. Mr. Powers has a large family, and most of his children were born and reared in Portland.

During the time Mr. Powers has been ill several suits for delinquent bills have been filed against him. His friends express their confidence in his ability to meet all claims as soon as he is able to look after his affairs. Mr. Powers is known to have valuable property interests in Portland, and because of this his friends declare that he will not be financially embarrassed.

TEETH HINDER WEDDING

BOXER CANNOT MARRY UNTIL DENTIST IS PAID.

Spokane's Crack Bantamweight Is Placed in Embarrassing Position by Athletic Club.

SPOKANE, Wash., April 14.—(Special.)—The wedding of Heine Ritter, the crack bantamweight boxer of the Spokane Athletic Club, is hanging fire while the board of trustees of the association wrestles with the question of whether it will advance $84 for a set of false teeth that a dentist made for the boxer, but which he will not surrender till the $84 is forthcoming. Ritter asserts that he lost the teeth while he was boxing for the honor and glory of the athletic club, and that the institution should pay the bill for having them replaced.

During the bouts of the Winter, Ritter lost three of his ivories, and a few weeks ago he went to a molarsmith and ordered a plate made. He instructed the dentist to make the best set he could. It was to be gold-trimmed, elegantly polished and artistically finished. It was after the teeth were completed that he broached the subject of the club paying for them.

"I do not see why the club should be held responsible for the loss of teeth by boxers," said President Emery, of the club, today. "The directors are going to discuss the question, however."

Meanwhile the wedding is postponed, awaiting the payment of the bill for the new dining-room furniture.

He was also executive officer of the Baltimore under Schley during the Chilean insurrection. More recently he served as secretary of the Lighthouse Board for about five years.

PLANS NEW ELECTRIC LINE

Dr. H. W. Coe Says He Will Build One From Pendleton.

PENDLETON, Or., April 14.—(Special.)—Dr. Henry Waldo Coe, of Portland, who recently took over the Furnish ditch and the 5000 acres of land to be reclaimed by it, announced this evening that next year he would take up the proposition of the establishment of an electric line from Pendleton to Irrigon. It will touch at Echo, Foster, Hermiston and Umatilla. Its route will be through that portion of the intermediate country which is now being reclaimed by Government and private enterprise. The proposed line will be about 52 miles in length.

GRANTS PASS GETS NEW PARK

Donated to City by W. B. Sherman.

Programme of Dedication.

GRANTS PASS, Or., April 14.—(Special.)—All Grants Pass took a half holiday yesterday to attend the dedication of the new park in the northeast part of the city, called Tuffs Park. The ceremonies included breaking of ground for the reservoir that will be supplied with pure water from a spring three miles distant. This was once the property of the Thompson Water, Land & Power Company, but fell into the hands of W. B. Sherman, who has given to the city a large and sightly acreage for park purposes.

The programme included an address by H. L. Andrews, secretary of the Commercial Club, and remarks by C. H. Clements, who gave the history of the land from the time of the donation claim by J. K. Jones and wife in 1854. The breaking of the ground for the reservoir site was done by T. P. Cramer, one of the Park Committee. The park was unanimously called Tuffs Park, in honor of the Tuffs family, who came to Oregon and settled in the Rogue River Valley in 1850.

To Francis J. Heney

PORTLAND, Or., April 14.—Dear Sir: Inasmuch as you have seen fit to attack me in a public address in a public hall in this city, permit me to ask you a few questions, which I should like to have you answer:

First—Is it not a fact that you stated to the jury in the Williamson case, and in other cases, that you were not getting enough money for trying the land-fraud cases to pay your office rent in San Francisco during your absence in Oregon?

Second—Is it not a fact that you have received already more than $30,000 for your services in the land-fraud cases and that you expect to receive in all as much as $100,000 for such services.

Third—Is not your statement that you were not getting enough to pay office rent an untruth?

Fourth—Did you not repeatedly state in your public addresses last Fall to the people in that city, prior to the city election in San Francisco, that there was no agreement directly or indirectly, expressed or implied, or any understanding or any agreement whatever whereby Abe Ruef should receive any consideration at the hands of the prosecution?

Fifth—Is it not true that Mr. Ruef at that time had a contract in writing and that W. J. Burns had a copy of the same, whereby he (Abe Ruef) was to receive full immunity in consideration of his services as a witness on behalf of the prosecution?

Sixth—Is it not now expressly admitted by the prosecution, including yourself, that there was such a contract, but that Abe Ruef did not testify as fully and as fairly as you expected?

Seventh—If you told the jury in the Williamson and other cases a falsehood about the fees you were getting from the Government and you told the people of San Francisco a falsehood about the immunity agreement with Abe Ruef, should the people of Oregon not hesitate about accepting your statements as being truthful with regard to Senator Fulton and others, including myself?

Eighth—If you told a falsehood to the jury in the Williamson case, are you to be believed now?

Ninth—If by your words and actions, you have convicted yourself of being a liar before the people of San Francisco, can you be a man of integrity in Oregon?

Tenth—When you made your address before an audience in the White Temple some time ago you promised to tell a "great deal" more about Senator Fulton before the election, should he decide to become a candidate for re-election and as you have made several addresses recently wherein you have revealed practically nothing new or what you did not say before in your charges against Senator Fulton's misconduct while in office, are you breaking faith with the people of Oregon now or did you lie to the people in your first address, when you promised to tell this "great deal" more about Fulton?

As these are questions of great moment to the people of Oregon, a reply from you will at least amuse some of the readers of this paper and to some it may give joy.

Yours respectfully,
JNO. P. SHARKEY.
