W. B. CORSETS

Which Give the Fashionable Long Back

(Fitted by the ONLY Expert Corsetier in Portland)

When, the other day, we asked an importer just returned from Paris what the prospect was for future corset fashions, this was

"As far as any one can tell, the same long, slender designs of corsets that we have now will be built for next Autumn and Winter. If anything, they will be still longer and more slender. Women will be as near hipless as it is possible to make them!"

That is the influence of the present great wave of Directory fashions in dress-for Directory restores to the human figure the importance it had to the ancient Greeks. A woman's figure decides her draperies.

The best American corset we know, and which comes nearest to the expensive and very fine productions of French corsetiers
