LECTURES ON SHAKESPEARE—What promises to be an event for lovers of Shakespeare and especially those who are interested in his most noted characters, Shylock, will be the lecture to be given next Sunday evening at the Abnath Shalom Synagogue, Park and Clay streets, on "A Modern Conception of the Merchant of Venice," by Leo Cooper, for many years connected with the theater and educational institutions of the Pacific Coast. The lecture will be given under the auspices of one of the "Final Birth" lodges of Portland. Admission will be free and everyone is invited. A special invitation is extended to school teachers and educators generally to attend. A musical program will also be rendered. Leo Cooper was a resident of Portland some years ago, being in charge of that time of a district school, whose members included some of Portland's leading society women. He is acknowledged to be a tragedian of great power, having coached the students at Stanford in their Greek plays. These were produced in the original Greek and with the proper settings. OREGON NEEDS A STRONG RAILROAD COMMISSIONER.—In this district the nomination and election of N. H. Huriburt will give the Commission strength. Mr. Huriburt is by education and experience conceded to be the best equipped and most fit candidate in the race. He is an enthusiastic advocate of a Greater Oregon and believes that the railroad companies should do their full share towards the development of the state. Mr. Huriburt is considered the best man in the state for this important office and if the voters of this district want to see the Railroad Commission in the hands of good and able to accomplish things they should cast their ballots for Mr. Huriburt at the primaries this afternoon. TUCKER, 12-YEAR OLD BOY.—John Tucker, 12-year old boy, was run down by J. W. Benson's automobile, at the corner of Seventh and Morrison streets, at 1 o'clock yesterday afternoon. The matter was referred to the police and a warrant for the arrest of the automobile owner may be issued on a charge of fast driving. EFFECTIVE MAY 1, all cars of the Portland Railway, Light & Power Company within the city limits and its suburbs, including St. John, will stop only at the near side of crossings, as is now being done at railroad intersections.
